**MoU Activity of Royal School of Fashion Design and Technology****Date of activity: 18.06.2019****Collaborator: Reliance Trendz Pvt. Ltd.****Objective of the activity:**

The objective of this MOU is to establish a cooperative framework between Reliance Trends Pvt Ltd and the Royal School of Fashion Design & Technology (RSFT) at The Assam Royal Global University. This collaboration aims to create mutually beneficial programs, events, and projects in the fields of Fashion, Education, and Sports thereby promoting the talent of students in the North East region.

**Outcome of the activity:**

The purpose of this MOU is to initiate a framework of cooperation between Reliance Trends Pvt Ltd and Royal School Of Fashion Design & Technology (RSFT) of The Assam Royal Global University to develop mutually beneficial programs/ events/ projects in the field of Fashion, Education & Sports. The primary aim of this association is to promote all round development of the students and create brand awareness amongst the youth of North East aiming to revolutionize the perception of Fashion, sports and literature in promoting the talent of the students of North East region.

**Summary of the activity:**

In a recent initiative under the (MOU) between Reliance Trends Pvt Ltd and the Royal School of Fashion Design & Technology (RSFT) at The Assam Royal Global University, a group of students embarked on an educational visit to the headquarters and operational centres of Reliance Trends. This visit provided an invaluable opportunity for students to gain first-hand experience of the fashion industry. Throughout the visit, students were exposed to various facets of the business, including design, visual merchandising, marketing, and retail management. They observed the intricacies of the design process, from initial concept sketches to the final production of garments. Interactive sessions with industry professionals allowed students to learn about current trends, innovative technologies, and the challenges faced in the fast-paced world of fashion. Additionally, the visit included workshops where students could apply their classroom knowledge to real-world scenarios, enhancing their technical skills and creative thinking. The insights gained from these sessions were instrumental in bridging the gap between theoretical education and practical application. Students returned with a deeper understanding of industry dynamics, enriched by the hands-on experiences and professional guidance received during their time at Reliance Trends. This initiative not only broadened their knowledge but also inspired them to pursue excellence in their future careers in the fashion industry.

## REPORT ON INSTITUTIONAL VISIT UNDER THE AEGIES OF MoU SIGNED BETWEEN THE ASSAM ROYAL GLOBAL UNIVERSITY AND HANDIQUE GIRLS' COLLEGE

Date of visit: 15/05/2024

Place: Guwahati

On 15<sup>th</sup> May, 2024 an interactive session was organized at Handique Girls' College as a part of MoU activity. The visit was lead by Dr. Deluwar Hoque, Dr. Pratikshya Borah and Dr. Anuja Sinha. The students were not available in the college because of the upcoming university exam from 20<sup>th</sup> May. As such we have interacted with the Vice Principal and the IQAC coordinator. It was an effective discussion about implementation of MoU by planning to send their students to our university for various activities.

## A Report on Visits to different institutions for Career Counseling

To foster stronger ties with our MoU partner institutions and cultivate fruitful avenues for academic exchange and collaboration, three faculties from RGU embarked on a visit to 8 colleges **across Nagaon and Morigaon districts of Assam** starting from **April 29th, 2024**. Throughout the visit, faculty members engaged in dynamic interactions with both students and faculty members across diverse departments, aligning discussions with career prospects, opportunities, and the principles outlined in the NEP 2020.

During the visit, the team covered the following institutions.

