COMMUNIQUE OF CHANCELLOR

Moulding students into leaders of a future embedded with scientific and technological advancements, by focusing incessantly upon rigorous academic research and empirical knowledge has been the opus of The Assam Royal Global University since its inception. At an age where information is available in abundance, we believe in the refinement of information into knowledge through dedicated analysis, interactive classrooms and an undying curiosity.

Our faculty members, comprising of dedicated academicians of national and international repute, constitute a fundamental part of our institution. Determined towards the aim of achieving academic brilliance through creatively planned, research intensive and employment-oriented education, we believe in the core philosophy of imparting knowledge and skills which are relevant for the contemporary society, while preparing students for the future. In RGU, we aspire to build a generation of eternal learners by motivating them to look beyond their capabilities and thus realize what they assumed impossible.

As the former President of South Africa, Nelson Mandela once said, "Education is the most powerful weapon which you can use to change the world", I strongly believe the statement and continuously strive to indoctrinate it.

Sri A. K. Pansari
Chancellor

COMMUNIQUE OF PRO-CHANCELLOR

Producing brilliant thinkers and proactive future leaders has been the perpetual goal of The Assam Royal Global University since its inception, as we aim towards providing education at a world-renowned level. The highly esteemed and devoted faculty members have been the backbone for articulating our philosophy of delivering wisdom that serves humanity by producing a generation of critical and innovative scholars who can indulge the region of Northeast into the world map. We have committed ourselves towards building a studious and friendly environment that greatly impacts the overall zeal of a student. The students remain highly motivated to learn, coming from across the country, who contributes towards our unity and diversity. With such pioneering steps, RGU has established itself as one of the premier institutions with an incessant focus to meet the needs of tomorrow. This Annual Report provides an insight to the academicians and researchers who place RGU as one of the most revered institutions of India. As we move forward, we envision ourselves as one of the global leaders in the field of education, illustrated by our commitment for research and academic excellence, crafting a better future for our region and the world.

Sri A. K. Modi
Pro-Chancellor

Executive Summary by Vice-Chancellor

The Assam Royal Global University in its second year of existence moves forward with the same zeal and is equally committed to its goal for excellence. This belief is grounded on the fact that 1158 students enrolled themselves in the undergraduate, postgraduate and Ph.D. programmes this academic year. The University currently consists of 1762 students across its 21 schools and 64 programmes. It is also worth mentioning that the Royal School of Engineering & Technology ranked as No. 1 Engineering college in Assam and also amongst promising Engineering colleges in India by Competition Success Review-Global Human Resource Development Centre (Engineering College Survey 2019). The Royal School of Business on the other hand has been ranked among 'Top promising B-Schools in India' by Competition Success Review-GHRDC B-School Survey 2019.

The role of research in an academic institution is significant for its sustainability and development, and it is imperative to have knowledge-driven growth based on innovation. In order to promote research in the University as well as to encourage the students towards a research-oriented approach, the Royal Centre for Research Publication Patents & Projects (RCRPPP) has been constituted with a separate cell for projects and consultancy named Royal Research and Development Cell (RRDC). The Royal Centre for Act East Policy (RCAEP) and The Royal Centre for Innovation, Entrepreneurship and Tie-Ups (RCIET) were also constituted with the aim to foster a vibrant ecosystem for the creation and growth of knowledge and research-driven enterprises. Within a year the University has been able to strengthen its academic hold by signing MOUs with institutions like IIT-Guwahati, Institute of Advanced Study in Science & Technology, M/S ICA Edu Skills Pvt. Ltd among many others.

Apart from the state-of-the-art infrastructure, the University has 118 well equipped Labs to support its research endeavours. The University library has a rich collection of 8,358 titles and 24,222 volumes of printed books, 12359 e-books, and 15354 e-journals. The database for the entire collection can be accessed through Online Public Access Catalogue (WebOPAC) making the materials easily accessible.

The University, to support the brilliant students and acknowledge their hard work offers the Royal Merit Scholarship and the Royal Endowment Scholarship distributed across various categories. Further, the University also recognizes students (final year) showing academic excellence and discipline, through the Dean's List award. In order to motivate the students, the University in this academic year also hosted a number of interactive sessions with several dignitaries such as Dr. Subramaniam Swamy, 'Forest Man of India' Mr. Jadav Payeng and 'Dhing Express' Hima Das to name a few. The University truly believes in the necessity of keeping the campus environment vibrant with events of cultural significance that provide the students with an opportunity to showcase their several talents. To ensure the same the University conducted events like the Rastriya Ekta Diwas, Madhya Dakshini Festival and the Ekta Utsav in the University campus. With a proficient and hardworking team of academicians and administrators the University continues to dedicate itself to ensuring quality education to the students of the region and beyond. As a new institution, every 'tiny' and 'grand' achievement is noteworthy as an important milestone. This Annual Report hopefully has been able to capture the essence of the accomplishments the University has made and highlight the vision of the university in the years to come.

1. An Overview

The Assam Royal Global University (RGU), a State Private University, established by The Assam Royal Global University Act 2013, notified by the Government of Assam Gazette on 20/08/2013, started its first academic session from July 2017. The University is located in Betkuchi, National Highway 37, and spans across 37,000 square meters (4 lakh square feet) of built-up centrally air-conditioned structures. During this academic year, the total numbers of courses offered were increased to 81 under 21 schools from 55 courses under 13 schools.

Inauguration of The Assam Royal Global University, 26th July, 2017. Sri Sarbananda Sonowal, Chief Minister, Assam, unveiled The Assam Royal Global University plaque.

1.1 Vision

- To offer nationally and internationally integrated opportunities to create global citizens.

1.2 Mission

- To achieve academic excellence through innovatively designed, research intensive, industry-oriented education;
- To incorporate community service to install ethical conduct and compassion amongst stake holders;
- To give back responsible leaders to society who are capable of enriching the future by bringing positive transformation in the world.

Hon'ble Vice-Chancellor of Manipur University Prof. Adya Prasad Pandey visited Royal Global University on 4th December, 2017

1.3 Ethos behind the Logo of the University

The new brand identity (logo) of Royal Global University which is a combination of the globe, students and the colours Blue and Orange, symbolizes positivity and encouragement for success with wisdom and creativity. The optimistic colours Blue and Orange are reflections of Royal Global University's innovative and progressive mindset with determination to impart the best and rise above the rest, thus creating a transformative educational experience for the students.

The six hands of the students, reaching beyond the globe, represent 'transcending boundaries', standing for wisdom, confidence, intelligence, creativity, determination, and truthfulness; by engaging with partners outside the traditional borders of the university campus.

1.4 University Anthem

**Hail Royal Global University.....
By the bank of mighty Brahmaputra
And under the shelter of Nilachal
There stands the temple of wisdom
Royal Global University**

**In the City of Eastern Light
Colours of blue and orange spread insight
To dream and walk the way to right
Soar in the sky to a new height
Shine on Royalites.....shine on.....**

**Lighting up the young minds
To lead the world with all might
Hail Royal Global University
Endowing a new sense of curiosity
And let the excellence prevail on
Shine on Royalites.....shine on.....**

**As long as the mighty river flows
Citadel of learning will enlighten the globe
History will keep echoing the songs of yore
With the marks of lives that remain on the shore
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
.....shine on.....shine on.....shine on.....**

RGU is the Number.1 private university in Northeast with world-class infrastructure, cultural events, campus recruitment programmes and activities, expert students, and updated facilities. It is facilitated with amphitheatre style classrooms centrally air-conditioned with Wi-Fi facilities, central library, hostels for both boys and girls, seminar halls, Colloquium, computer centre, infirmary, playground, cafeteria, visitors lounge, Conference room, BOG room, Common room, Studios, Computer centre and 85+ high tech labs like physics, chemistry, pharmacy, nursing lab etc. Royal Global University comprises of experienced educationists from elite Institutions and Universities of national and international repute. Every faculty provides extra attention and care to every student (maintaining 1:15 teacher-student ratio and 1:1 care too).

The University strives to stand apart as one of the best private universities in the region with many cutting-edge advantages for its students like exposure to research-driven curriculum, regular hands-on practical experiences related to curriculum, choice-based-credit system of pursuance of choice of study, value-based education, holistic physical and mental wellness development programmes, student-exchange programmes and many more to add to one's basket of professional grooming.

Facilities

1.7.1 Library Facilities

The library of RGU is spread over 8000 square feet. The spacious high-tech, well furnished, centrally air-conditioned, duplex modern library of RGU is like an integrated resource centre that is stocked with rich collection of advanced books in different functional areas of management, engineering, architecture, nursing, physiotherapy, sociology, psychology and other courses. The library facilities and services include regular subscription to national and international journals, electronics journals, round-the-clock accessibility, photocopy and CD-rewriting etc. The library provides excellent information services and resources to the participants of various programs, research scholars, faculty members and also the wider community to enable them to become knowledge hunters.

1.7.2 Hostel

The Assam Royal Global University provides its hostel boarders with all the comforts of one's home. It is beautifully situated in the midst of an eco-friendly and green campus. The separate in-campus hostels Aditya House (Boy's hostel) and Harsha House (Girl's hostel) are equipped with adequate facilities for a holistic mental and physical growth. The hostel environment will help each boarder get the most of their time during the period of stay. Centrally air conditioned, the hostel rooms are laid out in beautiful cluster offering plenty of buddy time. It has 24 hour electricity, water supply and internet which make the environment in the hostel conducive for living and learning. Other facilities include Gymnasium, TV sets in each cluster, two/three bedded rooms, lifts, round the clock infirmary and medical help, in-suite bathroom, comfortable study area, storage racks for books and belongings etc. An experienced warden takes on the role of the guardian for all the boarders of the RGU hostel. The best part of the location of the hostels is that they are located within easy reach of the academic buildings which facilitates frequent interaction with the faculties even during periods of vacation and on holidays.

3.1 Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC), whose primary aim is to develop a system for consistent innovative and progressive action that improves the overall academic and administrative performances of an institution, has been formed at The Assam Royal Global University in congruence with the guidelines laid down by University Grants Commission.

Objectives:

- The Internal Quality Assurance Cell (IQAC) of Royal Global University is mandated to work towards maintaining and enhancing the overall academic standard of the University.
- The Cell is also responsible for initiating steps towards creating a conducive culture for academic and intellectual progress of the University.
- The IQAC also works for meeting the requirements for assessment and accreditation of the University.

Activities (AY 2018-19)

- Towards this end the IQAC has been organizing meeting with various academic departments and also the administration. Earlier on, the first ever academic and administrative audit of the University was carried out under the aegis of IQAC on 24th April 2019.

- Administrative audits were discussed in detail in its third meeting, held on 24th April, 2019. The major findings in terms of Faculty recruitment and the weakness of the departments and the student feedback were analysed for corrective measures.
- The IQAC has also provided necessary guidelines for enhancing the effectiveness of the Orientation programmes for the newly appointed students.

3.4 Royal Centre for Research, Publications, Projects & Patents (RCRPPP)

In a fast-developing world, the role of research in an academic institution is significant for its sustainability and development, and therefore, it is imperative to have knowledge-driven growth based on innovation. Detailed research equips students with critical thinking expertise, as well as effective analytical, research, and communication skills that are globally sought-after. Therefore, to promote research in the University and impart these qualities to the students of RGU, Royal Centre for Research, Publication, Projects & Patents (RCRPPP) has been constituted. The RCRPPP has been renamed as Royal Research and Development Cell (RRDC).

3.5 Royal Centre for Counselling and Career (RCCC)

Days of higher education are very absorbing and exciting in one's life. However, for a few students, it may, at times, bring about common emotional challenges, e.g. depression, anxiety, addiction, eating disorders, etc. The transitional period of their life can be a time of both disorientation and discovery, can bring up issues related to independence and self-identity. Many students face tough choices regarding school, sexuality, drugs, alcohol, and social life, since peer groups, romantic inclinations and appearances tend to dominate during a teen's journey to adulthood.

To address the problems as above, RGU has launched Royal Centre for Counselling and Career (RCCC), to counsel and handhold students to face varied difficulties of life, were guided by the able team of RCCC in their quest to understand, perceive and solve issues of inter-personal relationships, peer pressure, career choice, etc.

The committee commenced its first Seminar Series (Faculty Colloquium) w.e.f. 14th May (Monday), 2018.

1. Faculty Colloquium (Faculty Seminar Series)

- Faculty Colloquium (May-June, 2018)

This Faculty seminar series was organized from 14 May to 6 June, 2018 to encourage faculty members of the University to present their domain expertise on a common platform. Parallel sessions were conducted in two venues: (i) D' Royal Colloquium, Block-A, 5th Floor and (ii) Royal Conferencia, Block-A, 5th Floor, RGU.

- Faculty Colloquium (Dec, 2018)

This Faculty seminar series was arranged in the month of December (4 to 19 Dec, 2018) for those faculty members, who could not present their assigned talk in the Faculty seminar series held in May-June, 2018.

Faculty Colloquium showcases the commitment of our University to motivate research culture among various disciplines. This seminar also helps in bridging the gap between academia and industries for overall societal development.

2. HRDC Team class-room visit

As a measure of the HRDC program, to improve teaching-learning process at the university level to achieve goals of higher education, a Classroom visit was undertaken. HRDC Team visited classes of teachers. The team had interaction with students and concerned teachers and sought clarity on:

- Methodology adopted for teaching by the concerned teacher(s);
- students' problem(s) if any, while following the class delivery by teacher(s);
- and also addressed problem (s) faced by the concerned teachers while imparting education & training to the students (both during Theory & Practical classes).

3. Faculty Development Programme

An FDP was organized from 10th to 12th December 2018 by Royal School of Business and Royal School of Commerce in association with HRDC, RGU, with support from the faculty of XLRI, Jamshedpur.

3.11 Royal Publication Cell (RPC)

The cell is responsible for processing the most basic interests in the process of publication. To encourage the members of the University to contribute and to create original pieces of work. Since the very beginning, the RPC has taken its responsibilities seriously and the members have worked relentlessly to promote and realise the above-mentioned goals at every step. The very first Annual Report of Royal Global University (RGU), for the year 2017-18, was a mammoth task undertaken by the team, which was not only painstakingly compiled, but also submitted dutifully on time in the year 2018-19. In March 2019, the RPC also published an e-magazine.

3.15 Royal Centre for Corporate Relations (RCCR)

RCCR, an indispensable pillar of The Assam Royal Global University, plays a very important role in every student's future. The centre continuously strives to help students in pursuing their career goals by imparting employment-seeking skills and thereby to attain desired employment. This is accomplished through a strong bondage created amongst students, alumni, faculty members and the industry. Royal Centre for Corporate Relations attempts towards mentoring students to the effect that they are industry-ready at the successful completion of an academic programme. The centre parallelly aims at grooming students ethically as well as in terms of attitude and aptitude, through regular training and interactive sessions. The centre provides students with every support for placements. The main objective of this Centre is to make the students ready to face the challenges of the corporate world and to help them in getting placed after completing a course.

Visitor

His Excellency

Hon'ble Governor of Assam

Chancellor

Sri Ashok Kumar Pansari

A very successful practising Chartered Accountant since 1988, Sri A. K. Pansari gradually developed an inclination to be a social entrepreneur in education and the related sector. In an effort to provide quality education to the students of North East and to curb their exodus from this region, he, in association with his childhood mate Sri. A. K. Modi (Chartered Accountant), established Royal Group of Institutions in 2009, Royal Global School, a world class co-educational day-cum-boarding Higher Secondary school, first of its kind in the region, in 2012 and The Assam Royal Global University in 2017. Sri Pansari has truly been a man of diversified interests. In 2002, he started Royal Estate Developers and is now focusing on offering affordable houses under Pradhan Mantri Awas Yojana- URBAN (PMAY-U), to people of EWS and LIG categories. Sri Pansari also owns a media house, Purvoday Publications Private Ltd., that has been publishing Hindi daily "Dainik Purvoday" since 2005. An ardent orator and a great motivator of the student community, today Sri Pansari is one of the leading lights of the state.

Pro-Chancellor

5.6 Research

In a globalised world, the role of research in an academic institution is significant for its sustainability and development, and it is imperative to have knowledge-driven growth based on innovation. The research field in The Assam Royal Global University always encourages inter-disciplinary work, thereby contributing to various innovations. RGU has mandatory research goals for individual faculty, and also have adequate systems or infrastructure for quality research. The Assam Royal Global University seeks to push the boundaries of knowledge through analysis, innovation and insight, and aspires to churn out top-notch scientists, engineers, leaders and entrepreneurs to meet the needs of the society. During this academic year, a total of 27 research scholars have enrolled for pursuing their Ph.D., thereby making a total count of 47 scholars.

6. Library

Spread over 743 square meters (8000 square feet), the Central Library of RGU is a well-furnished, centrally air-conditioned, duplex-type library. Situated on the first and second floors of B block, the library is a hub for academic queries and research activities. The library is fully computerized and provides essential information on knowledge related to engineering, management, architecture, law, commerce, fashion, fine arts, etc. The total collection stands at 8,358 titles and 24,222 volumes of printed books, 12359 e-books, 2 printed and 15354 e-journals. The database for the entire collection can be accessed through Online Public Access Catalogue (WebOPAC). Apart from this, the library holds special collection on North-East, competitive and fiction/non-fiction corners. The library subscribes to eight daily newspapers and a number of reputed magazines. The library management is done by ILMs SOUL 2.0 server platform and barcode system (Jan, 2013). As a member of DELNET, the library avails various facilities of member institutions through resource sharing, on demand from the users, as and when required. It provides ready reference service like Content List Service, using both offline and online sources of information to the users. Similarly, the university also subscribes to Manupatra and other online legal data bases through which national and International judgements and also journals can be accessed.

Library Services

- Circulation of books to all members against their library cards.
- Reference service.
- Selective Dissemination of Information.
- Content list service.
- Inter-Library Loan service (on demand).
- Repository.

7.4 Dean's List

Dean's List is a List of Honour, which comprises of only final year students who have shown academic excellence and discipline, during their course of study in the University, till pre-final year. The Dean's List award is not a scholarship as it does not come with any financial aid. This Award is a recognition which will elevate students to higher echelons of success. The awardee (student) will receive a personalized letter of appreciation from the University officers viz. Dean Academics/Vice-Chancellor to honour and recognize their excellent performance.

This award is instituted school wise, irrespective of the course of study, for pre-final year students. Separate Dean's List shall be made for UG & PG levels. The selection of students for this list will be done after the end of every academic year, for pre-final year students, based on results of all the previous semesters, attendance etc.

