FOUNDER & CHANCELLOR

DR. ASHOK KUMAR PANSARI

Dear Parents and beloved Students,
It is my pleasure to share my thoughts with you.

From Galileo, Einstein, to Steve Jobs, men of merit and effort have harped on inventions and creations out of their inherent urge that drives one to the goal. Royal Global University has also been the outcome of this urge and we strive to bring to the Northeast the best academic facilities possible.

I admit you have been my strength and guide in this endeavor. Courtesy your support, encouragement and participation. Royal Knowledge Park, our campus at Betkuchi, has been growing and adding new feathers to its cap every year since its inception. It now boasts of having 23 schools offering 100+ UG, PG & Ph.D. programmes in varied fields viz in Engineering, Business Administration, Commerce, Architecture, Design, Fashion, Fine Arts, Pure Sciences, Information Technology, Life Sciences, Biosciences, Environmental & Earth Sciences, Communications & Media, Psychology, English, Humanities and Social Sciences, Law, Hotel Management, Travel & Tourism Management, Pharmacy, Nursing, Medical & Allied Sciences, Forensic Science etc.

The educational journey of a child begins with us at Royal Knowledge Park. Starting with the play-way method at Royal Global School to research driven pedagogy in Royal Global University, an aspiring student can have it all. We call them the ROYALite. We aim to offer nationally and internationally integrated opportunities to create global citizens. Also, we believe in instilling ethical and moral values in every ROYALite to give back responsible leaders to the society who are capable of enriching the future by bringing in positive transformation in the world touching lives and milestones. The risks and challenges of the twenty-first century have to be negotiated. We pledge to play our role, with your constant support.

DOCTORAL PROGRAMMES

The Assam Royal Global University Doctoral Programme involves students taking on independent and significant research culminating in a publishing-worthy thesis. The degree normally takes three to six years of full-time work towards an original contribution towards the selected subject. The programme is designed to develop advanced skills in conducting independent and comprehensive research. It equips candidates with the ability to contribute new knowledge or theories to their field of expertise.

The Ph.D programme in The Assam Royal Global University involves research across disciplines to arrive at a more comprehensive perspective and solution for a particular problem. With a strong research focus and a research advisory committee involving faculty from different disciplines, a candidate can explore a variety of research options involving a choice of disciplines.

A 12-hour blockchain hackathon was hosted at The Assam Royal Global University which focused on the rapidly evolving field of blockchain technology. The event offered a unique platform for students and tech enthusiasts to dive deep into the world of decentralized systems.

Throughout the hackathon, participants were engaged in hands-on learning sessions, exploring the intricacies of blockchain technology. The attendees gained valuable insights into the potential of blockchain in various sectors, from finance to supply chain management.

YOUTH CONCLAVE

The first-ever Sigma Voice Youth Conclave organized by the Sigma Voice Club, kicked off at the Assam Royal Global University. This two-day event focused on engaging young minds in insightful discussions on diverse topics relevant to the Northeast and beyond.

The event provided a valuable platform for the exchange of ideas, knowledge sharing, and creating better opportunities for youth empowerment.

KARMOTSAV

CHRISTMAS JAMBOREE

Christmas is a time of love, cheer and joy and The Assam Royal Global University celebrates the festival with gaiety. The fete sees open-air outdoor meals, games, live music, and craft stalls including jewelry, snacks, bags etc. It is an event for students to make lasting memories with their friends.

JOB FAIR

Graduates, post-graduates, freshers, and experienced job seekers utilized this platform to showcase their talent, skill set and expertise and appeared in interviews for their dream jobs at some of the best international, national, and regional companies.

The Vice Chancellor encouraged the students to be focused but accommodative of their options while also being open to learning from their experience and honing their skill sets. Highlighted the 'immersive learning' academic module underway at The Assam Royal Global University that makes Royalites industry-ready during their academic term. The aspiring candidates were also encouraged to 'get educated' and 'get trained'.

LUMINESCENCE, THE DIWALI MELA

Organised by the Department of Social Work, Royal School of Humanities and Social Sciences since 2021, Luminescence the Diwali mela is a flagship event of the department that gives NGOs and Self Help Groups of the region the opportunity to display and sell their wares thereby sharing happiness of the festival of lights among all sections of society. This event also underlines the University's commitment towards society.