Date	Order of the Program	Time
29 <sup>th</sup> April 2024	Hatichong College	10am
	Juria College	2pm
30 <sup>th</sup> April 2024	GNDC Commerce College	10 am
	Khagarijan College	12pm
	Nagaon College	2pm
1 <sup>st</sup> May 2024	Meeting with the Principal of Morigaon College for upcoming MoU with RGU	
2 <sup>nd</sup> May 2024	Charaibahi College	10 am
3 <sup>rd</sup> May 2024	Morigaon College	11am
11 <sup>th</sup> May 2024	Moirabari College	11am

### Team Members:

1. Dr. Debajit Kalita (**Department of Microbiology**)
2. Prof. (Dr.). Mina Ram Nath (**Royal School of Life Sciences**)
3. Ms. Nabanita Hazarika (**Department of Social Work**)

The RGU team's visit to **Juria College** on April 29<sup>th</sup>, 2024, was met with an overwhelming response. The team engaged with the college's Principal and IQAC members, fostering discussions on career prospects, syllabus modification, RGU campus opportunities, and the potential benefits of the MoU between the institutions. Interactions with students highlighted the opportunities awaiting them through collaboration with RGU.

At **Hatichong** College, students and faculty members exhibited a keen interest in RGU's programmes during interactions with the team. Discussions revolved around career growth, choices, and the alignment of offerings with NEP guidelines. The principal expressed interest in organizing an exposure visit to RGU for students.

The team's visit to **GNDC Commerce College** on April 30th saw productive discussions with graduates about opportunities and facilities at RGU. The team motivated students for higher education and placement prospects, addressing queries about fees, course duration, and coaching for competitive examinations available at RGU campus.

**Nagaon College** welcomed the team for discussions on May 1st, focusing on the NEP's implications and how RGU could contribute to achieving students' goals. Similarly, at **Khagarijan College**, despite exam schedules limiting student interactions, the team discussed the MoU's potential with the principal and teachers, planning for future engagements.

On May 2nd, the team visited **Charaibahi College**, where they encountered enthusiastic participation, especially from female students. The presentation highlighted RGU's facilities, opportunities, and benefits for economically weaker students, eliciting curious responses and engagement from the students.

Scheduled on May 3rd, the team's visit to **Morigaon College** facilitated discussions with IQAC members, faculty, and undergraduate students. The team explored avenues for collaborative initiatives, emphasizing shared resources and development through a potential MoU. Therefore, an MoU with RGU will further strengthen the relationship and development for students.

Finally, on May 11th, the team visited **Moirabari College**, where discussions with the principal and faculty members were supplemented by interactions with students from nearby institutions. Notably, two EWS students expressed eagerness to join RGU, showcasing the visit's impact on prospective student enrollment.

The *achievements* of these visits were evident as several students from **Morigaon College and Moirabari College** expressed personal interest in joining RGU. The team's guidance on admission procedures and the subsequent media coverage further underscored the successful outcomes of the visits.

3. Pub Kamrup College, Baihata Chariali, Kamrup, Assam

With the goal of sensitizing the intricacies of the National Education Policy, 2020 amongst various colleges of Assam, an initiative has been taken by the Hon'ble Chief Advisor of Assam Royal Global University, Prof. M. K. Chaudhari sir, whereby various teams from the university shall go for visits to different colleges. Relative agendas of the visits shall also include career counselling, promotion, and branding.

On April 5, 2023, the fourth visit of the initiative was undertaken by the above-mentioned team of faculty members of the University. The three colleges identified for the visit showered the team with overwhelming support, showed great passion and proposed future collaborations with the university on different levels, ranging from signing MOUs to student exchange programme. The principals of the institutions, faculty members and the students were very enthusiastic and eager to know more about NEP 2020 as well as the university. There were rigorous interactive sessions in each of the three colleges. Aspects of NEP 2020, like multiple entry and exit points, credit system, focus on multi-disciplinary approach, etc. along with the curriculum, course availability and career prospects at the University were intricately deliberated upon.

Photographs from the visit have been attached herewith.

11. Moran College, Moranhat Town, Assam 785670
12. Moran Mahila Mahavidyalaya, Thakur Bari Road ,Opp. Moranhat Post Office, Jyotipur, Moranhat Town, Assam 785670

#### **Team members:**

1. Dr. Bornali Chetia, Department of Physics
2. Dr. Sanchayita Rajkhowa, Department of Chemistry
3. Dr. Ankur Jyoti Kashyap, Department of Mathematics

The team received an overwhelming response from the above-mentioned colleges.