A maximum of 05 students are nominated per school, and the minimum eligibility criteria to qualify for the Dean's list are,

1. Cumulative ninety percent (90%) attendance in both theory and practical classes for last two semesters, along with minimum attendance of eighty-five (85%) percent in all the previous semesters, considered for award.
2. High Grades in academic performance.
3. Consistently good and exemplary behaviour and proficiency in extra-curricular activities.

COMMUNIQUE OF CHANCELLOR

The great Martin Luther King once said, “The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education”. Devoted towards the aim of setting a standard for education through intensive and critical thinking, we have emphasized on establishing a university that provide students with the best infrastructure, superior pedagogy and a tranquil environment suitable for learning and creativity. Our fraternity members resonate the fundamental belief of empowering the future generations by motivating them, not just to read and gather knowledge, but to reflect and give back to the society along the process.

Tackling a global pandemic seamlessly by adapting innovative methods of online teaching, our faculty members have dedicated themselves to impart knowledge and positivity even during an hour of anguish, constantly keeping the morale of the students boosted. This perpetual guidance and motivation towards the future is at the heart of The Assam Royal Global University, which has emerged as one of the premier institutions of Northeast India, by focusing on rigorous academic research, contemporary infrastructure and industry-driven education.

Dr. A. K. Pansari
Chancellor

COMMUNIQUE OF PRO-CHANCELLOR

The Assam Royal Global University has developed a team of highly acclaimed and dedicated professionals, who believe in the value of meticulous learning and student-oriented teaching. Aspiring to provide education at a level that the world acclaims, our programs are designed to inspire the students towards critical thinking by developing their analytical and innovative intellect. The faculty members at RGU are focused upon intensive research and delivering employment-based education, preparing the students for the upcoming technological boom. The students, coming from across the country, contributes towards our diversity and unity that are being trained, not just to cope and survive the future, but to lead and emerge as the trend-setters. With unprecedented growth over the years, RGU aspires to establish itself as a global leader, standing tall and proud as a beacon illuminating our society with the light of knowledge and wisdom. This Annual Report provides a glimpse for researchers and eminent educators, who place RGU at the highest position of their preferred institutions of Northeast India, into a myriad of academic excellence.

Sri A. K. Modi
Pro-Chancellor

EXECUTIVE SUMMARY BY VICE-CHANCELLOR

The Annual Report AY 2019-20 comes at a time when the world is severely paralysed with the global outbreak of the Coronavirus pandemic. In the midst of all the uncertainties, The Assam Royal Global University has kept its momentum to strive to do better every single day, keeping the light of optimism shining. Keeping pace with the circumstances of the working environment where the world shifted to the work-from-home mode, even The Assam Royal Global University swiftly shifted to this mode and ran all official functions and duties from the homes of the efficient team members it is made up of – the Management, the teaching staff and the non-teaching staff. As a result of institutional growth and academic maturity, RGU now offers 90 courses with integrated courses in 11 programmes under 25 schools and 9 faculty of studies. The third Annual Report of RGU takes an introspective look at three main areas of focus—Academic Excellence, Institutional Growth, and Partnership. The executive summary will provide a transparent snapshot of the growth Royal Global University has successfully accomplished in the past twelve months. The report also shows areas where the university needs to put in more effort to add uniformity in growth and thus strengthen the development.

Prof. (Dr.) S.P.Singh
Vice-Chancellor

Academic Excellence

The Assam Royal Global University launched new programs at various credential levels, with a focus on cross-disciplinary learning, in emerging sectors and high-demand sectors. The year also saw the initial preparatory phase for submission of RGU SSR for NAAC. To strengthen the research and development of the university, the faculty team has always been encouraged to work towards submission of research/ project proposals to funding agencies. Out of a total of seven project proposals submitted in the last three years, RGU has received the approval of two projects namely Energy Auditing of Tea Estates of Assam (McLeod Russel-Monabarie Tea Estate and Amchong Tea Estate) followed by technical advice and training on energy saving audit data analysis and report generation, submitted by Department of Electrical Engineering, RGU; and IOT Based SOS system for detecting Accident with a two-wheeler vehicle – submitted by Department of Computer Science and Engineering. The two projects have been funded by Collaborative Research Scheme of ASTU under TEQUIP-III program of MHRD funded by World Bank and Assam Science Technology & Environment Council respectively.

A good number of 192 research publications inclusive of research papers in journals, conference proceedings and books/chapters, have been added to the repository of the university research and publication division. Ms. Aruna Dev Rroy, Asst. Prof. Royal School of Commerce, published the book titled Marketing Management: A Prologue. Dr. Debajit Borah, Assistant Professor of Biotechnology, RGU, and Mr. Abhijit Sonowal, alumni of the same department were jointly awarded 'BRIC's Idea Exposition Award' on the theme entitled "Innovations in Agriculture and Sustainability" organized by DBT-BIRAC Regional Innovation Centre (BRIC) in collaboration with Idea Knowledge Park, Hyderabad, and IIT-Guwahati Biotech Park, Guwahati during July 16-17, 2020. Ms. Sumi Kankana Dewan, Assistant Professor, Dept. of ECE, RSET, designed a ZnO nanoparticle based Biosensing device for detecting four biological parameters for diagnosing the health of liver and kidney of animals and birds, and has been encouraged to go ahead for filing of patent. Adding further to the research and innovation, the faculty team along with the students are actively involved in innovation by successfully designing devices beneficial for protection of health workers in hospitals and other institutions. Dr. Niraj Singh, Assistant Professor, Dept. of Microbiology, Royal School of Bio-Sciences was conferred with "Young Plant Pathologist Award" in International Web-Conference on "New Trends in Agriculture, Environmental & Biological Sciences for Inclusive Development (NTAEBSID-2020)". He also received the Hayward-Prior Travel Award 2020 in 7th International Bacterial Wilt Symposium held in Montevideo, Uruguay, from 29th March to 3rd April 2020 (event postponed to 2021 due to covid 19). The Institution Innovation Cell (IIC) of RGU, founded in October 2019, initiated by the MHRD Innovation Cell, manufactured head shields, using the 3D printer technology, and donated them to Excelcare Pediatric Department. RGU continued to advance experiential learning opportunities for students through the use of advanced teaching-learning tools and has witnessed a considerable result in the annual examination results. The annual pass percentage has stood at 95%. Also, altogether 55 students are enrolled under the nine categories of scholarship schemes offered by the university. To motivate students to shine better in their academic pursuits, Royal Global University felicitated the twenty students who cleared UGC - NET and Assam-TET examinations for December 2019. Students of the university earned laurels in several national level competitions for their innovations. Rishab Goenka, students of Royal School of Architecture won the silver medal in International Essay competition conducted by Heartfulness, 2020. Ms. Nargis Zaman and Mr. Saklain Mustak Alam, students of Department of Botany were selected for summer internships with CSIR in National Botanical Research Institute, Lucknow. Mr. Mebanshan Shadap of Royal School of Business bagged silver (1st runner up) for Western Instrumental (solo) and Ms. Priyanka Dey of Royal School of Humanities and Social Sciences won bronze (2nd runner up) in the category of Light Vocal Indian (solo) in the 35 Inter University National Youth Festival held at Amity University, Noida. Going by the vision of RGU in creating global citizens, the University has taken every step to expose the students to different socio-cultural perspectives of life. The University saw the celebration of important days like Matribhasha Diwas, Jyoti Diwas, Silpi Diwas, Consensio 2020 (the annual youth festival of RGU) etc, along with a lot of awareness programmes conducted by all the departments. Another medal of honour was bestowed on RGU when the Association of Indian Universities showed its faith by entrusting RGU with the 35th East Zone Inter University National Youth Festival, which was aptly called Karmotsav. The Department of Social Work adopted the DeuChutal village at Pamohi, Kamrup, Assam. On the occasion of the birth anniversary of Bharat Ratna Dr. A.P.J Abdul Kalam, 'Innovation Day' was celebrated with spot slogan writing, "Innovative Idea contest", followed by presentation of students on "National Start-up Policy". Many awareness programmes like Covid, Drug abuse, Breast cancer, leprosy, Swachhata hi Seva; and donation drives were also instituted by the various departments of the university.

Institutional Growth

The year 2019-20 has been a year of upward growth with the increase in numbers in admission, recruitment, research and publication, MoUs signed and others. Noteworthy to mention, the new academic block was inaugurated on 27 August 2019 by Hon'ble Chief Minister of Assam, Sri SarbanandaSonowal. A contribution of Rs. Five Lakhs was also extended towards the Chief Minsiter's Relief Fund for Flood Victims of Assam. The contribution was brought forward by the faculty and staff of Royal Global University and Royal Global School by dedicating their one day's salary towards the fund.

However, a few areas have also shown a downward trend. Table A shows the areas which have witnessed an increase in the numbers and Table B reflects the comparative figures of the areas showing a decrease in the numbers or have remained the same.

Partnership

RGU continues to build on academic and industry partnerships to enrich work and learning experiences for our students. Significant progress has been made on various sectors with foundation operational plans for 2019-20 completed and a shared procurement process now established. A number of academic pathways have been built or are under development.

Numerous pathway agreements have been signed with institutions of repute, including Paris Air Inc., USA; National Institute of Pharmaceutical Education and Research (NIPER); Institute of Advanced Study in Science & Technology (IASST); to take forward collaborative research activities in the areas of mutual interest.

Industry partnerships remain critical, underpinning RGU's ongoing commitment to create industry-ready students. Several such partnerships were signed, including Indian Institute of Management Indore; The Institute of Company Secretaries of India (ICSI); Digboi College, Assam; National Law University and Judicial Academy, Assam (NLUJAA); Institute of Chemical Technology (ICT); Shree Marwari Databya Aushadhalaya , Guwahati; nd Excelcare Hospitals (A unit of Asclepius Hospitals & Health Care Pvt.Ltd.).

At RGU we strive to excel and innovate in our unique programmes, our local and global partnerships and in our mission to deliver exceptional student experiences. As a leading institution of the North East, RGU continues to provide its students with the critical education, knowledge and skills required to meet all future challenges.

The Assam Royal Global University during the COVID-19 pandemic

The impact of the COVID-19 pandemic was profound on every sector, including the education sector. Though it was the need of the hour to stay in the confines of home and maintain social distancing, The Assam Royal Global University had taken immediate proactive steps to utilize the digital platform, ensuring that the students and faculty members do not miss out on their regular teaching and learning process and simultaneously broaden their horizon of learning through (with) different e-resources made available by the MHRD and UGC.

- RGU facilitated the teachers and students community with RoyalNet, the digital platform of the University wherein faculty members upload lesson plans, study materials via video links, references, relevant materials and record attendance. Various other platforms like Zoom, Skype, Google Meet, YouTube Webex, TCS ion Classroom and Google Classroom, etc. ensured that online teaching-learning process was smooth.
- Other alternatives such as CEC-UGC YouTube, SWAYAM Online Courses, UG/PG MOOCs, archived courses through the UGC MOOCs INFLIBNET (Information and Library Network), E-PG Pathshala (e-texts and video) available through the EPGP INFLIBNET, SWAYAMPURABHA were also utilized by the students. Many digital e-learning platforms are being explored like MTUTOR (Mobile Tutor), promoted by AICTE, which provides free access to customized animated content.
- In order to make sure that the students do not miss out on their Summer Internship (SI), The Royal Centre for Corporate Relations (RCCR) - the placement team of RGU in coordination with respective departments facilitated the registration of students for 'Online Summer Internships' on various online platforms like Internshala, Verzeo, Coursera, NPTEL, Udemy etc. The students and faculty members were constantly motivated and virtually trained to fully utilize the digital transactions.
- The university also overcame the many challenges of the pandemic by ensuring regular conduction of webinars both at school and departmental levels. From the start of the pandemic till the month of June 2020, 95 numbers of departmental webinars, 1 E-FDP, and 17 numbers of speaker series were organized by various departments of RGU.
- RGU conducted an awareness program for faculty and students. Preliminary check for symptoms of the virus was conducted for all the residents of the hostels, faculty members, non-teaching staff members and the internal kitchen staff by qualified nurses (through its Nursing School). The Dept. of Chemistry and Biotechnology, prepared sanitizers in their departmental labs for use by the university staff and students.
- RGU joined hands with the state in the collective effort to combat the pandemic by allowing the use of its infrastructure to create isolation wards, as and when required. RGU also sent the data related to its 3D printer setup, to be used to crowdsource the 3DP splits for ventilators and other medical devices. In addition, the Royal Group generously earmarked Rs. 1,00,00,000/- (Rupees one crore) on 29th March 2020 to fight COVID-19 out of which Rs. 1 Crore, Rs. 25 Lakhs has been deposited to PM CARES Fund, Rs. 40 Lakhs to CM Relief Fund, Rs. 25 Lakhs to Assam Arogya Nidhi and Rs.10 Lakhs for distribution of food, ration etc. in required areas of Guwahati. The deposited amount includes contribution made by the employees of the University (drawing a monthly salary of Rs. 10,000/- and above), who have very generously donated their one-day salary towards this noble cause.

1. An Overview

The Assam Royal Global University (RGU), a State Private University, established by The Assam Royal Global University Act 2013, notified by the Government of Assam Gazette on 20/08/2013, is in its 3rd year of academic excellence offering a total of 117 courses under 24 schools in diverse fields. Established in July 2009 as Royal Group of Institutions, which has now been merged into The Assam Royal Global University, the University is located opposite to Tirupati Balaji Temple on National Highway and spans across 37,000 square meters (4 lakh square feet) of built-up centrally air-conditioned structures.

Inauguration of The Assam Royal Global University, 26th July, 2017. Sri Sarbananda Sonowal, Chief Minister, Assam, unveiled The Assam Royal Global University plaque.

1.1 Vision

- To offer nationally and internationally integrated opportunities to create global citizens.

1.2 Mission

- To achieve academic excellence through innovatively designed, research intensive, industry-oriented education;
- To incorporate community service to install ethical conduct and compassion amongst stake holders;
- To give back responsible leaders to society who are capable of enriching the future by bringing positive transformation in the world.

Hon'ble Vice-Chancellor of Manipur University Prof. Adya Prasad Pandey visited Royal Global University on 4th December, 2017

1.3 Ethos behind the Logo of the University

The new brand identity (logo) of Royal Global University which is a combination of the globe, students and the colours Blue and Orange, symbolizes positivity and encouragement for success with wisdom and creativity. The optimistic colours Blue and Orange are reflections of Royal Global University's innovative and progressive mindset with determination to impart the best and rise above the rest, thus creating a transformative educational experience for the students.

The six hands of the students, reaching beyond the globe, represent 'transcending boundaries', standing for wisdom, confidence, intelligence, creativity, determination, and truthfulness; by engaging with partners outside the traditional borders of the university campus.

1.4 University Anthem

**Hail Royal Global University.....
By the bank of mighty Brahmaputra
And under the shelter of Nilachal
There stands the temple of wisdom
Royal Global University**

**In the City of Eastern Light
Colours of blue and orange spread insight
To dream and walk the way to right
Soar in the sky to a new height
Shine on Royalites.....shine on.....**

**Lighting up the young minds
To lead the world with all might
Hail Royal Global University
Endowing a new sense of curiosity
And let the excellence prevail on
Shine on Royalites.....shine on.....**

**As long as the mighty river flows
Citadel of learning will enlighten the globe
History will keep echoing the songs of yore
With the marks of lives that remain on the shore
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
.....shine on.....shine on.....shine on.....**

- A few students from the Royal School of Architecture, Royal School of Communications & Media, Royal School of Engineering and Technology and the Department of Biotechnology have earned laurels in several national level competitions for their innovations.
- The Royal School of Architecture and Royal School of Design were shortlisted amongst the top 40 colleges of Architecture, for the A and DC Award in NASA from 1st - 4th October 2019.

3.5 Royal Centre for Counselling and Career (RCCC)

Days of higher education are very absorbing and exciting in one's life. However, for a few students, it may, at times, bring about common emotional challenges, e.g. depression, anxiety, addiction, eating disorders, etc. The transitional period can be a time of both disorientation and discovery, and can bring up issues related to independence and self-identity. Many students face tough choices regarding school, sexuality, drugs, alcohol, and social life. Peer groups, romantic inclinations and appearances tend to dominate during a teen's journey to adulthood.

To address the problems as above, RGU has launched 'Royal Centre for Counselling and Career (RCCC)', especially for those students who find life going tough. During the AY 2019-20, there were no cases registered.

3.9 Royal Centre for Water Resource Management (RCWRM)

Royal Centre for Water Resource Management (RCWRM) was established in March 2017 under The Assam Royal Global University (RGU), Guwahati, and the centre is attached to the Department of Civil Engineering, Royal School of Engineering & Technology. Its main objectives are to pursue teaching, research, consultancy and to conduct training programmes in (a) hydrology, (b) water resources engineering, (c) development & management, (d) irrigation management and water quality, and (e) water quantity management. It is basically an extension of the Department of Civil Engineering.

To ensure high standard of service, the centre deploys well-qualified and experienced professionals of high calibre to offer the best of academic/consultancy services in various sub-sectors of Water Resources with specific focus on the NER.

Activities (AY 2019-20)

Under the Royal Centre for Water Resources Management (RCWRM) the following activities were undertaken in 2019-20:

- Students of M.Tech. (CE- Water Resources Development & Management) conducted Social Internship Activity under Jal Shakti Abhiyan of Govt. of India at the premises of Central Ground Water Board (CGWB), Betkuchi during September 2019.

3.10 Human Resource Development Centre (HRDC)

In accordance with the guidelines of University Grants Commission (UGC), the Human Research Development Centre (earlier known as Academic Staff College) has been formed at RGU in the very first year. The Centre is responsible for continuously striving towards further enhancing the teaching standards of the university. It has been conducting training programs (FDP) and workshops to train teachers of RGU with the help of in-house senior faculty members and also teachers from other reputed institutes of higher education.

- Faculty Colloquium (July 2019)**

Faculty seminar series (Faculty Colloquium) was organized from 08 July to 31 July, 2019. It was the third consecutive seminar of its kind, conducted by the HRDC, RGU. The presenters were from all schools of RGU. Content of presentations included wide range of topics, variety of inputs, practical information and good speakers. Total number of presenters was 153 presenters.

- Faculty Colloquium (January, 2020)**

Faculty Colloquium-January, 2020 was the fourth consecutive seminar, conducted by the HRDC, RGU. This was organized from 6th to 10th January 2020 for newly appointed faculty and for those faculty who could not present

their assigned talk in the Faculty seminar series, held in July, 2019. In total, there was 5 (five) days of presentations with two parallel sessions at two different venues. A total number of 40 (forty) presenters presented their papers.

Faculty Colloquium showcases the commitment of our University to motivate research culture among various disciplines. This seminar encourages faculty members to present their domain expertise on a common platform. This seminar also helps in bridging the gap between academia and industries for overall societal development.

