Diploma in Interior Design | Duration: 1 Year

Programme Overview

The Diploma in Interior Design is designed for students seeking a career in interior design field. The Diploma focuses on commercial design including hospitality, offices and retail environments. Students will study advanced design theory, commercial space planning, sustainability practices, codes and barrier-free compliance, lighting, design history, visual communication, critical reading and writing, construction drawings, millwork and furniture design. Students will gain hands-on experience in the Joinery shop to expand their understanding of millwork details and assembly. Students will achieve both a strong academic and technical foundation on completion of this program. Students learn from industry-based faculty and develop extensive practical skills for rewarding careers.

Pedagogy

This subject exposes the students to the basics of interior design and the fundamentals of design theory. Students will learn to understand and appreciate design by exploring and applying the various elements and principles of interior design including color and color theory. The teaching methodology helps the student to understand furnishings and materials and also helps them to get acquainted with the art and science of creating harmony with colours, textures and patterns. The course has designed to help learners to understand the constantly evolving landscape of interior design by keeping in mind the varying tastes and preferences of different demographics and cultures. The program provides students with a platform to fully develop their latent creative skills and express their views. The programs encourage students to develop creative, artistic, individual and imaginative approach towards interior design. Regular industry interaction with experts, exhibitions and workshops helps in acquiring in-depth knowledge of the field.

Learning Facilities

Royal Global University provides its students with dedicated Interior Design classroom with digital equipment's, air-conditioned Studios with drawing boards and work tables, carpentry & welding workshop with industry-standard machineries, well equipped high end computers with applicable design software (i.e. AutoCAD, 3D Max, Photoshop, Google sketch up etc.) to enable students to convert their imagination into a virtual reality. The department has material lab well equipped with the latest building materials in the market to keep the students updated. Model making workshop for miniature modeling, access to Art studio and an in-house library apart from the Central Library which is equipped with a collection of books, journals and e-journals from the field of Architecture, Interior Design, Landscape, Design etc. Students are encouraged to excel by taking part in industry visits, interaction with experts, exhibitions, seminars and workshop, etc.

Career Opportunities

Diverse job opportunities exist in front of interior design professionals. They may either choose to work under supervised setup (Design studios and Interior design firms) or work independently. When it comes to Government sector jobs, PWDs, Municipal Corporations and Town Planning Departments are known to hire interior design professionals. They may also become part of Government schemes related to housing and relocation of people. Some of the well-known recruiters include Interior Design firms, Architecture and Design firms, Infrastructure and Property Developers, Furniture Manufacturing and Designing firms. If one has entrepreneurship skills and access to decent financial resources, one may start own interior design firm or consultancy service.

Dear All,

Greetings of the day!

Please refer to the trailing email from AICTE pertaining to use of SWAYAM & SWAYAM PRABHA (online education) by students of all the colleges for Credit Transfer as SWAYAM MOOC guidelines in the wake of COVID-19.

This is a humble reminder to keep on motivating students to use online courses through SWAYAM MOOCs Platform and SWAYAM PRABHA and allow credits up to 20% of the total courses being offered in a particular program in a semester so that students can get exposure to wide array of subjects outside their course curriculum which will be very fruitful for them.

Subject: Use of SWAYAM & SWAYAM PRABHA (online education) by Students of all the colleges for Credit Transfer as SWAYAM MOOC guidelines in the wake of COVID-19- Regarding

Dear Sir/Madam,

Greetings from AICTE!

As you are already aware, Government of India, MHRD (Now Ministry of Education), New Delhi has developed one of the world's largest SWAYAM MOOCs Platform where several hundreds of courses have been hosted for the benefits of the aspiring Students which are available under SWAYAM/NPTEL online courses together.

You may kindly look at your curriculum and find the equivalent courses in SWAYAM for all the courses i.e. from first year to final year. You may also find if there are any other equivalent courses which can be taken on SWAYAM and accordingly, decision may be taken at the university level as per the Credit Framework Regulations issued by UGC as well as AICTE. Universities/Colleges may

accordingly recognize the credits of technical Courses which are taken up by the Students according to the UGC guidelines. This is more important and relevant in the wake of COVID 19 so that physical classes are not absented.

In view of above, you are requested to please motivate the students to a large extent for using online education through SWAYAM MOOCs Platform and SWAYAM PRABHA courses and allow Credits up to 20% of the total courses being offered in a particular program in a Semester to such students in the wake of COVID 19.

Kindly find a letter dated 07-09-2020 in the below URL.

Respected all,

As per instructions from Hon'ble VC, RGU all students and faculty members of all departments/schools of RGU are to register for and complete at least one MOOCs / SWAYAM/ NPTEL course in the session February -June 2020.

All heads of departments/schools are hereby requested to communicate the same to their faculty, students and staff and do the needful for registration.

The matter may kindly be considered urgent and unavoidable, and kind corporation from all is hereby requested.

The following points may be noted-

1. Students who successfully complete MOOCs/SWAYAM/NPTEL courses will get a chance to include the Scores in their final University Transcript mark sheet, and will be declared to pass their respective programme with more credit than that prescribed in course curriculum. (detailed guidelines will be communicated in due course of time).
2. Faculty members who successfully complete MOOCs/SWAYAM/NPTEL courses will get a chance to include the same in their Annual Appraisal. There are many AICTE/UGC approved Refresher Courses or Orientation Programmes in SWAYAM.
3. For further details visit <https://nptel.ac.in/> or <https://swayam.gov.in/>