On 24<sup>th</sup> April 2023, during the visit to Sibsagar Girl's college, the IQAC members of the college introduced the team to the students. The students are very excited to hear about NEP 2020 and also about the different courses offered by RGU. The students interact one to one with the team members. Also, during the visit to Nazira College, the RGU team members got a good response from both the students and the faculties. Many questions regarding NEP and clustering of colleges were raised by the faculties. Since the colleges don't have enough courses to start NEP2020, they are worried about the implementation and the existence of the college. The rest went well.

On 25<sup>th</sup> April 2023, during the visit to Dibru college, the IQAC members offered a hearty welcome to the team of RGU. There were almost 9 faculty members and nearly 30 students from different groups. The students enjoyed the session and interacted with the team regarding scopes and opportunities after completing graduation. Next the visit was made to Aniruddhadeva Junior College where all the students are from HS. They were very interested in the talk regarding national education policies and career guidance. They have taken interest in the courses of RGU and have collected the contact number of the team. The last visit for that day was made to Nandalal Borgohain City College. The principal of the college, along with the students, offered a hearty welcome to the RGU team. The team members deduced about the NEP2020 and the facilities of the RGU institution like choices of careers at RGU and so on. They are very grateful and hope to conduct a seminar regarding career counseling with RGU in the future.

On 26<sup>th</sup> April 2023, the trip was made to 3 different colleges in Tinsukia. At Tinsukia women's college and Tinsukia Commerce college, the RGU team members have gotten a good response from both the students and faculties. There were more than 80 students accompanying with 5 to 6 faculties in each institution. An interaction was held among students in line with career innovation & growth, choices, and opportunities on RGU campus, NEP and placement system. The RGU team found that the students of Tinsukia college are having study leave since they are starting with their semester examinations on 10<sup>th</sup> May 2023 and therefore the principal proposed a later date, preferably after the semester examination for interaction with the students.

On 27<sup>th</sup> April 2023, the first college visited was Moran Mahila Mahavidyalaya. The program started with the welcome address by the principal, Dr. Jyoshree Phukan and introduce the team members to the faculties and students. The members had an interchange of ideas about syllabus

modification that will be implemented in NEP2020, RGU campus opportunities, Academic bank of credit(ABC), MEME (Multiple entry and multiple exit) etc. The interaction took more than an hour. The faculties of the college had put in many queries regarding how successful the NEP would be, how the colleges would start NEP because of the shortage of departments and courses and so on. The interaction went very well and it seems it was fruitful for the students too. The next visit was to Moran College. The RGU team were very happy to see almost a huge crowd of students along with 7-9 faculties. The principal Dr. Mitali Konwar and other faculties were equally excited to hear about NEP2020 and career guidance. The interaction also took more than an hour. Starting with the career guidance, ME-ME, ABC, NCrf, choices of career in RGU etc has been delivered by the team. Many questions about the distribution of courses and certificates at degree level were put forward. Also , job opportunities after implementation of NEP2020 were also discussed. All were answered by the RGU team and the students were highly motivated.

On the last day of the institutional visit i.e., on 28<sup>th</sup> May 2023, two colleges were visited, Dibrugarh Commerce College and Salt Brook Academy. Both the colleges had more than 50 students with faculties. The principal of Dibrugarh Commerce college also proposed to having an MoU with RGU for the exchange programme. They are very excited to hear about the placement program that RGU holds. They were equally excited to hear about NEP2020, the difference courses offered by RGU and different aspects of career counseling. Also, Salt Brook Academy showed equal interest in the speech delivered by the RGU team. Since the students are all from HS level, they are very excited to know about the career prospects after pursuing a bachelor's degree. They have asked about how NEP2020 is going to be implemented in engineering and medical courses. The session went smoothly, though the students had lots of questions on their mind.