2. HRDC Team class-room visit

To improve teaching-learning process at the university level and to achieve goals of higher education, regular class-room visits are undertaken as a measure of the HRDC program. Under this, HRDC Team visited classes of teachers, had interaction with students and concerned teachers and sought clarity on:

- I. Methodology adopted for teaching by the concerned teacher(s).
- II. Students' problem (s) if any while following the class delivery by the teacher(s).
- III. Also addressed problem (s) faced by the concerned teacher while imparting education & training to the students (both during Theory & Practical classes).

3.11 Royal Publication Cell (RPC)

- The cell is responsible for processing the most basic interests in the process of publication.
- To encourage the members of the University to contribute and to create original piece of work.

RGU had organized the 35th Inter-University Youth Festival (UNIFEST), 2019-20, from 11th to 15th November 2019 under the aegis of the Association of Indian Universities (AIU), New Delhi wherein participants from 23 Universities of the eastern zone of India had participated. Standing true to the theme of the fest, 'Karma Hi Pradhan Hain', the editorial team, comprising both faculty members and students, along with a corps of student reporters, religiously brought out a Newsletter highlighting the daily events of the festival with much dedication and precision. It was very well-received and a work of high standards.

At the dawn of 2020, the RPC was entrusted with the responsibility of broadening its horizon of academic duties, in the form of publishing quarterly e-magazines comprising literary contributions from teachers and students alike. After much brainstorming, it was decided, for sake of convenience, to categorise all Schools of RGU into three categories namely, A, B and C, wherein the e-magazine was divided into three sections and allotted to each group respectively. Group-A, comprising of 11 Schools from the Science and Engineering streams, published its first issue of the e-magazine Osmosis in May 2020. Its editorial coordinator, Dr. Nilakshi Goswami, succinctly describes it as "an attempt to keep pace with the changing nature of readership, more so during this COVID-19 pandemic, so that the e-magazine will reach out to a wider and vibrant readership, both within and beyond the Royal Knowledge Park".

Group-B, comprising of 7 Schools from the Humanities and Social Sciences streams, published its first issue of the e-magazine Proyaaxh in the same month. Ms. Chandni Khaund, the editorial coordinator, beautifully explains the rationale behind its name and outlooks as one "suggestive of endeavour", where "the students have left no stones unturned in producing quality and relevant content". Group-C, encompassing the 3 Schools of Commerce, Communications & Media and Business, also brought out the first issue of its e-magazine The Voice in the same period. Dr. Jasmine A. Choudhury, the editorial coordinator, describes it as one reflective of the students' voice "unfiltered and resonating with brilliance" and aimed at promoting a sense of belongingness with the institution.

The second issue of *Osmosis*, *Proyaaxh* and *The Voice* will be released in January 2021. All three publications have a dedicated team of student coordinators, ably led by their faculty coordinators, assisted by members of the Communications Design Department of RGU, and aided and advised by the RPC, led by the Chairman, Prof. Biswajit Banerjee. However, this idea of a quarterly e-magazine for RGU wouldn't have been possible without the vision, thrust and continuous encouragement of our Honourable Vice-Chancellor, Prof. S.P. Singh, Chairperson (Academics), Prof. A.K. Buragohain, and Registrar, Ms. Angira Mimani respectively. It is our firm belief that the RPC will be able to perform its duties with full conviction in the coming times, despite the challenges of the COVID-19 pandemic, and encourage the RGU fraternity to be the torch-bearers of a literary transformation in the educational campuses of the region.

3.13 Institutional Academic Integrity Panel (IAIP)

Following the guidelines of MHRD, Government of India, an Institutional Academic Integrity Panel (IAIP) was formed at The Assam Royal Global University.

- To create awareness about responsible conduct of research, thesis, dissertation, promotion of academic integrity and prevention of misconduct including plagiarism in academic writing among student, faculty, researcher and staff.
- To establish institutional mechanism through education and training to facilitate responsible conduct of research, thesis, dissertation, promotion of academic integrity and deterrence from plagiarism.
- To develop systems to detect plagiarism and to set up mechanisms to prevent plagiarism and punish a student, faculty, researcher or staff of HEI committing the act of plagiarism.

3.15 Cell for Prevention of Caste Based Discrimination of RGU

The Assam Royal Global University has created a SC/ST/OBC cell with minimum infrastructure as per the guidelines of Government of India as communicated by the MHRD and UGC. This cell has been constituted to resolve all the affairs and problems related to the SC/ST/OBC students/teachers/non-teaching staff of the University.

The objectives of the Cell are:

- To counsel and guide SC/ST/OBC students and help them to manage academic and personal issues of University life effectively.
- To ensure provisions of an environment where all such students/Teachers/Non-Teaching Staff feel safe and secure.
- To provide prompt counseling for any emotional emergencies arising on account of any event at the campus.
- To ensure protection and reservation as provided in the Constitution of India.
- To arrange for special opportunities to enhance the career growth.
- To aware the SC/ST students regarding various scholarships program of State Govt. and UGC.
- To take such follow up measures to achieve the objectives and targets laid down by the Govt. of India and the UGC.
- Function as a Grievance Redressal Cell for the grievances of SC/ST students and employees and render them necessary help in solving their academic as well as administrative problems.
- To promote higher education among these two communities.

3.16 Royal center for Corporate Relations (RCCR)

RCCR, an indispensable pillar of The Assam Royal Global University, plays a very important role in every student's future. The centre continuously strives to help students in pursuing their career goals by imparting employment-seeking skills and thereby to attain desired employment. This is accomplished through a strong bond created amongst students, alumni, faculty members and the industry.

Royal Centre for Corporate Relations attempts towards mentoring students to the effect that they are industry-ready at the successful completion of an academic programme. The centre parallelly aims at grooming students ethically as well as in terms of attitude and aptitude, through regular training and interactive sessions. The centre provides students with every support for placements.

The main objective of this Centre is to make the students ready to face the challenges of the corporate world and to help them in getting placed after completing a course.

In erstwhile RGI, the RCCR functioned as the Placement Cell of Royal group of Institutions and had successfully placed students of RSET, RSB, RSC and RSA in lucrative industrial positions.

Fig: Total number of PG students passed out from departments requiring placement assistance for A/Y 2019-20

Similarly at the PG level for the academic year 2019-20, a total of 535 students passed out from the different departments (requiring placement assistance) of RGU. The highest number of students passed out from M.Sc. Zoology with 66 students followed by M.Sc. Botany and M.Sc. Physics with 59 and 54 students respectively. The details of the passed out students of all the departments are shown in the bar graph above.

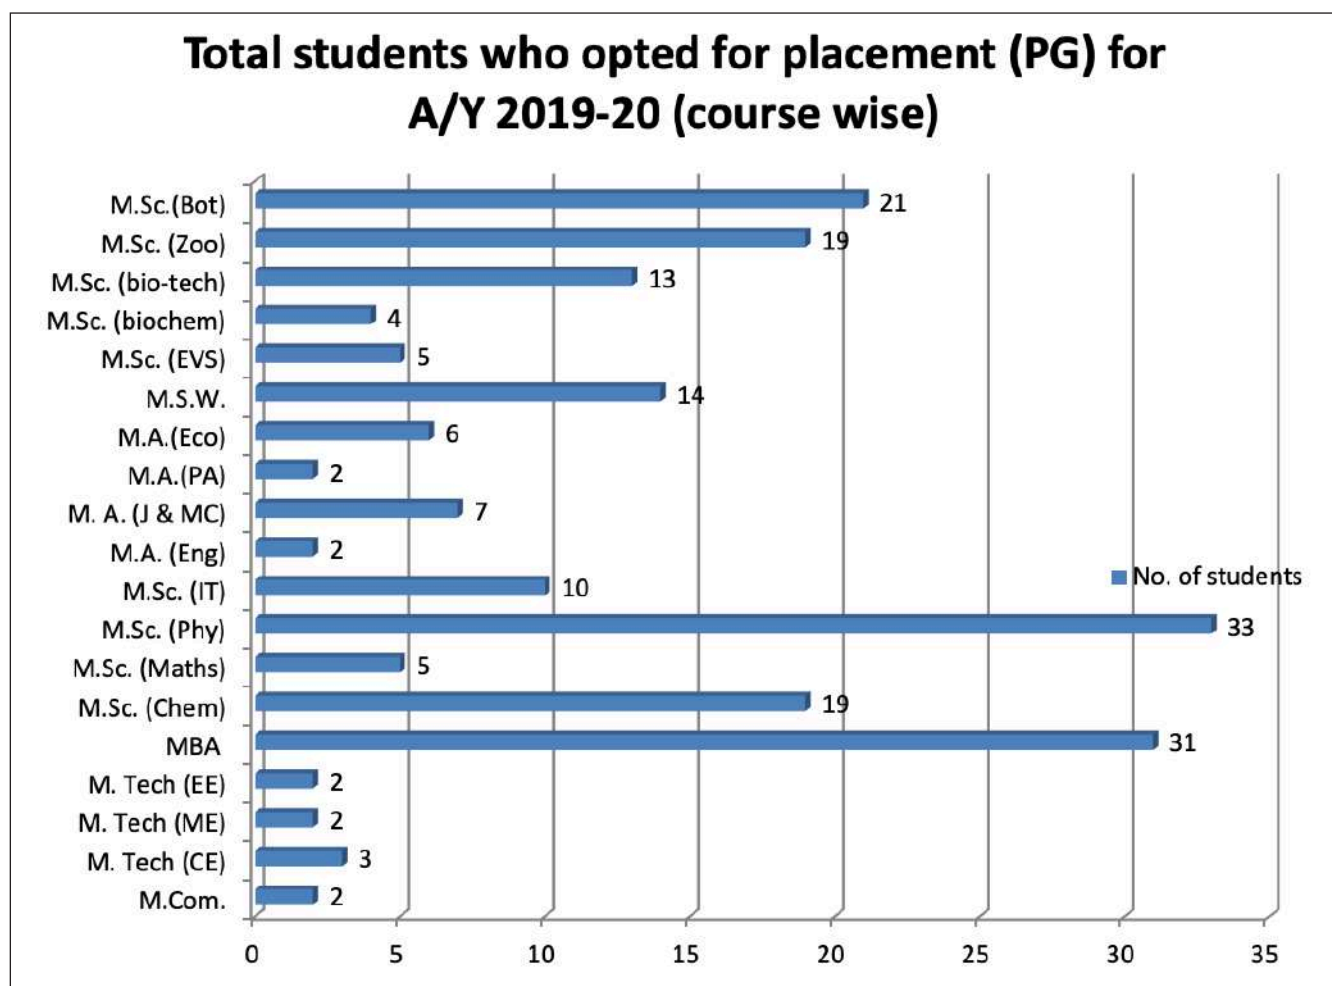

Fig : Total PG students opted for placement for A/Y 2019-20 (course wise)

From the above bar graph it can be seen that at the PG level a maximum of 33 students from M.Sc. Physics followed by 31 students from MBA has opted for placements. The details of the other departments is shown below in the bar graph.

Similarly at the UG level students from the 6 departments has opted for placements for the Academic Year 2019-20. Out of the 6 departments a maximum of 21 students from B.Com followed by 10 students from BBA has opted for placements. The details of the same has been shown in the bar graph below.

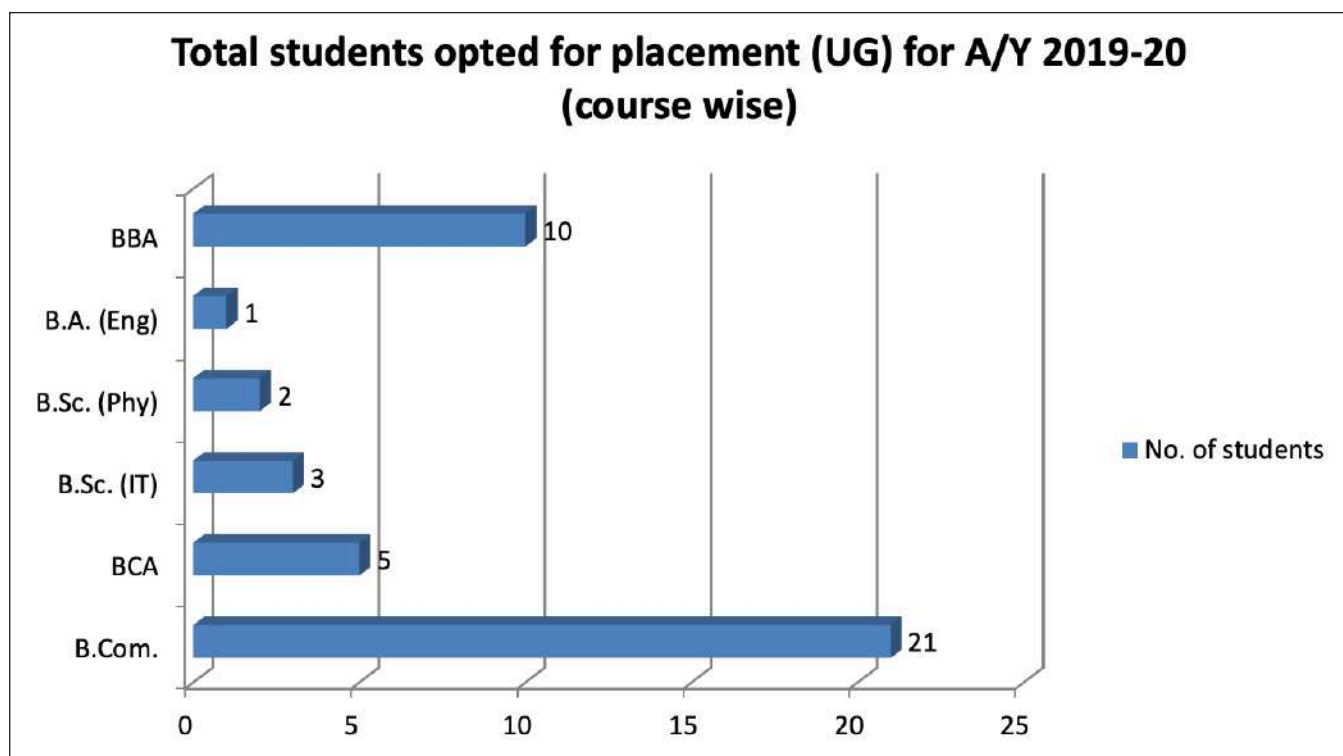

Fig: Total UG students opted for placement for A/Y 2019-20 (course wise)

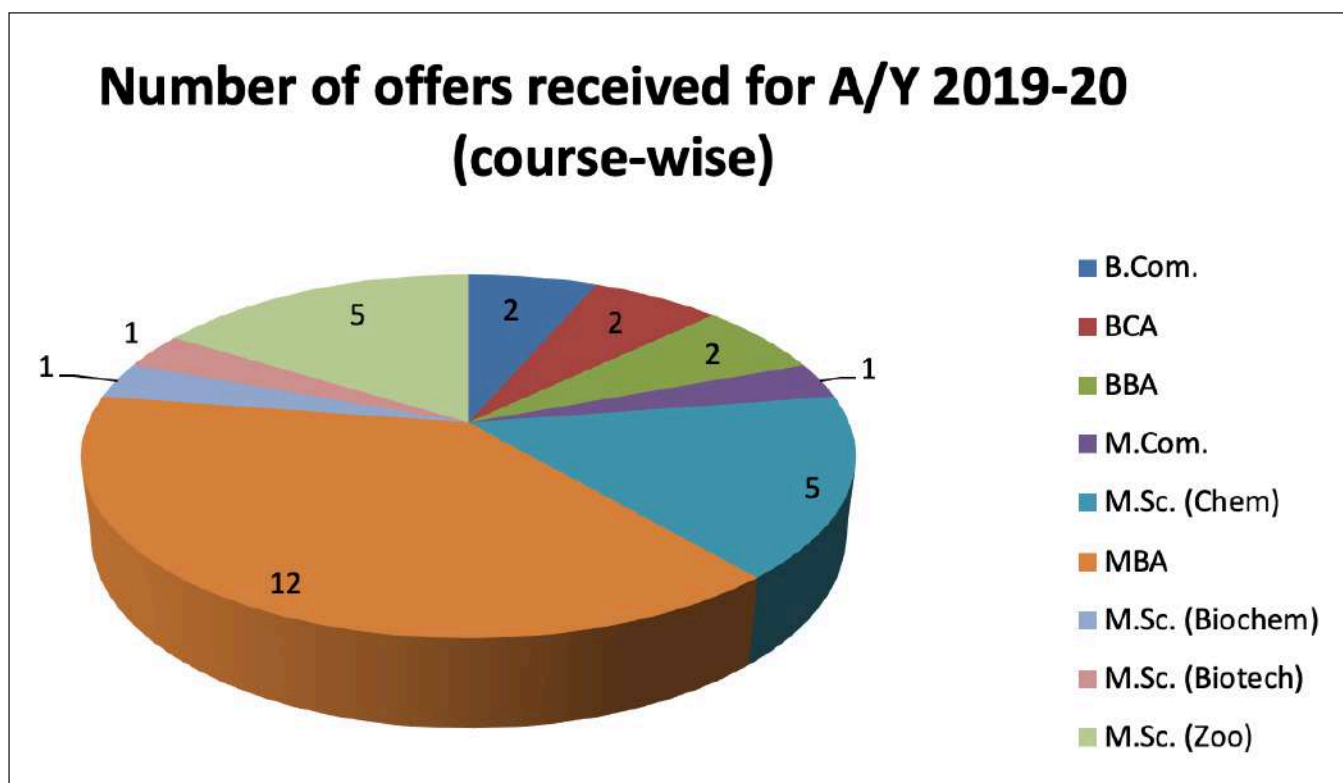

Fig: Placement offers for A/Y 2019-20 (Course wise)

For the Academic year 2019-20, a maximum of 12 students from MBA has received placement offers from the different companies followed by the other departments. The details of the same are shown in the bar graph above.

