Tales of an Explorer
By Mandip Singh Soom, FRCS

**Explorer ♦ Mountaineer
♦ Environmentalist**

If you'd like to know a mountain, you must first know the man who has climbed it. This is the story of a man who has climbed the world's highest peaks and explored the most remote corners of the planet. This is the story of a man who has explored the world's most beautiful and most dangerous environments.

An enthralling evening of tales, anecdotes and laughs!
Since age 14, he has climbed, trekked and explored 7 Continents –

From high Himalayan summits to the European Alps;
Antarctic to the Arctic
from riding camels across the Thar & the Sahara to elephant expeditions in Kerala;
from trekking on the frozen river Zaskar to Chumbal river expeditions; from remote lands of Arunachal & Nagaland to Tibet; from the rain forests of Borneo & Costa Rica to the tribes of the Andaman Islands & the Mongolian Steppes; from biking in Patagonia to rafting in Peru!

10. Honouring the Nation & the Constitution

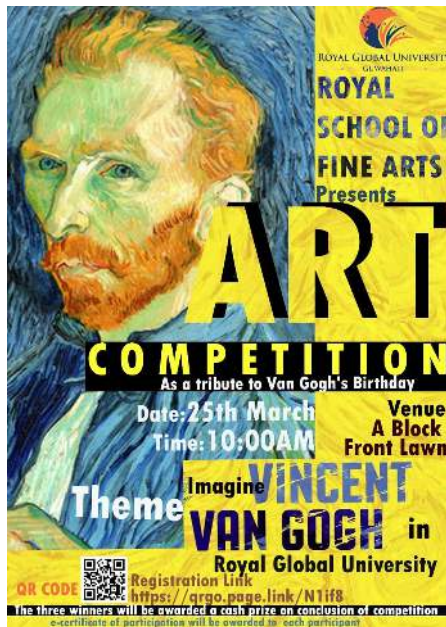

The university promotes honouring the nation and the constitution by celebrating significant national and historical days. These events cultivate patriotism, deepen understanding of national heritage, and instil pride in students, fostering a sense of unity and commitment to upholding constitutional values. At 10 am, the National Anthem is played from Monday to Thursday and the State Anthem on Friday in the University campus to imbibe the spirit of nationalism.

- **Towards fostering Constitutional Values**