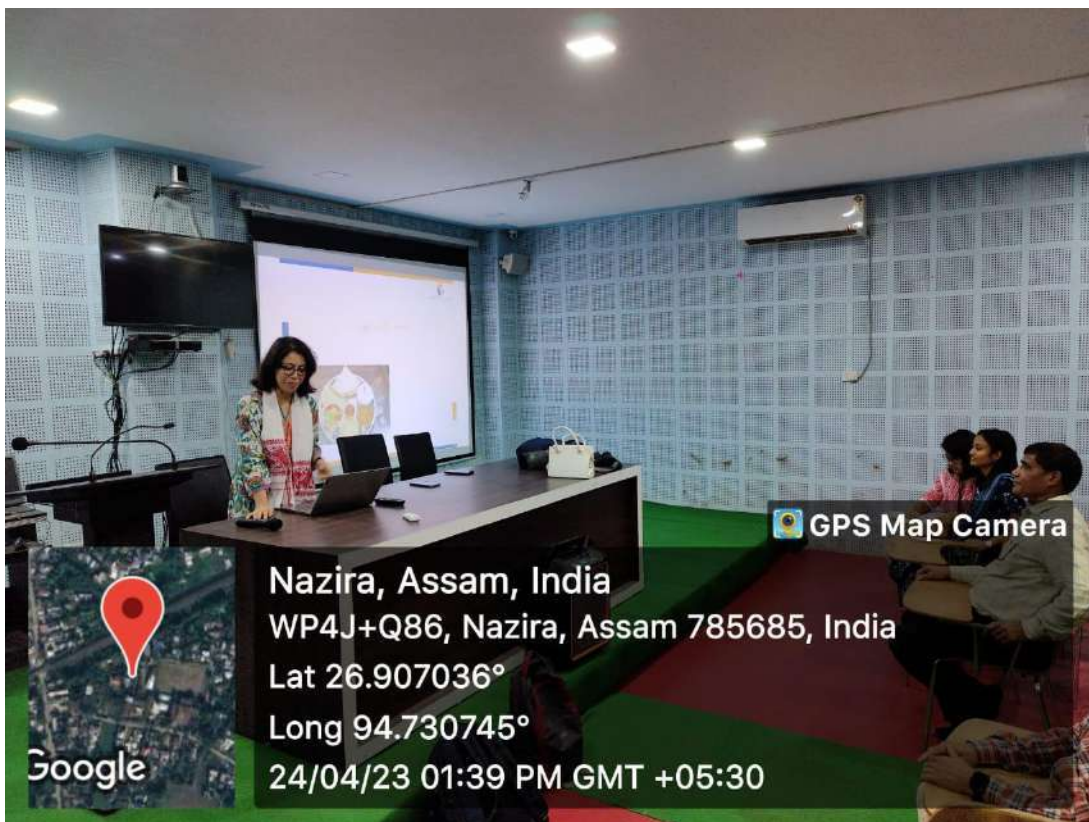

During the institutional visit to Sibsagar, Mr. Himangshu Buragohain (Admission Officer, Sibsagar RGU Centre) accompanied the RGU team and during the visit to Dibrugarh, Ms Anuja (Dibrugarh RGU Centre) assisted the team.

## Department of History MoU Activities

The Dept. of History has two active MoUs signed with two prominent organisations associated with history and history research, namely, the **Assam State Museum** and the **S.K. Bhuyan Memorial Trust Library, North Guwahati** since 27<sup>th</sup> April, 2022.

These two organisations have been imparting skill-based knowledge with regard to museology and its practice, library maintenance and different aspects of book and journal keeping, archival sources, their maintenance and study, to our students, both at the UG and PG level under one month Summer Internship programmes.

On successful completion, students are accorded with certificates by both the organisations.

Under MoU provisions, both parties have been invited to attend, provide deliberations and hold discussions with the other.