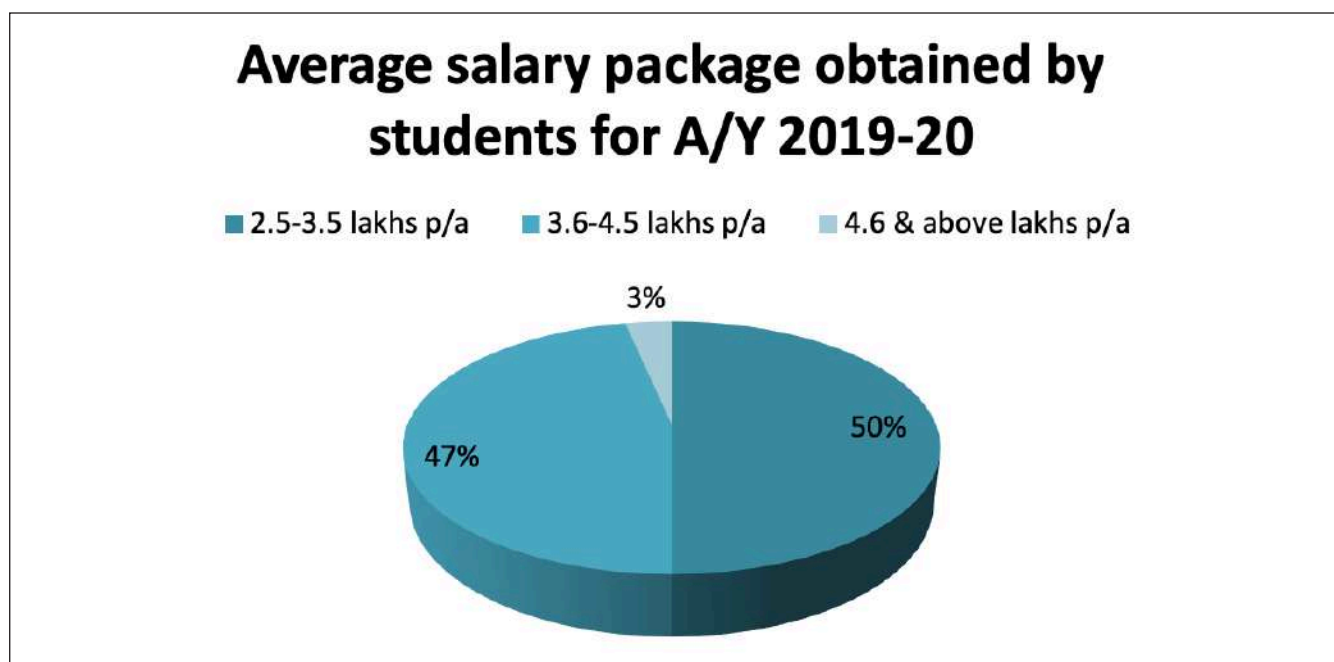

Fig: Average salary package for A/Y 2019-20

From the above pie diagram we can interpret that for the academic year 2019-20, 50 percent of the students were offered annual salary package in the range of 2.5 – 3.5 lakhs, 47 percent were offered in the range of 3.6 – 4.5 lakhs and the remaining 3 percent were offered 4.6 lakhs and above.

3.17 University Proctorial Board (UPB)

The University Proctorial Board (UPB) of The Assam Royal Global University (RGU) has 2 Joint Chief Proctors and 24 Proctors to ensure that the students of the University strictly adhere to the rules and regulations framed by the authorities from time to time. The UPB is under the regular guidance and supervision of the Registrar and the Vice-Chancellor of the University. The UPB comes into action only when the respective Schools/ Departments find it difficult to handle or solve students' cases of indiscipline, misconduct etc. In 2018 – 2019, 14 cases related to students' indiscipline or misconduct were handled by the UPB, and in 2019- 2020, the number of cases were 18. Apart from these 32 cases, there have been many other instances where the UPB intervened and resolved issues. It also provides counseling sessions to students and guardians as and when required.

The prudence and persistence of the UPB has been able to create an atmosphere of discipline and order in the minds of all students of RGU, including hostellers. The UPB earnestly hopes that with advice and support from all quarters, it will definitely be able to transform RGU campus into one of the most disciplined university campuses in the country.

4.1 Officers of RGU

Visitor

His Excellency

Hon'ble Governor of Assam

Chancellor

Dr. Ashok Kumar Pansari

A very successful practising Chartered Accountant since 1988, Dr. A. K. Pansari gradually developed an inclination to be a social entrepreneur in education and the related sector. In an effort to provide quality education to the students of North East and to curb their exodus from this region, he established, in association with his childhood mate Sri. A. K. Modi (Chartered Accountant), Royal Group of Institutions in 2009, Royal Global School, a world class co-educational day-cum-boarding Higher Secondary school, first of its kind in the region, in 2012 and The Assam Royal Global University in 2017. Dr. Pansari has truly been a man of diversified interests. In 2002, he started Royal Estate Developers and is now focusing on offering affordable houses under Pradhan Mantri Awas Yojana- URBAN (PMAY-U), to people of EWS and LIG categories. Dr. Pansari also owns a media house, Purvoday Publications Private Ltd., that has been publishing Hindi daily "Dainik Purvoday" since 2005. An ardent orator and a great motivator of the student community, today Dr. Pansari is one of the leading lights of the state.

Pro-Chancellor

Sri Anil Kumar Modi

A practising Chartered Accountant, Sri A. K. Modi is a partner of Modi Pansari & Co. (Chartered Accountants), Guwahati. He, along with his childhood mate Dr. A. K. Pansari, established Delhi Public School, Purvoday Publications Private Ltd, Royal Group of Institutions, Royal Global School and The Assam Royal Global University; all at Guwahati and one following the other. The Daily newspaper 'Dainik Purvoday' is published from both Guwahati and Jorhat. Sri A.K. Modi is recognized for his social activities and contribution to civil society at various platforms.

Vice-Chancellor

Prof. (Dr.) Sanjay Pratap Singh

Prof. (Dr.) S. P. Singh is an academician & administrator specializing in the areas of Geology, Management, Behavioral Science, and Law. He was the Founder Director of Royal Group of Institutions, Guwahati, Sr. Vice-President (Academics) of Amity Education Group, Vice-Chancellor of Amity University, Raipur, before joining The Assam Royal Global University (RGU) as Vice-Chancellor in November 2016. RGU was successfully launched in 2017 under his leadership.

Chairperson – Academic

Prof. (Dr.) Alak Kumar Buragohain

Prof. A.K Buragohain was the founder Head of the Department of Molecular Biology and Biotechnology at Tezpur University- a Central University in Assam. Professor Buragohain was also the founder of the ONGC Sponsored Centre of

Petroleum Biotechnology in the same University. During the last ten years Professor Buragohain had stints in academic governance- first as the Registrar of Tezpur University and as the Vice Chancellor of Dibrugarh University, Assam for full terms of five years each in both the positions. Professor Buragohain has made remarkable contribution in forging Industry- Academia Interfacing and in bringing in international academic research collaboration at Dibrugarh University under the UKIERI, Indo-US and Indo- Tunisian research schemes. He was awarded for his remarkable contribution towards Exemplary Industry- Academia Partnership by World Wide Industry Academia Network.

5.5 Laboratories

Laboratory facilities with all the required equipments are available in all the Schools wherever necessary. In addition to the existing labs, during this academic session, few new labs were setup in the Department of Physiotherapy, Computer Science and Engineering and Pharmacy. The facilities at the already existing labs were enhanced with the purchase of various new apparatus, equipments, items, etc for the Department of Fashion Design, Botany, Zoology, Nursing, Hotel Management, etc. Items like the Usha's automatics Sewing machines, steam irons, etc were added to the labs of Fashion Design. In Zoology lab, some new equipments were added like Microtome Spencer, Mini Submarine electrophoresis unit, Electrophoresis power supply unit, etc. The detailed list of laboratories available is as follows:

5.6 Research

The quest for knowledge is the basic principle behind research. And therefore, The Assam Royal Global University always strive its faculty members, research scholars and students towards good quality research. The quality of research work directly translates to the quality of teaching and learning in the classroom, thereby benefiting the students, the society and the country. RGU always promotes interdisciplinary research so that the scholars can collaborate with guides from different departments and can contribute towards some new innovative work which can help the society as a whole. A total of 33 research scholars are pursuing their Ph.D. in this session which makes the total count of PhD scholars to 80.

5.6.1 Major Projects during AY 2019-20

During this academic session, various project proposals from different departments and schools were submitted to different funding organizations like NEEPCO Guwahati, DST-SERB, DBT project under Societal Development Scheme, amongst others. The list of sanctioned projects is as follows:

Sl. No.	Title of the Project	Funding Agency	Principal Investigator	Department/School	Present Status
1	Energy Auditing of Tea Estates of Assam (McLeod Russel-Monbarie Tea Estate and Amchong Tea Estate) followed by technical advice and training on energy saving audit data analysis and report generation	Collaborative Research Scheme of ASTU under TEQUIP-III program of MHRD funded by World Bank	Dr. Israfil Hussain	Department of Electrical Engineering/ RSET	Ongoing
2	IOT Based SOS system for detecting Accident with a two-wheeled vehicle	Assam Science Technology & Environment Council	Mr. Saurabh Sutradhar	Department of Computer Science and Engineering/ RSET	Ongoing

The list of project proposals that have been already submitted but yet to receive approval is as follows:

Sl. No.	Title of the Project	Funding Agency	Principal Investigator	Department/School	Present Status
1	Study on Soil Erosion from Ranganadi River Catchment and Estimation of Sediment Yield at Ranganadi Dam Site	North Eastern Electric Power Corporation Limited (NEEPCO), Guwahat	Dr. Arnab Sarma	Department of Civil Engineering/ RSET	Submitted

Sl. No.	Title of the Project	Funding Agency	Principal Investigator	Department/ School	Present Status
2	Inorganic Arsenic in food chain through irrigation water-soil-crop pathway: Risk assessment for sustainable agriculture in Brahmaputra floodplain	DST-SERB	Dr. Ritusmita Goswami	Department of Environmental Sciences/ RSEES	Submitted
3	Occurrence of Pharmaceutical and Personal Care Products and Associated Antibiotic Resistance in the Aquatic Environment: A Correlation Perspective with Urban Bionetwork	DST-SERB	Dr. Ritusmita Goswami	Department of Environmental Sciences/ RSEES	
4	Mechanical Testing and Quantitative Metallurgical Microstructure Analysis	AICTE-MODROB	Dr. Abhijit Deka	Department of Mechanical Engineering/ RSET	
5	Modernization of Computer Science & Engineering Laboratory	AICTE	Dr. Aniruddha Deka	Department of Computer Science and Engineering/ RSET

6. Library

Spread over 743 square meter (8000 square feet), the Central Library of RGU is a well furnished, centrally air-conditioned, duplex-type library. Situated in first and second floors of B block, the library is a hub for academic queries and research activities. The library is fully computerized and provides essential information on knowledge related to engineering, management, architecture, law, commerce, fashion, fine arts, etc. The total collection stands at 9152 titles and 26323 volumes of printed books, 13042 e-books, 5 printed and 15,354 e-journals. The various e-resources available include: e-journals, e-books and e-databases under different areas. The database for the entire collection can be accessed through Online Public Access Catalogue (WebOPAC). Apart from this, the library holds special collection on North-East, competitive and fiction/non-fiction corners. The library subscribes to eight daily newspapers and a number of reputed magazines. The library management is done by ILMS SOUL 2.0 server platform and barcode system (Jan, 2013). As a member of DELNET, the library avails various facilities of member institutions through resource sharing, on demand from the users, as and when required. It provides ready reference service like Content List Service, using both offline and online sources of information to the users. Similarly, the university also subscribes to Manupatra and other online legal data bases through which national and International judgements and also journals can be accessed.

6.1 Library Services

- Circulation of books to all members against their library cards.
- Reference service.
- Selective Dissemination of Information.

7.4 Dean's List

Dean's List is a List of Honour, which comprises of only final year students who have shown academic excellence and discipline, during their course of study in the University, till pre-final year. The Dean's List award is not a scholarship as it does not come with any financial aid. This Award is a recognition which will elevate students to higher echelons of success. The awardee (student) will receive a personalized letter of appreciation from the University officers viz. Dean Academics/Vice-Chancellor to honour and recognize their excellent performance.

This award is instituted school wise, irrespective of the course of study, for pre-final year students. Separate Dean's List shall be made for UG & PG levels. The selection of students for this list will be done after the end of every academic year, for pre-final year students, based on results of all the previous semesters, attendance etc.

1. A maximum of 05 students are nominated per school, and the minimum eligibility criteria to qualify for the Dean's list are,
2. Cumulative ninety percent (90%) attendance in both theory and practical classes for last two semesters, along with minimum attendance of eighty-five (85%) percent in all the previous semesters, considered for award.
3. High Grades in academic performance.

1. COMMUNIQUE OF CHANCELLOR

Endeavouring to lead as an institution of excellence, The Assam Royal Global University places significant emphasis on interdisciplinary research along with exemplary pedagogy. To this end, our students and scholars are encouraged to invest equally in their academic merit and in honing their skills on the ground through co-curricular areas of sports, culture, and art. We believe that this makes for an environment in which they can develop all areas to grow as rounded personalities and eventually contribute to the society in various capacities. The reputation of our institution rests on such pillars of impact that our students and alumni make.

In keeping with the changing demands of the times, education has taken new turns towards interdisciplinarity as typifying the curriculum. The introduction of the New Education Policy 2020 has ushered in an era of broadening the spectrum of courses available to students today. It characterizes the shift in vision regarding education, from the creation of a resource pool to a path of holistic development of a student. The University takes pride in its faculty body which has some of the best minds in academia incessantly driven towards research. We are focused on ensuring the quality of such research work and on perpetually broadening the scope and nature of research to make it academically and socially beneficial.

I would like to acknowledge our alumni body for their contribution to the society and for bringing laurels to our institution. I also ask for their active cooperation, honest and constructive feedback, and their constant support as we strive on to maintain and build upon the glorious reputation set in their days.

Dr. A.K. Pansari
Chancellor

2. COMMUNIQUE OF PRO-CHANCELLOR

Our ability to adapt and grow through this difficult period of a global pandemic is no accident. It is a testament to the strength of our character and reputation that has been built over years of collective dedication and strive. While the pandemic brought much of the world to a halt, it also accelerated some of the changes that were already underway. The university reviewed its internal operation, reorganised its academic structures, and agreed upon a functionally aligned service delivery model, all aimed at embedding excellence, further enhancing our teaching and research. By the end of the year 2020, the university had completed this significant and vital change successfully. We are now implementing our new structure and looking towards the future with a great deal of excitement and optimism. Our focus in the year ahead will be on formulating and perfecting our educational strategies, implementation of latest technology-oriented classrooms, and the harmony between our teaching and research missions. Plans are well advanced across campus for enhancements of our information technology (IT) infrastructure, new state-of-the-art teaching and research facilities, and other initiatives solely focused on positively impacting the students' experience.

Along with our unprecedented growth in academia and infrastructure, we are relentlessly dedicated towards a holistic personality improvement of our students and faculty members, which is embodied by our consistency of participation in co-curricular activities and sports, for we believe that a positive impact in the nation building process can be made by a combination of both academic and co-curricular merit.

Sri A.K.Modi
Pro-Chancellor

3. COMMUNIQUE OF VICE CHANCELLOR

Reflecting the major developments of the academic year June 2021 to July 2022, this Annual Report takes stock of the progress made by the university in this time frame with reference to the student records as well as the architectural growth and policy frameworks. An integral part of the University's efforts in the aftermath of the online education phase has been to facilitate the students in relearning classroom etiquettes and in their resuming a regularity of the uniform life. As we have all adapted in numerous ways to live in this post-Covid world, it is my pleasure to report that we have been able to build upon the pillars erected by the previous years. As a result of institutional growth and academic maturity, RGU now offers 136 programmes consisting of undergraduate, postgraduate, integrated, diploma and doctoral degree under 26 schools.

The fourth annual report of The Assam Royal Global University makes an introspective assessment putting three major areas of focus under the lens: Academic Excellence, Institutional Growth, and Partnership. The objective of this account is to reveal to us the potential of growth even as we acknowledge the steady progression. There has been a steady growth in all the areas of the institutional development, mainly research and projects, student enrollment and university events.

So, it is always rewarding when others recognise the remarkable work and achievements of this great university and its people. The University saw the outstanding impact of several accolades received by reputed bodies. One particular recognition was given by The Ministry of Education's Innovation Cell (MIC) as First Private University in the NE region that was selected for Impact Lecture Sessions 2021. Likewise, the quality of our teaching and student experience was recognised by a robust student feedback system.

Prof. (Dr.) S.P.Singh
Vice-Chancellor

4. Academic Excellence

The Assam Royal Global University launched new programs at various credential levels, with a focus on cross-disciplinary learning, in emerging sectors and high-demand sectors. The year also saw the initial preparatory phase for submission of RGU SSR for NAAC.

To strengthen the research and development of the university, the faculty team has always been encouraged to work towards submission of research/ project proposals to funding agencies. Out of a total of seven project proposals submitted in the last three years, RGU has received the approval of two projects namely Energy Auditing of Tea Estates of Assam (McLeod Russel-Monabarie Tea Estate and Amchong Tea Estate) followed by technical advice and training on energy saving audit data analysis and report generation, submitted by Department of Electrical Engineering, RGU; and IOT Based SOS system for detecting Accident with a two-wheeler vehicle – submitted by Department of Computer Science and Engineering. The two projects have been funded by Collaborative Research Scheme of ASTU under TE-QUIP-III program of MHRD funded by World Bank and Assam Science Technology & Environment Council respectively.

A good number of 192 research publications inclusive of research papers in journals, conference proceedings and books/chapters, have been added to the repository of the university research and publication division. Ms. Aruna Dev Rroy, Asst. Prof. Royal School of Commerce, published the book titled Marketing Management: A Prologue. Dr. Debajit Borah, Assistant Professor of Biotechnology, RGU, and Mr. Abhijit Sonowal, alumni of the same department were jointly awarded 'BRIC's Idea Exposition Award' on the theme entitled "Innovations in Agriculture and Sustainability" organized by DBT-BIRAC Regional Innovation Centre (BRIC) in collaboration with Idea Knowledge Park, Hyderabad, and IIT-Guwahati Biotech Park, Guwahati during July 16-17, 2020. Ms. Sumi Kankana Dewan, Assistant Professor, Dept. of ECE, RSET, designed a ZnO nanoparticle based Biosensing device for detecting four biological parameters for diagnosing the health of liver and kidney of animals and birds, and has been encouraged to go ahead for filing of patent. Adding further to the research and innovation, the faculty team along with the students are actively involved in innovation by successfully designing devices beneficial for protection of health workers in hospitals and other institutions. Dr. Niraj Singh, Assistant Professor, Dept. of Microbiology, Royal School of Bio-Sciences was conferred with "Young Plant Pathologist Award" in International Web-Conference on "New Trends in Agriculture, Environmental & Biological Sciences for Inclusive Development (NTAEBSID-2020)". He also received the Hayward-Prior Travel Award 2020 in 7th International Bacterial Wilt Symposium held in Montevideo, Uruguay, from 29th March to 3rd April 2020 (event postponed to 2021 due to covid 19). The Institution Innovation Cell (IIC) of RGU, founded in October 2019, initiated by the MHRD Innovation Cell, manufactured head shields, using the 3D printer technology, and donated them to Excelcare Pediatric Department.

RGU continued to advance experiential learning opportunities for students through the use of advanced teaching-learning tools and has witnessed a considerable result in the annual examination results. The annual pass percentage has stood at 95%. Also, altogether 55 students are enrolled under the nine categories of scholarship schemes offered by the university. To motivate students to shine better in their academic pursuits, Royal Global University felicitated the twenty students who cleared UGC - NET and Assam-TET examinations for December 2019.

Students of the university earned laurels in several national level competitions for their innovations. Rishab Goenka, students of Royal School of Architecture won the silver medal in International Essay competition conducted by Heartfulness, 2020. Ms. Nargis Zaman and Mr. Saklain Mustak Alam,

students of Department of Botany were selected for summer internships with CSIR in National Botanical Research Institute, Lucknow. Mr. Mebanshan Shadap of Royal School of Business bagged silver (1st runner up) for Western Instrumental (solo) and Ms. Priyanka Dey of Royal School of Humanities and Social Sciences won bronze (2nd runner up) in the category of Light Vocal Indian (solo) in the 35th Inter University National Youth Festival held at Amity University, Noida.

Going by the vision of RGU in creating global citizens, the University has taken every step to expose the students to different socio-cultural perspectives of life. The University saw the celebration of important days like Matribhasha Diwas, Jyoti Diwas, Silpi Diwas, Consensio 2020 (the annual youth festival of RGU) etc, along with a lot of awareness programmes conducted by all the departments. Another medal of honour was bestowed on RGU when the Association of Indian Universities showed its faith by entrusting RGU with the 35th East Zone Inter University National Youth Festival, which was aptly called Karmotsav. The Department of Social Work adopted the DeuChutal village at Pamohi, Kamrup, Assam. On the occasion of the birth anniversary of Bharat Ratna Dr. A.P.J Abdul Kalam, 'Innovation Day' was celebrated with spot slogan writing, "Innovative Idea contest", followed by presentation of students on "National Start-up Policy". Many awareness programmes like Covid, Drug abuse, Breast cancer, leprosy, Swacchata hi Seva; and donation drives were also instituted by the various departments of the university.

5. Institutional Growth

The year 2019-20 has been a year of upward growth with the increase in numbers in admission, recruitment, research and publication, MoUs signed and others. Noteworthy to mention, the new academic block was inaugurated on 27th August 2019 by Hon'ble Chief Minister of Assam, Sri SarbanandaSonowal. A contribution of Rs. Five Lakhs was also extended towards the Chief Minsiter's Relief Fund for Flood Victims of Assam. The contribution was brought forward by the faculty and staff of Royal Global University and Royal Global School by dedicating their one day's salary towards the fund.

However, a few areas have also shown a downward trend. Table A shows the areas which have witnessed an increase in the numbers and Table B reflects the comparative figures of the areas showing a decrease in the numbers or have remained the same.

7. An Overview

The Assam Royal Global University (RGU), a State Private University, established by The Assam Royal Global University Act 2013, notified by the Government of Assam Gazette on 20/08/2013, is in its 3rd year of academic excellence offering a total of 117 courses under 24 schools in diverse fields. Established in July 2009 as Royal Group of Institutions, which has now been merged into The Assam Royal Global University, the University is located opposite to Tirupati Balaji Temple on National Highway and spans across 37,000 square meters (4 lakh square feet) of built-up centrally air-conditioned structures.

7.1 Vision

- ❖ To offer nationally and internationally integrated opportunities to create global citizens.

7.2 Mission

- ❖ To achieve academic excellence through innovatively designed, research intensive, industry-oriented education;
- ❖ To incorporate community service to install ethical conduct and compassion amongst stake holders;
- ❖ To give back responsible leaders to society who are capable of enriching the future by bringing positive transformation in the world.

Inauguration of The Assam Royal Global University, 26th July, 2017.
Sri Sarbananda Sonowal, Chief Minister, Assam,
unveiled The Assam Royal Global University plaque.

7.3 Ethos behind the Logo of the University

The new brand identity (logo) of Royal Global University which is a combination of the globe, students and the colours Blue and Orange, symbolizes positivity and encouragement for success with wisdom and creativity. The optimistic colours Blue and Orange are reflections of Royal Global University's innovative and progressive mindset with determination to impart the best and rise above the rest, thus creating a transformative educational experience for the students.

The six hands of the students, reaching beyond the globe, represent 'transcending boundaries', standing for wisdom, confidence, intelligence, creativity, determination, and truthfulness; by engaging with partners outside the traditional borders of the university campus.

7.4 University Anthem

**Hail Royal Global University.....
By the bank of mighty Brahmaputra
And under the shelter of Nilachal
There stands the temple of wisdom
Royal Global University**

**In the City of Eastern Light
Colours of blue and orange spread insight
To dream and walk the way to right
Soar in the sky to a new height
Shine on Royalites.....shine on.....**

**Lighting up the young minds
To lead the world with all might
Hail Royal Global University
Endowing a new sense of curiosity
And let the excellence prevail on
Shine on Royalites.....shine on.....**

**As long as the mighty river flows
Citadel of learning will enlighten the globe
History will keep echoing the songs of yore
With the marks of lives that remain on the shore
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
.....shine on.....shine on.....shine on.....**

Activities (AY 2020-21)

• Faculty Colloquium (Faculty Seminar Series)

- **Faculty Colloquium (Oct-Dec, 2020):** It was the fifth consecutive seminar of its kind, conducted by HRDC, RGU. This was organized from 17 Oct, 2020 to 12 Dec, 2020. The presenters were faculty members from all departments/schools of RGU. Considering the prevailing situation of COVID-19 pandemic, the sessions were conducted through digital platforms. And in view of the increasing number of faculty members in various departments, all the schools were set into three different groups and the seminar was conducted with three parallel sessions. The sessions were held on every Saturday and Sunday. In total, there was 13 (thirteen) days of deliberations.
- **Faculty Colloquium (June, 2021):** For Jan-Dec, 2021 period, it was organized from 5 June to 11 Dec, 2021. It was the sixth consecutive seminar of its kind, conducted by the HRDC, RGU. In view of the on-going phase, the sessions were all conducted through online mode (three parallel sessions). However, a common platform was shared on the first day. The sessions were held on every Saturday from 11:00 am to 1:00 pm. The timing had been chosen in such a way that maximum number of faculty could participate in the seminar. The Faculty Colloquium started with an inaugural session on 5th June 2021: followed by presentations. This seminar encourages faculty members of the university to present their domain expertise on a common platform. Content of presentations included extensive range of topics, variety of inputs, and practical information from different schools of RGU. Most of the presenters presented their original works while some of them presented review works. In total, there was 17 (seventeen) days of deliberations (05.06.2021 to 11.12.2021) with three parallel sessions at three different online platforms. We were able to conduct Faculty Colloquium, 2021 successfully with more than 200 participations.

Faculty Colloquium showcases the commitment of our University to motivate research culture among various disciplines. This seminar also helps in bridging the gap between academia and industries for overall societal development.

12.12 Royal Publication Cell (RPC)

The Royal Publication Cell is responsible for processing the most basic interests in the process of publication. It aims to encourage the members of the University to contribute and to create original piece of work.

At the dawn of 2020, the RPC was entrusted with the responsibility of broadening its horizon of academic duties, in the form of publishing quarterly e-magazines comprising literary contributions from teachers and students alike. With the first issue of the three E magazines smosis, Proyaaxh and The Voice receiving warm response from students and readers after its release in May 2020, the team set forth with double zeal to work on the ensuing issues.

All three publications have a dedicated team of student coordinators, ably led by their faculty coordinators, assisted by members of the Communications Design Department of RGU, and aided and advised by the RPC, led by the Chairperson, Dr. Jasmine A. Choudhury. However, this idea of a quarterly e-magazine for RGU wouldn't have been possible without the vision, thrust and continuous encouragement of Honourable Vice-Chancellor, Prof. (Dr.) S.P. Singh, Chairperson (Academics), Prof. A.K. Buragohain, and Registrar, Ms. Angira Mimani.

Team RPC is propelled by the vision that it will be able to perform its duties with full conviction in the coming times, despite the challenges of the COVID-19 pandemic, and encourage the RGU fraternity to be the torch-bearers of a literary transformation in the educational campuses of the region.

The second and third issues of smosis, Proyaaxh and The Voice were released to an even better response in January 2021, and June 2021 respectively.

12.15 Cell for Prevention of Caste Based Discrimination of RGU

The Assam Royal Global University has created a SC/ST/OBC cell with minimum infrastructure as per the guidelines of Government of India as communicated by the MHRD and UGC. This cell has been constituted to resolve all the affairs and problems related to the SC/ST/OBC students/teachers/non-teaching staff of the University.

The objectives of the Cell are:

- To counsel and guide SC/ST/OBC students and help them to manage academic and personal issues of University life effectively.
- To ensure provisions of an environment where all such students/Teachers/Non-Teaching Staff feel safe and secure.
- To provide prompt counseling for any emotional emergencies arising on account of any event at the campus.
- To ensure protection and reservation as provided in the Constitution of India.
- To arrange for special opportunities to enhance the career growth.
- To aware the SC/ST students regarding various scholarships program of State Govt. and UGC.
- To take such follow up measures to achieve the objectives and targets laid down by the Govt. of India and the UGC.
- Function as a Grievance Redressal Cell for the grievances of SC/ST students and employees and render them necessary help in solving their academic as well as administrative problems.
- To promote higher education among these two communities.

12.16 University Proctorial Board (UPB)

The University Proctorial Board (UPB) of The Assam Royal Global University (RGU) has 2 Joint Chief Proctors and 24 Proctors to ensure that the students of the University strictly adhere to the rules and regulations framed by the authorities from time to time. The UPB is under the regular guidance and supervision of the Registrar and the Vice-Chancellor of the University. The UPB comes into action only when the respective Schools/ Departments find it difficult to handle or solve students' cases of indiscipline, misconduct etc. In 2018 – 2019, 14 cases related to students' indiscipline or misconduct were handled by the UPB, and in 2019- 2020, the number of cases were 18. Apart from these 32 cases, there have been many other instances where the UPB intervened and resolved issues. It also provides counseling sessions to students and guardians as and when required.

The prudence and persistence of the UPB has been able to create an atmosphere of discipline and order in the minds of all students of RGU, including hostellers. The UPB earnestly hopes that with advice and support from all quarters, it will definitely be able to transform RGU campus into one of the most disciplined university campuses in the country.

13. Royal Centre for Corporate Relations (RCCR)

The Training and placement department of Royal Global University is named as the Royal Centre for Corporate Relations (RCCR) which is an indispensable pillar of the University and plays a very important role in every student's future. The centre continuously strives to help students in pursuing their career goals by imparting employment-seeking skills and thereby to attain desired employment. This is accomplished through a strong bondage created amongst students, alumni, faculty members and industry.

The Royal Centre for Corporate Relations attempts towards mentoring students to the effect that they are industry-ready at the successful completion of an academic programme. The centre parallelly aims at grooming students ethically as well as in terms of attitude and aptitude, through regular training and interactive sessions. The centre provides students with every support for placements. The main objective of this Centre is to make the students ready to face the challenges of the corporate world and to help them in getting placed after completing a course.

Recruiter Sectors

In the above Fig. it is seen that out of the total number of 64 recruiters who had come for the recruitment of RGU students from different sectors, IT Services and Education sector saw the highest number of recruiters in the AY 2020-21. However, manufacturing organizations as well as financial consultants also showed keen interest in hiring students from the different schools of the University.

The above figure signifies that major recruiters offered a salary package in the range of 3-6 Lac/annum. However, there were four multinational companies who offered a salary package of more than 6 lac/annum to the students.

The above figure shows that students from MBA as well as Computer Science followed by M.Sc Physics were mostly keen towards recruitment opportunities provided by the University. However, few students from different course/ department too had participated in the placement activities/ processes offered by the University placement department.

The above figure shows that maximum offers were received by students from Management and B.Tech Computer Science & Engineering. The previous graph had confirmed that the number of students opting for placements were also the highest in the above mentioned course/programs. Students from other courses including Civil engineering, B.Com, M.Sc Chemistry etc. too have received offers from various reputed organizations of the country.

14.1 Officers of RGU

Visitor

His Excellency

Hon'ble Governor of Assam

Chancellor

Dr. Ashok Kumar Pansari

A very successful practising Chartered Accountant since 1988, Dr. A. K. Pansari gradually developed an inclination to be a social entrepreneur in education and the related sector. In an effort to provide quality education to the students of North East and to curb their exodus from this region, he established, in association with his childhood mate Sri. A. K. Modi (Chartered Accountant), Royal Group of Institutions in 2009, Royal Global School, a world class co-educational day-cum-boarding Higher Secondary school, first of its kind in the region, in 2012 and The Assam Royal Global University in 2017. Dr. Pansari has truly been a man of diversified interests. In 2002, he started Royal Estate Developers and is now focusing on offering affordable houses under Pradhan Mantri Awas Yojana- URBAN (PMAY-U), to people of EWS and LIG categories. Dr. Pansari also owns a media house, Purvoday Publications Private Ltd., that has been publishing Hindi daily "Dainik Purvoday" since 2005. He has also authored a book titled "Baaton Baaton Mein". The book has also been translated in Bengali, titled -"Kotha Prosonge"

He further initiated

-Royal Anna Seva –a project whereby 40,000 lunch packets are distributed every year, to the needy and deprived across the city.

-Royal Swasthya Seva – as an initiative towards providing health services, wherein a dispensary managed by a doctor who would be providing free medical services to the people staying in and around the area, free of cost.

An ardent orator and a great motivator of the student community, today Dr. Pansari is one of the leading lights of the state.

Pro-Chancellor

Sri Anil Kumar Modi

A practising Chartered Accountant, Sri A. K. Modi is a partner of Modi Pansari & Co. (Chartered Accountants), Guwahati. He, along with his childhood mate Dr. A. K. Pansari, established Delhi Public School, Purvoday Publications Private Ltd, Royal Group of Institutions, Royal Global School and The Assam Royal Global University; all at Guwahati and one following the other. The Daily newspaper 'Dainik Purvoday' is published from both Guwahati and Jorhat. Sri A.K. Modi is recognized for his social activities and contribution to civil society at various platforms.

Vice-Chancellor

Prof. (Dr.) Sanjay Pratap Singh

Prof. (Dr.) S. P. Singh is an academician & administrator specializing in the areas of Geology, Management, Behavioral Science, and Law. He was the Founder Director of Royal Group of Institutions, Guwahati, Sr.Vice-President (Academics) of Amity Education Group, Vice-Chancellor of Amity University, Raipur, before joining The Assam Royal Global University (RGU) as Vice-Chancellor in November 2016. RGU was successfully launched in 2017 under his leadership. He has also been nominated as Member (Chancellor/Governor's Nominee) of Executive Council of Dibrugarh University, Assam as well as member of the International Association of Academicians for Peace (IAAP)-India Chapter as the Honorary Vice Chairman.

Chairperson – Academic**Prof. (Dr.) A.K Buragohain**

Prof. A.K Buragohain was the founder Head of the Department of Molecular Biology and Biotechnology at Tezpur University- a Central University in Assam. Professor Buragohain was also the founder of the ONGC Sponsored Centre of Petroleum Biotechnology in the same University. During the last ten years Professor Buragohain had stints in academic governance- first as the Registrar of Tezpur University and as the Vice Chancellor of Dibrugarh University, Assam for full terms of five years each in both the positions. Professor Buragohain has made remarkable contribution in forging Industry-Academia Interfacing and in bringing in international academic research collaboration at Dibrugarh University under the UKIERI, Indo-US and Indo- Tunisian research schemes. He was awarded for his remarkable contribution towards Exemplary Industry- Academia Partnership by World Wide Industry Academia Network.

Registrar**Ms. Angira Mimani**

15.6 Research

The quest for knowledge is the basic principle behind research. And therefore, The Assam Royal Global University always strive its faculty members, research scholars and students towards good quality research. The quality of research work directly translates to the quality of teaching and learning in the classroom, thereby benefiting the students, the society and the country. RGU always promotes interdisciplinary research so that the scholars can collaborate with guides from different departments and can contribute towards some new innovative work which can help the society as a whole. A total of 45 research scholars are pursuing their Ph.D. in this session which makes the total count of PhD scholars to 125.

16. Library

Spread over 743 square meter (8000 square feet), the Central Library of RGU is a well-furnished, centrally air-conditioned, duplex-type library. Situated in first and second floors of B block, the library is a hub for academic queries and research activities. The library is fully computerized and provides essential information on knowledge related to engineering, management, architecture, law, commerce, fashion, fine arts, etc. The total collection stands at 9382 titles and 26859 volumes of printed books, 13042 e-books, 3 printed and 6460 e-journals/e-articles. The various e-resources available include e-journals, ebooks and e-databases under different areas. The database for the entire collection can be accessed through Online Public Access Catalogue (Web OPAC). Apart from this, the library holds special collection on North-East, competitive and fiction/non-fiction corners. The library subscribes to 3 daily newspapers and a number of reputed magazines. The library management is done by ILMS SOUL 3.0 server platform and barcode system (Jan 2013). As a member of DELNET, the library avails various facilities of member institutions through resource sharing, on demand from the users, as and when required. It provides ready reference service like Content List Service, using both offline and online sources of information to the users. Similarly, the university also subscribes to MANUPATRA the legal e-data base which national and international judgements and journals can be accessed.

8. Robotics Club - Robotics is a branch of technology that deals with design, construction and operation. Curriculum of the club has been designed to encourage activity-based learning. The session will comprise of lectures and hands on session on Robotics, Advanced Engineering. Emphasis will be given to “Learning by doing and trial and error methodology” which will further be supported by DIY (do it yourself) students and assignments. The Robotics club is a chance to explore many different things, depending on students’ interest. The robots are a combination of mechanisms, computers, and software programming, so the club is a chance for students to explore any one or all of those, plus other areas. In our club we experiment with different robots and their programming, to master a table-top playing field. Students take part in different competition where they design different robots from kits of parts and then program them to do specific tasks on the playing field. They try out many different—and wildly creative!—robot designs and different software programs to learn what works best.

9. Media Club - Welcome to media club! A place where you can channel & enhance your media skills. The club started off as just a channel to showcase one’s creativity & aptitude but now with more than 100 passed out and existing royallites the club provides students of different departments a chance to exhibit their talents in the field of media. Students who have interest and talent in photography, filming, and handling PA equipment are given the opportunity to present

themselves in Royal Times, Royal podcast and Royal Entertainment. By capturing the moments in various college events, the media club plays an integral role in the university. The main aim of the club is to ignite a passion for photography, videography as well as technical aspects of the media that allow students to fully showcase their capability. The club also give students the chance to come in contact with high-end equipment such as DSLRs, a well-equipped studio and powerful iMac computers to assist in club activities.

For students interested in film making & music production, Royal Entertainment gives them a chance to present their unique videography and direction along with the hidden actor inside you.

Royal podcast gives a platform for students to speak their mind & heart on various topics concerning mankind. One can also make a podcast on various entertainment & soft news topics.

By joining the media club one can learn and showcase their talent on various activities. Moreover, students can gain valuable experience and develop their ownership and responsibility by volunteering for duties during university events. Further students are also given the opportunity to work on various events outside the campus when being a part of the media club.

17.4 Dean's List

Dean's List is a List of Honour, which comprises of only final year students who have shown academic excellence and discipline, during their course of study in the University, till pre-final year. The Dean's List award is not a scholarship as it does not come with any financial aid. This Award is a recognition which will elevate students to higher echelons of success. The awardee (student) will receive a personalized letter of appreciation from the University officers viz. Dean Academics/Vice-Chancellor to honour and recognize their excellent performance.

This award is instituted school wise, irrespective of the course of study, for pre-final year students. Separate Dean's List shall be made for UG & PG levels. The selection of students for this list will be done after the end of every academic year, for pre-final year students, based on results of all the previous semesters, attendance etc.

A maximum of 05 students are nominated per school, and the minimum eligibility criteria to qualify for the Dean's list are,

1. Cumulative ninety percent (90%) attendance in both theory and practical classes for last two semesters, along with minimum attendance of eighty-five (85%) percent in all the previous semesters, considered for award.
2. High Grades in academic performance.
3. Consistently good and exemplary behaviour and proficiency in extra-curricular activities.

1. COMMUNIQUE OF CHANCELLOR

Endeavouring to lead as an institution of excellence, The Assam Royal Global University places significant emphasis on interdisciplinary research along with exemplary pedagogy. To this end, our students and scholars are encouraged to invest equally in their academic merit and in honing their skills on the ground through co-curricular areas of sports, culture, and art. We believe that this makes for an environment in which they can develop all areas to grow as rounded personalities and eventually contribute to the society in various capacities. The reputation of our institution rests on such pillars of impact that our students and alumni make.

In keeping with the changing demands of the times, education has taken new turns towards interdisciplinarity as typifying the curriculum. The introduction of the New Education Policy 2020 has ushered in an era of broadening the spectrum of courses available to students today. It characterizes the shift in vision regarding education, from the creation of a resource pool to a path of holistic development of a student. The University takes pride in its faculty body which has some of the best minds in academia incessantly driven towards research. We are focused on ensuring the quality of such research work and on perpetually broadening the scope and nature of research to make it academically and socially beneficial.

I would like to acknowledge our alumni body for their contribution to the society and for bringing laurels to our institution. I also ask for their active cooperation, honest and constructive feedback, and their constant support as we strive on to maintain and build upon the glorious reputation set in their days.

Dr. A.K. Pansari
Chancellor

2. COMMUNIQUE OF PRO-CHANCELLOR

Our ability to adapt and grow through this difficult period of a global pandemic is no accident. It is a testament to the strength of our character and reputation that has been built over years of collective dedication and strive. While the pandemic brought much of the world to a halt, it also accelerated some of the changes that were already underway. The university reviewed its internal operation, reorganised its academic structures, and agreed upon a functionally aligned service delivery model, all aimed at embedding excellence, further enhancing our teaching and research. By the end of the year 2020, the university had completed this significant and vital change successfully. We are now implementing our new structure and looking towards the future with a great deal of excitement and optimism. Our focus in the year ahead will be on formulating and perfecting our educational strategies, implementation of latest technology-oriented classrooms, and the harmony between our teaching and research missions. Plans are well advanced across campus for enhancements of our information technology (IT) infrastructure, new state-of-the-art teaching and research facilities, and other initiatives solely focused on positively impacting the students' experience.

Along with our unprecedented growth in academia and infrastructure, we are relentlessly dedicated towards a holistic personality improvement of our students and faculty members, which is embodied by our consistency of participation in co-curricular activities and sports, for we believe that a positive impact in the nation building process can be made by a combination of both academic and co-curricular merit.

Sri A.K.Modi
Pro-Chancellor

3. EXECUTIVE SUMMARY BY VICE-CHANCELLOR

Reflecting the major developments of the academic year June 2021 to July 2022, this Annual Report takes stock of the progress made by the university in this time frame with reference to the student records as well as the architectural growth and policy frameworks. An integral part of the University's efforts in the aftermath of the online education phase has been to facilitate the students in relearning classroom etiquettes and in their resuming a regularity of the uniform life. As we have all adapted in numerous ways to live in this post-Covid world, it is my pleasure to report that we have been able to build upon the pillars erected by the previous years. As a result of institutional growth and academic maturity, RGU now offers 136 programmes consisting of undergraduate, postgraduate, integrated, diploma and doctoral degree under 26 schools.

The fourth annual report of The Assam Royal Global University makes an introspective assessment putting three major areas of focus under the lens: Academic Excellence, Institutional Growth, and Partnership. The objective of this account is to reveal to us the potential of growth even as we acknowledge the steady progression. There has been a steady growth in all the areas of the institutional development, mainly research and projects, student enrollment and university events.

So, it is always rewarding when others recognise the remarkable work and achievements of this great university and its people. The University saw the outstanding impact of several accolades received by reputed bodies. One particular recognition was given by The Ministry of Education's Innovation Cell (MIC) as First Private University in the NE region that was selected for Impact Lecture Sessions 2021. Likewise, the quality of our teaching and student experience was recognised by a robust student feedback system.

Prof. (Dr.) S.P.Singh
Vice-Chancellor

4. Academic Excellence

Prioritizing the field of research and development has resulted in some significant headway made during the academic year 2021-22. Faculty members have made multiple submissions on project proposals to funding agencies; they were also involved in consultancies, published some noteworthy papers in journals of repute, and conducted insightful webinars for their departments.

Faculty members are encouraged to undertake collaborative projects with other academic institutions, R&D organisations, industries, and government bodies. A total of 23 projects were submitted in the academic year 2021-22, out of which three have been granted.

A total of 3 consultancy project were submitted by faculty members across various schools. Royal School of Architecture has also received funds to consult for a project on Landscaping of Forest Land at Diphu, Karbi Anglong District of Assam. The Institution Innovation Cell (IIC) of RGU has also agreed to consult projects on innovative mechanisms for the IoT and banana leaf cutter.

The University has also conducted more than 300 seminars, talks, and events inviting notable academicians and industry personnel. This year also witnessed some noteworthy research papers in journals, conference proceedings and books/chapters that have been added to the repository of the university research and publication division. A total of 127 publications have been reported this academic year. In the year 2022, faculty members from Physics Department published papers in some renowned journals of Physics. Some good work has also been done by the faculty members from School of Biosciences. Dr. Debajit Borah has published his work on Spatio-temporal diversity of biological aerosols over Northeast India: a metagenomic approach in Environmental Science and Pollution Research. Dr. Trishnamoni Gautam has also published her work in a noteworthy journal, Mycology.

From the school of Humanities and Social Sciences, a few papers on pertinent topics have also been published. A total number of 32 book chapters also got published in the year 2021-22.

The Assam Royal Global University has continued to enhance experiential learning opportunities for students using hybrid teaching learning methodologies and has witnessed a considerable result in the annual examination results. This year the students of Royal school of Nursing, have excelled in academics by securing 100 % results. Overall, the students of the University have performed well with 88.4 pass percentage. Out of 3605 students who appeared for end semester examination, 3188 have passed. As per our report, PhD students enrolled in all schools, have successfully cleared their coursework requirements with pass percentage at 76 %.

The University has always celebrated students who have performed exceptionally well not only in academics but also in other co-curricular activities. This year a total of 33 students have received the coveted Dean's Lister award. According to the report, a total of 6 students from one school alone, Royal School of Humanities and Social Sciences have received this honour and 5 Students from Royal School of Applied and Pure Sciences have also received the Dean's Lister award.

In the Academic Year 2021-22, students of The Assam Royal Global University have achieved recognition in several national and international level competitions for their unparalleled talent and skills. More than 30 students have earned laurels in this academic year. A few noteworthy mentions are as follows: 16. Events are an integral part of campus life. The year 2021-22 is also remarkable because it is marked by several noteworthy events organized by the university. The University organized its second edition of River Talks Literature festival 2022 in collaboration with Asom Sahitya Sabha, 13-15 June 2022. Many renowned literary personalities graced this momentous event including author Atanu Bhattacharyya, art historian Mousumi Kandali, author Mitra Phukan among others. Several competitions for students across Assam were also conducted as a part of River Talks 2022. Technophilia, 2022, a two day tech event was organized by the science and technology schools of RGU on 29th June 2022. The event hosted a TechTalk delivered by Prof. Shyamanta Moni Hazarika Professor, Department of Mechanical Engineering, IIT, Guwahati along with the RGU Chairperson for Academics, Prof. Alak Kumar Buragohain, and Prof. (Dr.) Aniruddha Deka, the Head of Department of RSIT & RSET(CSE). With more participants from around the city and state, many events like Valorant Gaming, extravagant Cosplay, Brainiac, Innovanza, Coding competition were conducted successfully.

Another significant milestone that The IIC-RGU received 3 Star out of 4 Star rating by MoE, Govt. of India & AICTE. IIC-RGU has also been selected as Mentor Institute for ATAL Tinkering Lab within Assam. The Assam Royal Global University is the First Private University in the NE region that was selected for Impact Lecture Sessions 2021 under The Ministry of Education's Innovation Cell (MIC). Furthermore, Royal Innovation Incubator has been certified by ATAL Ranking of Institutions on Innovation Achievements.

Students of RGU have also participated in a few important events organized by different institutions. In the recently held the North East Research Conclave organised by IIT Guwahati, Science, Technology and Climate Change Dept. & Dept. of Education, Govt. of Assam, two innovations of RGU, the Electric Vehicle and Unique Cutter received tremendous appreciation from several dignitaries and visitors and received the recognition as Best Categories Exhibitors among the Private Universities

5. Institutional Growth

The year 2021-22 has been a year of some resourceful partnerships and collaborations with several industry and academic players. The Assam Royal Global University gives a lot of emphasis on research and development. The university started as a teaching university and is now proud to state that it is gradually emerging as a potential research centre alongside its pedagogical expertise. The University has built a specific centre dedicated to the investigation and development of thought, "The Royal Incubator", inaugurated in November 2021. The Managing Director of NRL inaugurated the Royal Innovation Incubator. The focus of the incubator is to create an ecosystem of innovation and entrepreneurship development.

6. An Overview

The Assam Royal Global University (RGU), a State Private University, established by The Assam Royal Global University Act 2013, notified by the Government of Assam Gazette on 20/08/2013, is in its 6th year of academic excellence offering a total of 117 courses under 24 schools in diverse fields. Established in July 2009 as Royal Group of Institutions, which has now been merged into The Assam Royal Global University, the University is located opposite to Tirupati Balaji Temple on National Highway and spans across 37,000 square meters (4 lakh square feet) of built-up centrally air-conditioned structures.

6.1 Vision

- ❖ To offer nationally and internationally integrated opportunities to create global citizens.

6.2 Mission

- ❖ To achieve academic excellence through innovatively designed, research intensive, industry-oriented education;
- ❖ To incorporate community service to install ethical conduct and compassion amongst stake holders;
- ❖ To give back responsible leaders to society who are capable of enriching the future by bringing positive transformation in the world.

Inauguration of The Assam Royal Global University, 26th July, 2017.
Sri Sarbananda Sonowal, Chief Minister, Assam,
unveiled The Assam Royal Global University plaque.

6.3 Ethos behind the Logo of the University

The new brand identity (logo) of Royal Global University which is a combination of the globe, students and the colours Blue and Orange, symbolizes positivity and encouragement for success with wisdom and creativity. The optimistic colours Blue and Orange are reflections of Royal Global University's innovative and progressive mindset with determination to impart the best and rise above the rest, thus creating a transformative educational experience for the students.

The six hands of the students, reaching beyond the globe, represent 'transcending boundaries', standing for wisdom, confidence, intelligence, creativity, determination, and truthfulness; by engaging with partners outside the traditional borders of the university campus.

6.4 University Anthem

**Hail Royal Global University.....
By the bank of mighty Brahmaputra
And under the shelter of Nilachal
There stands the temple of wisdom
Royal Global University**

**In the City of Eastern Light
Colours of blue and orange spread insight
To dream and walk the way to right
Soar in the sky to a new height
Shine on Royalites.....shine on.....**

**Lighting up the young minds
To lead the world with all might
Hail Royal Global University
Endowing a new sense of curiosity
And let the excellence prevail on
Shine on Royalites.....shine on.....**

**As long as the mighty river flows
Citadel of learning will enlighten the globe
History will keep echoing the songs of yore
With the marks of lives that remain on the shore
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
.....shine on.....shine on.....shine on.....**

Activities (AY 2021-22)

- **Faculty Colloquium (Faculty Seminar Series)**
- **Faculty Colloquium (June-Dec 2021):** It was the sixth consecutive seminar of its kind, conducted by the HRDC, RGU. It was organized from 5 June to 11 Dec, 2021. Considering the pandemic phase, the sessions were conducted through digital platforms. And in view of the increasing number of faculty members in various departments, all the schools were set into three different groups and the seminar was conducted with three parallel sessions. However, a common platform was shared on the first day. The sessions were held on every Saturday from 11:00 am to 1:00 pm. The timing had been chosen in such a way that maximum number of faculty could participate in the seminar.

The Faculty Colloquium started with an inaugural session on 5th June 2021, followed by presentations. The presenters included faculty members from all departments/schools of RGU. This seminar encourages faculty members of the university to present their domain expertise on a common platform. Content of presentations included extensive range of topics, variety of inputs, and practical information from different schools of RGU. Most of the presenters presented their original works while some of them presented review works. On an average, there were 12 presentations per day. In total, there was 17 (seventeen) days of deliberations (05.06.2021 to 11.12.2021) with three parallel sessions at three different online platforms.

- **Faculty Colloquium (July-Sep 2022):** It was the seventh consecutive seminar of its kind, conducted by HRDC, RGU. This was organized from 18 July, 2022 to 14 Sep., 2022. The presenters were faculty members from all departments/schools of RGU. The sessions were held on every working day (Monday-Friday & working Saturday) from 4:00 PM to 5:15 PM (offline mode). Considering the growing number of faculty members in different departments, all the schools were allocated into five different groups and accordingly the sessions were conducted in different five venues (parallel sessions). In total, there was 18 (eighteen) days of deliberations.

The Human Resource Development Centre (HRDC), RGU engages a formal process for evaluating Faculty presentations. Judges nominated for the Annual Research-Work Presentation at RGU include esteemed Professors (Internal). The committee uses evaluation forms developed with criteria that best reviews originality, knowledge, content and overall presentation.

Faculty Colloquium showcases the commitment of our University to motivate research culture among various disciplines. This seminar also helps in bridging the gap between academia and industries for overall societal development.

- **Workshop**

HRDC organized a One-Day Workshop on “The Perspectivity Game” for the Faculties of RGU on 1st July 2022 (2 PM-5 PM).

THE PERSPECTIVITY GAME: A fascinating, interactive way to present the political, social and economic behavioural challenges around sustainability and building resilience.

Facilitators:

Ashish Agrawal (India), Anand Mistry (United Kingdom)

Facilitating Organizations:

- Bridge 4 Change Foundation (B4CF)
- Project CHAKRA

This workshop was an immersive session of ‘The Perspectivity Game’ with a cohort of 25 faculties from different disciplines right from engineering to management to commerce to science and so on.

11.16 University Proctorial Board (UPB)

The University Proctorial Board (UPB) of The Assam Royal Global University (RGU) has 2 Joint Chief Proctors and 24 Proctors to ensure that the students of the University strictly adhere to the rules and regulations framed by the authorities from time to time. The UPB is under the regular guidance and supervision of the Registrar and the Vice-Chancellor of the University. The UPB comes into action only when the respective Schools/ Departments find it difficult to handle or solve students' cases of indiscipline, misconduct etc. In 2018– 2019, 14 cases related to students' indiscipline or misconduct were handled by the UPB. In 2019- 2020, the number of cases of indiscipline were 18 .In 2020-21 indiscipline cases were 15 and 2021-22 (Till date) indiscipline cases are 18 which were resolved & handed by the UPB. Apart from these 32 cases, there have been many other instances where the UPB intervened and resolved issues. It also provides counseling sessions to students and guardians as and when required.

The prudence and persistence of the UPB has been able to create an atmosphere of discipline and order in the minds of all students of RGU, including hostellers. The UPB earnestly hopes that with ad- vice and support from all quarters, it will be able to transform RGU campus into one of the most disciplined university campuses in the country.

A core group of Proctors have been constituted who will be responsible for the discipline of the entire campus. Each member will head a sub committee comprising of members who will be responsible for monitoring the discipline of the areas as mentioned below:

12. Royal Centre for Corporate Relations (RCCR)

The Training and placement department of Royal Global University is named as the Royal Centre for Corporate Relations (RCCR) which is an indispensable pillar of the University and plays a very important role in every student's future. The centre continuously strives to help students in pursuing their career goals by imparting employment-seeking skills and thereby to attain desired employment. This is accomplished through a strong bondage created amongst students, alumni, faculty members and industry.

The Royal Centre for Corporate Relations attempts towards mentoring students to the effect that they are industry-ready at the successful completion of an academic programme. The centre parallelly aims at grooming students ethically as well as in terms of attitude and aptitude, through regular training and interactive sessions. The centre provides students with every support for placements. The main objective of this Centre is to make the students ready to face the challenges of the corporate world and to help them in getting placed after completing a course.

Visitor

His Excellency

Hon'ble Governor of Assam

Prof. Jagdish Mukhi

Prof Jagdish Mukhi is the 30th Governor of Assam and he assumed his office on 10th October 2017. Prof. Jagdish Mukhi earlier held the portfolios of finance, planning, excise & taxation and higher education in Delhi Government. He is credited with working extensively for the welfare of the people of Delhi. He was the leader of the opposition for ten years from 1998 to 2008. Some of the notable achievements credited to Prof. Jagdish Mukhi's name were banning of lottery trade etc in Delhi in 1994, when he was the minister of finance. He because of his keen interest and strict initiative in bringing a bill, could contain the consumption of alcohol in Delhi. As the minister of Higher Education, Prof. Mukhi had established the self-funded University namely Guru Gobind Singh Indraprastha University in Delhi. He was also honoured as the best finance minister of the nation and also received best MLA award in Delhi Vidhan Sabha for two times. He represented Janak Puri constituency continuously from 1980 and won seven times from the same constituency. Jagdish Mukhi was born to Late J.R Mukhi and Late Laxi Devi Mukhi on 1st December 1942.

14.6 Research

The quest for knowledge is the basic principle behind research. And therefore, The Assam Royal Global University always strive its faculty members, research scholars and students towards good quality research. The quality of research work directly translates to the quality of teaching and learning in the classroom, thereby benefiting the students, the society and the country. RGU always promotes interdisciplinary research so that the scholars can collaborate with guides from different departments and can contribute towards some new innovative work which can help the society as a whole. A total of 45 research scholars are pursuing their Ph.D. in this session which makes the total count of PhD scholars to 125.

15. Library

Spread over 743 square meter (8000 square feet), the Central Library of RGU is a well-furnished, centrally air-conditioned, duplex-type library. Situated in first and second floors of B block, the library is a hub for academic queries and research activities. The library is fully computerized and provides essential information on knowledge related to engineering, management, architecture, law, commerce, fashion, fine arts, etc. The total collection stands at 9382 titles and 26859 volumes of printed books, 13042 e-books, 3 printed and 6460 e-journals/e-articles. The various e-resources available include e-journals, ebooks and e-databases under different areas. The database for the entire collection can be accessed through Online Public Access Catalogue (Web OPAC). Apart from this, the library holds special collection on North-East, competitive and fiction/non-fiction corners. The library subscribes to 3 daily newspapers and a number of reputed magazines. The library management is done by ILMS SOUL 3.0 server platform and barcode system (Jan 2013). As a member of DELNET, the library avails various facilities of member institutions through resource sharing, on demand from the users, as and when required. It provides ready reference service like Content List Service, using both offline and online sources of information to the users. Similarly, the university also subscribes to MANUPATRA the legal e-data base which national and international judgements and journals can be accessed.

15.1 Library Services

- Circulation of books to all members
- Reference service.

1. COMMUNIQUE OF THE CHANCELLOR

The Assam Royal Global University aspires to lead as an institution of excellence not just in pedagogy but also in areas of research and development. A university succeeds in its vision when its students transcend their potential both in academic excellence and co-curricular areas of sports, culture, and art. We strive to provide an environment for their all-round development, which ultimately manifests the reputation and quality of the institution. The last few years have witnessed a transition in the modes, patterns and the structure of education and higher learning primarily because of the unprecedented advancements in technology and science and the necessity for embracing interdisciplinary and multidisciplinary approaches to learning. The National Education Policy 2020 resonates the shift in vision regarding education, from the creation of a resource pool to a path of holistic development of a student. We have some of the best academic scholars as faculty of our university who bring credibility to the institution as a shrine of research. We are determined on perpetually broadening the scope and nature of research to make it academically and socially beneficial. I acknowledge the contribution of our alumni who have made an indelible mark with each of their pursuits. On behalf of the entire university, I urge them for their active coordination, cooperation, guidance, and constructive suggestion for the betterment of their alma mater.

Dr. A.K. Pansari
Chancellor

2. COMMUNIQUE OF THE PRO-CHANCELLOR

We at The Assam Royal Global University are perpetually striving to grow by overcoming all hurdles that come along the way. Our ability to adapt and evolve through difficult phases since our beginning through the pandemic is a testament to the strength of our character and reputation that has been built over years of collective dedication and hard work. It is perhaps for the first time in generations that we have been prompted to review our entire education system and incorporate reforms nationally and globally post the pandemic. In alignment with the National Education Policy 2020, we have reformed our academic structures, and agreed upon a functionally aligned service delivery model, all aimed at embedding excellence, further enhancing our teaching and research. Our focus in the year ahead will be on formulating and perfecting our educational strategies, implementation of latest technology-oriented classrooms, and the harmony between our teaching and research missions. Plans are well advanced across campus for enhancements of our information technology (IT) infrastructure, new state-of-the-art teaching and research facilities, and other initiatives solely focused on benefitting the students and making a social impact.

Sri A.K.Modi
Pro-Chancellor

3. EXECUTIVE SUMMARY BY THE VICE-CHANCELLOR

Reflecting upon the major developments of the academic year August 2022 to July 2023, this Annual Report takes stock of the progress made by the university in this time frame with reference to student records as well as architectural growth, academic accolades and policy frameworks. An integral part of the University's efforts in the aftermath of the online education phase has been to facilitate the students in relearning classroom etiquettes and in their resuming a regularity of the uniform life. As we have all adapted in numerous ways to live in this post-Covid world, it is my pleasure to report that we have been able to build upon the pillars erected by the previous years.

The fifth annual report of The Assam Royal Global University makes an introspective assessment putting three major areas of focus under the lens: Academic Excellence, Institutional Growth, and Partnership. The objective of this account is to reveal to us the potential of growth even as we acknowledge the steady progression. There has been a steady growth in all the areas of the institutional development, mainly research and projects, student enrollment and university events. RGU now offers 130 programs, across 42 departments consisting of undergraduate, postgraduate, integrated, diploma and doctoral degree under 24 schools. The last academic year saw a commendable growth in the campus infrastructure in terms of classroom space, laboratories, instruments, library, sports arena. The university has established an Optometry Lab, Biosciences Research Laboratory, a well equipped Physiotherapy Laboratory and the Royal Diagnostic Lab. Our students have not just performed academically well but have also excelled in sports events of state and national levels. We have been successful in organizing two Inter University Table-Tennis Tournaments—3 Day East Zone Inter University Table-Tennis (Women) Tournament and 3 Day East Zone Inter University Table Tennis (Men) Tournament with more than thirty teams participating from the entire eastern zone. It is a matter of pride that the University attained an NSS Grant amounting to INR 149, 400 from the Office of Sports and Youth Welfare, Government of India.

The University has expanded its collaborative enterprises such as eminent national as well as international educational institutes through MoU's. As on date we have more than 86 MoU's signed for the teaching, research collaboration, student and faculty exchange. In the last year, we joined hands with as many as 29 colleges of Assam, 16 polytechnic institutes, and 12 other national institutes of repute including the Institute of Chartered Accountants of India (ICAI). We also have signed an MoU with the Sun Moon University of South Korea, thereby furthering the way for international academic collaboration. This year Royal Global University has entered into an MoU with O.P Jindal Global University, under the Institutional Mentorship Agreement to help in curriculum, course outline, global competitive multidisciplinary programs and strengthening and streamlining of academic and administrative setup.

It is always rewarding when others recognize and appreciate the remarkable work and achievements of our university and its people. It gives me immense pleasure to share that our university has attained 150th rank by the Indian Institute of Ranking Framework (IIRF). We have a robust feedback system owing to which we have been monitoring our quality and continuously striving for progress.

Prof. (Dr.) S.P.Singh

Vice-Chancellor

4. Academic Excellence

The year 2022-2023 has been promising in terms of academic growth fueled by an increasing impetus to research and development. Besides publications of repute and a host of academic events like conferences, workshops, faculty development programs, lecture series and webinars, the institute also emphasized upon newer modes of learning through experience and practice. There was a significant increase in outreach programs, educational excursions, field visits and most significantly placement opportunities.

With 24 schools, more than 344 permanent faculty members, 254 doctoral research scholars, 42 Departments and as many as 130 programs and courses, the university has registered a slow but steady growth in academics. University has more than 85 high-end labs which includes inauguration and functioning of 05 new laboratories—Physiotherapy, Microbiology, Biosciences Research Lab, Optometry and Radiology. A few laboratories are in construction phase now and would be functioning soon. These laboratories and work stations boost institutional infrastructure and help train students professionally.

The university takes to its credit in more than 300 publications in reputed books, or national and international journals from faculty members and research scholars across different departments in the last annual year. Of important note is the Royal School of Languages' accomplishment of the release of two ISBN publications, *Spring Orchestra*, an anthology of poems and *Penman's Palette*, an annual magazine. *Spring Orchestra* is a collection of fifty best poems contributed from students across universities for an Inter University Poetry Competition organized by the department.

During this academic session, various project proposals from different departments and schools were submitted to funding organizations like CSIR, DST-SERB, DST amongst others. A total of 26 projects were submitted.

Students of The Assam Royal Global University have made their mark by qualifying in national as well as state competitive examinations like NET, SLET, GATE, APSC, CAT, to mention a few. As on date more than 50 students have achieved professional accolades by clearing these exams. Eight students have been conferred with the Doctoral degree in the annual year and there are more students who are nearing the accomplishment of the degree of the highest order. Noteworthy few among other student achievements are—Barsha Das from the Royal School of Information Technology qualified CAT 2022; Harsh Raj Sharma from the Royal School of Languages, 1 Assam Battalion, NER DTE, bagged the Best Cadet Award in Advanced Leadership Camp held in Rangia; Riya Mishra from Social Work, got through the prestigious Gandhi Fellowship; Hiyaman Kalita and Asif Mondal from Department of Chemistry won the 1st prize in Inter-School Quiz Competition under G20-Y20 Program; and Petrus Baraik from the Royal School of Fine Arts won the second prize in the National Level Art Exhibition and Competition at Yashwantrao Chavan Natyagraha Kaladalan at Pune, organized by Kalamaharshi Baburao Painter Art Foundation.

Events are an integral part of campus life. The year 2022-23 is also remarkable because it is marked by several noteworthy events organized by the university. The Royal Centre of Corporate Relations organized the Biggest Job Fair in the Northeastern Region on 12th of May, 2023, which saw over 125 recruiters and 3500+ registrations. Besides this, the departments of Nursing, Management, Business, and Biosciences came forward with career counselling sessions, industry connect meetings and interview sessions elaborating on career prospects.

The University successfully conducted the Y20 Talks under the aegis of G20 Talks on 6th June, 2023. Eminent personalities- Mr. Mrinal Talukdar, senior journalist and Author; Mrs. Mita Goswami, renowned environmentalist and senior consultant at the Swiss Agency for Development and Cooperation; and Mr. Vineet Nahata, Director of Power Gilt Treasuries Inc. graced the event.

The University achieved an NSS Grant amounting to INR 149,400 from the Office of Sports and Youth welfare, Govt. of India. There were several sports events and tournaments organized at the university and inter-university levels throughout the year. Two Inter University Table-Tennis Tournaments—3 Day East Zone Inter University Table-Tennis (Women) Tournament and Three Day East Zone Inter University Table Tennis (Men) Tournament with more than thirty teams participating from the entire eastern zone were organized besides intra-university tournaments of Cricket, Football,

Arm wrestling, Carom and Badminton to name a few. Competitions on debate, art, essay writing and quiz also attracted lots of students.

On the academic and research front, many international and national conferences were organized across the university. The International Symposium of South-East Asian Culture was organized on 5th of December by the Cultural Club in association with North East Aashirvad Foundation. Dr. Dayananda Buragohain, former Chairperson AHSEC, was the Chief Guest and other personalities included Dr. Dilip Kakati, Director ABILAC, Govt. of Assam, and, Debojit Khanikar, Joint Secretary, Govt. of Assam, Khagen Sarma, Secretary, North East Aashirvad Foundation. Students and faculty members from Thailand and Guwahati made the event successful.

Several workshops were conducted in the last year. The Department of Computer Science organized a 7 day workshop on Python for Data Analysis, Royal School of Communication and Media organized a workshop on Photography and Cinematography and Royal School of Languages organized the Literary Loom- a workshop on creative writing and poetry among others. The Dye Cult and the Royal Salon d' Spring were remarkable exhibitions displaying the talent of the students of the University. To motivate the students and guide them on career choices, the University organized interactive sessions with two eminent personalities from Assam—Master Chef Winner Nayanjyoti Saikia and UPSC 5th Rank Holder, Mayur Hazarika.

To instill in students a culture of social responsibility, the University witnessed a lot of welfare events in the last year. Department of Physiotherapy organized health camp and offered free screening. A Health Mela was also organized besides Rural Camp, Wildlife Mela, Blood Donation drives, Plantation drive, Donation drive and Cleanliness drive to mark social responsibility. Awareness programs on issues like drugs, child cancer, menstrual hygiene, chemical hazards were important events organized in the last year.

5. Institutional Growth

The year 2022-23 has been a year of resourceful partnerships and collaborations with several industry and academic players. The Assam Royal Global University puts a lot of emphasis on research and development. The university started as a teaching university and is now proud to state that it is gradually emerging as a potential research centre alongside its pedagogical expertise. The University has built a specific centre dedicated to the investigation and development of thought, “The Royal Incubator” focuses on creating an ecosystem of innovation and entrepreneurship development.

6.3 Ethos behind the Logo of the University

The new brand identity (logo) of Royal Global University which is a combination of the globe, students and the colours Blue and Orange, symbolizes positivity and encouragement for success with wisdom and creativity. The optimistic colours Blue and Orange are reflections of Royal Global University's innovative and progressive mindset with determination to impart the best and rise above the rest, thus creating a transformative educational experience for the students.

The six hands of the students, reaching beyond the globe, represent 'transcending boundaries', standing for wisdom, confidence, intelligence, creativity, determination, and truthfulness; by engaging with partners outside the traditional borders of the university campus.

6.4 University Anthem

**Hail Royal Global University.....
By the bank of mighty Brahmaputra
And under the shelter of Nilachal
There stands the temple of wisdom
Royal Global University**

**In the City of Eastern Light
Colours of blue and orange spread insight
To dream and walk the way to right
Soar in the sky to a new height
Shine on Royalites.....shine on.....**

**Lighting up the young minds
To lead the world with all might
Hail Royal Global University
Endowing a new sense of curiosity
And let the excellence prevail on
Shine on Royalites.....shine on.....**

**As long as the mighty river flows
Citadel of learning will enlighten the globe
History will keep echoing the songs of yore
With the marks of lives that remain on the shore
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
.....shine on.....shine on.....shine on.....**

11.8 Royal Centre for Act East Policy (RCAEP)

The 'Act East Policy', as enunciated by the Government of India, has made a deep impression in the minds and hearts of every Indian. With the objective of creating an awareness for Research and Studies amongst its faculty and students, the Royal Centre for Act East Policy has been set up in the year 2018.

The Centre seeks to achieve its objectives through workshops, seminars, lectures, research collaborations and cultural events as well as publications and extensive dissemination.

- The research focus will include migration and trans-nationalism, economic benefits of bilateral and multilateral trade, gender discrimination, conflict and livelihood issues, ethnicity and identity politics, water, environment and climate change, North East India and its peripheral areas, traditional institutions and India's Look East Policy Research and several academic studies in the Centre.
- Library and Documentation Centre – Documentation and extensive dissemination.
- Events such as lectures and talks by experts followed by discussion, seminars, conferences and work-shops.
- Publication of a Journal with well researched multi-disciplinary write ups on Act East Policy.

Objectives:

- Carry out research on the volume of trade and cultural activities between India and countries of East and South East Asia. Suggest better policies for the stakeholders for enhanced economic integration and India's higher rate of economic growth.
- Make contact and hold discussions with universities, research institutions and trade bodies of this region with the objective of facilitating action that can be taken regarding "Act East Policy".
- Collection of research articles, editorials, information from news-papers, journals, books regarding Act East Policy to form a repository of knowledge about "Act East Policy" at Royal Global University.
- To list down all the functionaries of the central government, state government, educational institutions and other centres/organizations/individuals working/contributing to Act East Policy.
- Write and publish research papers for seminars/conferences in peer reviewed journals to enrich the library of RGU.
- Organize national and international conferences, seminars and talks by eminent scholars, researchers on the related topics.
- Facilitate the route for seamless integration between India and the countries of the East and South East Asia economically, socially and culturally.
- To facilitate research on Indo-Japan, Indo-Pacific and Indo-QUAD developments on trade agreements and discussions of strategic importance.

Activities (AY 2022-23)

1. During 2022-23 our Ph.D. student Mr. Khagen Chandra Nath tested the Sub-Irrigation System at Krishi Vigyan Kendra, Kahikuchi, Guwahati and compared its performance with other systems of irrigation. This is an initiative under the Royal Centre for Water Resources Management (RCWRM).

11.10 Human Resource Development Centre (HRDC)

In accordance with the guidelines of University Grants Commission (UGC), the Human Research Development Centre (earlier known as Academic Staff College) has been formed at RGU in the very first year. The Centre is responsible for continuously striving towards further enhancing the teaching standards of the university. It has been conducting training programs (FDP) and workshops to train teachers of RGU with the help of in-house senior faculty members and also teachers from other reputed institutes of higher education.

Objectives:

1. To improve teaching-learning process in different schools of RGU
2. To further enhance the teaching skills of the faculty members of the University
3. To further improve teaching pedagogy at the University level to achieve goals of higher education
4. To ensure that a teacher must not be confined only to transmitting information, but should also be a mentor/guide to the students and must also orient students to meet the challenges of life, to not merely become a trained professional, but also a better citizen.

Activities (AY 2022-23)

- Faculty Colloquium (Faculty Seminar Series)**

» **Faculty Colloquium (July-Sep 2022):** It was the seventh consecutive seminar of its kind, conducted by HRDC, RGU. This was organized from 18 July, 2022 to 14 Sep., 2022. The presenters were faculty members from all departments/schools of RGU. The sessions were held on every working day (Monday-Friday & working Saturday) from 4:00 PM to 5:15 PM (offline mode). Considering the growing number of faculty members in different departments, all the schools were allocated into five different groups and accordingly the sessions were conducted in different five venues (parallel sessions). In total, there was 18 (eighteen) days of deliberations.

» **Faculty Colloquium (June-July 2023):** It was the eighth consecutive seminar of its kind, conducted by the HRDC, RGU. It was organized from 30 June to 26 July, 2023. The Faculty Colloquium started with an inaugural session on 30 June 2023, followed by presentations. The sessions were conducted in different five venues (parallel sessions). The sessions were held on every working day from 4:00 PM to 5:15 PM. This seminar encourages faculty members of the university to present their domain expertise on a common platform. Content of presentations included extensive range of topics, variety of inputs, and practical information from different schools of RGU. Most of the presenters presented

their original works while some of them presented review works. On an average, there were 17 presentations per day.

» **The Human Resource Development Centre (HRDC)**, RGU engages a formal process for evaluating Faculty presentations. Judges nominated for the Annual Research-Work Presentation at RGU include esteemed Professors (Internal). The committee uses evaluation forms developed with criteria that best reviews originality, knowledge, content and overall presentation.

» Faculty Colloquium showcases the commitment of our University to motivate research culture among various disciplines. This seminar also helps in bridging the gap between academia and industries for overall societal development.

Workshop

» **The Perspectivity Game:** A fascinating, interactive way to present the political, social and economic behavioural challenges around sustainability and building resilience.

» **Facilitators:**

» Ashish Agrawal (India), Anand Mistry (United Kingdom)

» **Facilitating Organizations:**

» Bridge 4 Change Foundation (B4CF)

» Project CHAKRA

» This workshop was an immersive session of 'The Perspectivity Game' with a cohort of 25 faculties from different disciplines right from engineering to management to commerce to science and so on.

» A Faculty Induction program was organised by HRDC on 21st June, 2023 for newly joined faculty and academic staff members.

11.15 University Proctorial Board (UPB)

The University Proctorial Board (UPB) of The Assam Royal Global University (RGU) has 2 Joint Chief Proctors and 24 Proctors to ensure that the students of the University strictly adhere to the rules and regulations framed by the authorities from time to time. The UPB is under the regular guidance and supervision of the Registrar and the Vice-Chancellor of the University. The UPB comes into action only when the respective Schools/ Departments find it difficult to handle or solve students' cases of indiscipline, misconduct etc. In the AY 2022-23 a total of 18 cases were handled by UPB. It also provides counseling sessions to students and guardians as and when required.

The prudence and persistence of the UPB has been able to create an atmosphere of discipline and order in the minds of all students of RGU, including hostellers. The UPB earnestly hopes that with advice and support from all quarters, it will be able to transform RGU campus into one of the most disciplined university campuses in the country.

A core group of Proctors have been constituted who will be responsible for the discipline of the entire campus. Each member will head a sub committee comprising of members who will be responsible for monitoring the discipline of the areas as mentioned below:

Chancellor

Dr. Ashok Kumar Pansari

Dr. Ashok Kumar Pansari, Chancellor of The Assam Royal Global University and Chairman of Royal Global School, completed his B.Com., LLB., M.Com. C.A. and Ph.D. and started his practice as a partner of Modi Pansari & Co. Working relentlessly with other industrialists of the region, he was successful in establishing Delhi Public School in Guwahati city in the year 2003. His quest was not over as he always had the vision to set up an educational institute that would give the North-East a world class technical institution to curb the exodus of students from this region. In the year 2009, he set up the Royal Group of Institutions, India's first integrated campus with multi-discipline at Guwahati, Assam. In 2012, he set up Royal Global School, a world-class day cum boarding Higher Secondary school in Guwahati, Assam. He also started The Assam Royal Global University (RGU) from 2017.

He then went on to author a book titled *Baaton Baaton Mein*. The book has also been translated in Bengali, titled *Kotha Prosonge*. His 2nd book, *Baatein Santon va Granthon ki* is a compilation of value-based Sanskrit shlokas with their meanings in Hindi, Assamese, and English. He was also a Ted Speaker in Tedx Kharguli Hills Event where he spoke on the topic "An idea that brought a Change" where he spoke on the challenges faced by him in his journey towards becoming an edupreneur.

He also established a strong media house named Purvoday Publications Private Ltd. at Guwahati which started the publication of a Hindi Daily, named "Dainik Purvoday" from 2005, being published simultaneously from Guwahati and Jorhat. Dr. Pansari also started Royal Estate Developers in 2002 and successfully completed several projects, and few under 2016 under Pradhan Mantri Awaas Yojana.

He further initiated following social services for the benefit of the society.

1. Royal Anna Seva
2. Royal Swasthya Seva
3. Royal Vastra Seva

14.5 Laboratories

Laboratory facilities with all the required equipments are available in all the Schools wherever necessary. In addition to the existing labs, during this academic session, few new labs were setup in the Department of Physiotherapy, Computer Science and Engineering and Pharmacy. The facilities at the already existing labs were enhanced with the purchase of various new apparatus, equipments, items, etc for the Department of Fashion Design, Botany, Zoology, Nursing, Hotel Management, etc. Items like the Usha's automatics Sewing machines, steam irons, etc were added to the labs of Fashion Design. In Zoology lab, some new equipments were added like Microtome Spencer, Mini Submarine electrophoresis unit, Electrophoresis power supply unit, etc. The detailed list of laboratories available is as follows:

Name of the School	Name of the Department	Total Number of Labs	New Labs set up during this academic session
RSAPS	Chemistry	2	0
	Physics	3	0
RSET	Civil Engineering	9	0

14.6 Research

The quest for knowledge is the basic principle behind research. And therefore, The Assam Royal Global University always strive its faculty members, research scholars and students towards good quality research. The quality of research work directly translates to the quality of teaching and learning in the classroom, thereby benefiting the students, the society and the country. RGU always promotes interdisciplinary research so that the scholars can collaborate with guides from different departments and can contribute towards some new innovative work which can help the society as a whole. A total of 45 research scholars are pursuing their Ph.D. in this session which makes the total count of PhD scholars to 125.

14.6.1 Projects Submitted to External Agencies during AY 2022-23

During this academic session, various project proposals from different departments and schools were submitted to different funding organizations like NEEPCO Guwahati, DST-SERB, DBT project under Societal Development Scheme, amongst others. The list of sanctioned projects is as follows:

Sl. No.	Title of the Project	Funding Agency	Principal Investigator	Department/School	Present Status
1	Lakadong curcumin loaded polysaccharide based nano-conjugate systems for enhanced cancer therapy	DST-SERB	Dr. Bipul Nath	Pharmacy	Submitted
2	Title: Standardisation and Development of antidiabetic poly-herbal formulation of selected edible herbal resources, Applied in ICMR	DST-SERB	Dr. Bipul Nath(PI) and Dr. Pranabesh Sikdar (Co-PI)		
3	Qualitative & quantitative assessment of the effects of biochar in yield enhancement and GHG mitigation in rice agroecosystems of North East India PROGRAM NAME: Core Research Grant (CRG)	DST-SERB	Dr. Anushree Baruah	Botany	
4	Lakadong curcumin loaded polysaccharide based nanoconjugate systems for enhanced cancer therapy. Program Name: Core Research Grant (CRG)	DST-SERB as Co PI.	Dr. N. Seema Devi		

Sl. No.	Title of the Project	Funding Agency	Principal Investigator	Department/School	Present Status
5	Production of high-yield varieties of wild edible mushrooms of Assam using low-cost agricultural wastes as substrate enhancers. PROGRAM NAME: Core Research Grant (CRG)	DST-SERB	Dr. Manalee Paul	Botany	Submitted
6	Qualitative & quantitative assessment of the effects of biochar in yield enhancement and GHG mitigation in rice agroecosystems of North East India PROGRAM NAME: Core Research Grant (CRG)	DST-SERB AS CO-PI	Dr. Upasna Chetry		
7	Applied for insa visiting scientist program		Dr. Upasna Chetry		
8	Development Of A Biochar Based Fertilizer For Carbon Sequestration And Enhancement Of Yeild In Pigmented And Bon Pigmented Rice Programe Name: Csir-Aspire	CSIR	Dr. Anushree Baruah		
9	A mathematical study on the transmission dynamics and control of Anthrax,	SERB, India	Prof. (Dr.) Anuradha Devi Dr. Ankur Jyoti Kashyap	Mathematics	
10	Development Of Predictive And Preventive Models Of Influenza And Other Respiratory Infections Using Advanced Ensemble Machine Learning Stacking And Voting Algorithms, ICMR		Dr. Ankur Jyoti Kashyap (Co-PI) Prof. (Dr.) Anuradha Devi (PI)		
11	A study of weakly k-hyponormal weighted shift operators, Status: Provisionally accepted.		Dr. Bimalendu kalita		
12	Behavioral Study of Local Nutritious Fruit Juices of Meghalaya using Suitable Mathematical Model for Food Processing Applications, Status: Provisionally accepted.	Matrics under SERB	Dr. Kamal Debnath		
13	Value addition to tea waste biochar using ZnO-MgO bimetallic nanoparticles for enhanced arsenic removal through a circular economic approach.	DST-SERB	Dr. Debajit Borah (PI) Dr. Bhaskarjyoti Gogoi (Co-PI) Dr. Siddhartha Narayan Borah	Biotechnology	
14	Identification of potential bioactive compounds against Mycobacterium tuberculosis H37Ra from Xanthium strumarium Linn, a traditional medicinal plant from North East India	DST-SERB under CORE research grant	Dr. Ranjan Dutta Kalita		

Sl. No.	Title of the Project	Funding Agency	Principal Investigator	Department/School	Present Status
15	Enumerating yeast diversity from commercially valuable endemic freshwater fish species of Assam and exploring their probiotic potential	DST-SERB under SURE scheme	Dr. Ranjan Dutta Kalita	Biotechnology	Submitted
16	Molecular analysis of exosomal components to identify prognostic biomarkers in advanced stage oral cancer patients of North East India;	ICMR	Dr. Rupesh Kumar		
17	Submitted a Research Proposal as PI in which Dr. Anuj Kumar Borah is the co-PI to DST-SERB under CRG Scheme	DST-SERB under CRG Scheme	Dr. Taranga Jyoti Baruah	Biochemistry	
18	Applied in DST Core grant as PI	DST-Core	Dr. Amlan Das		
19	Submitted a Research Proposal as Principal Investigator to DST-SERB under SRG Scheme	DST-SERB under SRG Scheme	Dr. Anuj Kumar Borah		
20	Submitted one Project (15.03.2023) under DST-Core as Co-PI (PI = Dr. Amlan Das, Dept. of Biochemistry)	DST-Core	Dr. Ch. So-vachandra Singh		
21	Development of hypolipidemic and hypocholesterolemic therapeutics against cardiovascular diseases from mushroom prevailing in North-East India	Funding Agency: CSIR, Govt. of India.	Dr. Dina Barman	Microbiology	
22	Strengthening economically weaker progressive farmers of Morigaon District by empowering in skill development in Biologically Integrated Farming System (BIFS) for socio economic development, sustainable farming and livelihood improvement (Under Review), DST SEED.		Dr. Debajit Kalita		
23	Title: Impact assessment of heavy metal pollution on the floral diversity of Guwahti	Assam State Biodiversity Board	Dr. Pallabi Borah	Environmental Sc.	
24	Complex orthography and its impact on reading and spelling. Journal name : Journal of Developmental language disorders and in childhood and adolescence. SCOPUS indexes. IF 2.17		Chandni Khaund	English	

Sl. No.	Title of the Project	Funding Agency	Principal Investigator	Department/School	Present Status
25	Panel proposal submitted for 2024 World Conference on Statelessness to be held from 26-29 February 2024 at Taylor's University in Kuala Lumpur, Malaysia. No funding secured yet. However, I am exploring funding opportunities.		Dr. Anjuman Ara Begum	RSLA	Submitted
26	Multi-omics network analysis to decipher miRNA-TF-gene interaction in regulation of flavonoid and carotenoid biosynthetic pathways in Chakhao cultivars of aromatic black rice from North-East India. DST-SERB		Dr. Upasna Chettry	Botany

15. Library

The Central Library at RGU spans an area of 743 square meters (equivalent to 8,000 square feet). This modern, well-furnished, centrally air-conditioned duplex library, located on the first and second floors of B block, serves as the academic nucleus for research and knowledge-seeking endeavors.

Our library is at the forefront of technology, fully computerized to provide essential information across a wide spectrum of disciplines, including engineering, management, architecture, law, commerce, fashion, fine arts, and more. Our impressive collection comprises 9,614 titles and 29,407 printed book volumes, as well as 13,042 e-books and access to 6,460 e-journals and e-articles. We offer diverse e-resources, including e-journals, e-books, and e-databases, accessible through our user-friendly Remote Access Software (Remotlog). And also provide an Online Public Access Catalogue (Web OPAC).

In addition to our vast collection, our library boasts special sections dedicated to the Northeast, competitive exam materials, and a fiction/non-fiction corner. We keep our users informed with subscriptions to three daily newspapers and a selection of renowned magazines.

To enhance the efficiency of library operations, we employ ILMS SOUL 3.0 server platform and a barcode system. We are proud members of DELNET, Manupatra, and JSTOR, which allow us to access resources from other institutions, enriching the knowledge landscape for our users. Similarly, the university also subscribes to MANUPATRA the legal e-Data base which national and international judgements and journals can be accessed.

16.2 Mentor-Mentee System

16.2.1 Objectives of the Mentor-Mentee System are:

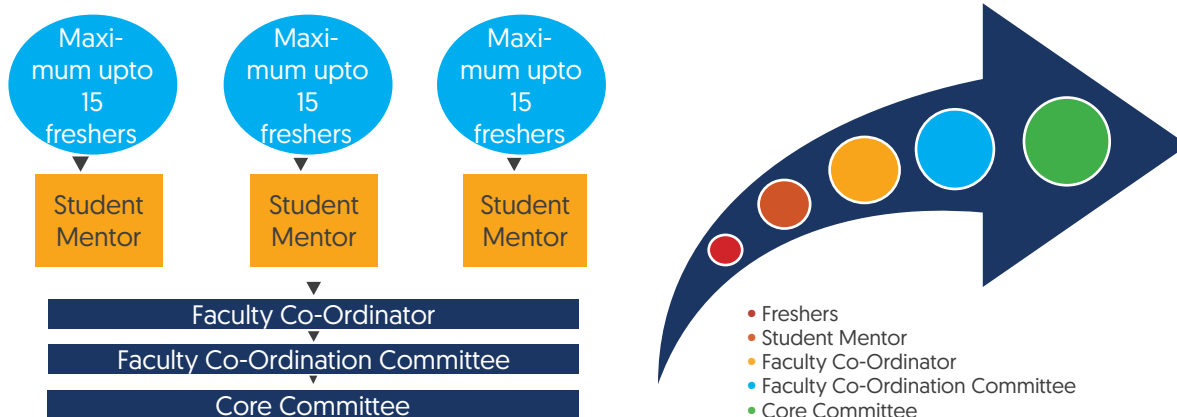

- To help the students understand the culture, opportunities and challenges present in the University and have a smooth transition to campus life;
- To help students cope with their academic, co-curricular and personal issues for a balanced and healthy growth;
- To be positive role-models to the new freshly admitted students;
- To proactively try to identify issues of concern to the general student populace and bring them to notice of higher authorities;
- To project as friend cum counsellor to the fresher;
- To befriend and counsel such students who show lack of interest in academics, suffer from stress and depression, abrasive behavior, intemperance, aggressive behavior or any other condition requiring immediate intervention.

16.2.2 Composition of the Mentoring Body:

RCC aims to follow a pedagogy designed to equip the students with skills that are required by the challenging corporate environment.
- **Sansad Club** - The Sansad Club is one of the youngest Clubs of the University formally established in April 2023. Derived from the Sanskrit word, ‘samsad’ which means assembly and discussion, we aim at creating a discussion and learning platform for all the politically conscious students and harness their energies and channelize a pool of conscientious and responsible citizens. Our vision is to cultivate a stream of politically conscious students who possess the ability to think critically and initiate transformative change within society. We aspire to be a platform that nurtures politically aware youth, serving as a beacon for change makers, visionaries, and leaders who are determined to shape their own lives and revolutionize the world around them. Our club is dedicated to empowering individuals with the knowledge, awareness, and skills necessary to become agents of positive change. We strive to foster a community that encourages open dialogue, where members can freely voice their opinions, engage in meaningful discussions, and collaboratively make informed decisions. Together, we aim to create a vibrant space

for active participation and constructive action, enabling our members to contribute effectively to the betterment of our society. Through our unwavering commitment to political consciousness, critical thinking, and proactive engagement, we seek to inspire a generation of compassionate and empowered citizens who challenge the status quo, question norms, and work tirelessly to create a more just and equitable world. Together, we will be the change we wish to see, igniting a revolution of awareness, understanding, and impactful action. It is our mission to develop beyond academic excellence by making politically active youth, developing critical research and scholastic inquiry bridging intellectual ideas to reality.

- **Sigma Voice** - Literary space is like a sea filled with many rivers. Carrying the same idea was the literary club of The Assam Royal Global University--"Sigma Voice", was created. - **University Peace Club** – Peace is a great way for everyone to turn commitment into action. It helps an individual connect and organize with others in peace. It's a framework that promotes learning about peace and gaining skills to deal with conflict; and then putting those elements together to find ways to take action to make the world a better place. In today's busy world due to the hectic schedule of an individual one is unable to maintain a peace so considering the said situation The Assam Royal Global University has introduced to us Peace Club that aims to motivate student community to fight against violence and adapt peaceful methods to solve differences so that students choose the path of peace and humanity. The club provides a platform where everyone can learn skills, exchange experiences, teach others and apply the knowledge of peace in their everyday life.
- **Volleyball Club** - The primary goal of this club is to strive for the youth athlete's education of volleyball. Volleyball is a team sport. This sport is purely about 'The Team' and everyone should be committed to that. It's a sport of discipline and competition on which they can use later in their lives. Playing Volleyball is one thing, but to grow and develop as a player is another. So, the Volleyball Club of The Assam Royal Global University offers 2 Volleyball courts to create strong athletes increasing physical and mental fitness for life, as well as teach the values of teamwork, goal-setting, responsibility, self-discipline and self-motivation. We train to compete on a competitive level while teaching and encouraging sportsmanship play.
- **Yoga Club** - The Yoga Club of RGU is a vibrant and inclusive community dedicated to promoting physical, mental, and spiritual well-being through the practice of yoga. Established with the vision of fostering holistic development among students, faculty, and staff, our club aims to create a serene space where individuals can explore and experience the transformative power of yoga. In addition to practical sessions, the club organizes workshops, seminars, and guest lectures by renowned yoga experts, scholars, and practitioners. These educational opportunities allow members to explore the philosophy, history, and science behind yoga, enabling a deeper connection with the practice. The club believes in giving back to society and making a positive impact beyond the university campus.

Yoga club actively engages in outreach programs, collaborating with local communities and organizations to spread awareness about the benefits of yoga. We organize free yoga sessions, wellness camps, and charitable initiatives, aiming to make yoga accessible to all, regardless of their background or financial means.

- **Zoology Club** – This Club helps the Student to know about the protection of the large, charismatic species. The club is also a platform to learn about various species of Butterflies, moth, birds and reptiles. Ecology is the science devoted to the study of the interaction among organisms and their environment. It helps in understanding the requirements of conservation of wildlife. The rich flora and fauna that lives in the ecosystem plays a major role in maintaining the ecological balance. Since, the Protection and conservation of wildlife is the need of the hour, therefore, Zoology Club emphasizes the conservational projects with particular focus on the diverse fauna of our ecosystem. To understand the diversity of flora and fauna in the RGU campus, regular survey is done to count, record and identify the various species. A high abundance of butterflies, grasshopper, and dragon fly is observed near the Fountain and front lawn. Birds such as myna, sparrows, crows, mites are observed near the D block and Eden Garden. Zoology club organizes many successful events in and out of the campus. The club maintains a monthly magazine with the aim of providing knowledge about rare species. The objective is to educate all the students and also the local communities about the endangered species.
