COMMUNIQUE OF CHANCELLOR

The Assam Royal Global University aspires to lead as an institution of excellence, not just in exemplary pedagogy but with a core focus on interdisciplinary research. The university will succeed in its vision when the students transcend their potential both in academic excellence and co-curricular areas of sports, culture, and art. We strive to provide an environment for their all-round development, which ultimately manifests the reputation and quality of the institution.

The last few years have changed the nature of demands from an education of higher learning with unprecedented developments in sciences and broadening the horizon of subjects as an interdisciplinary curriculum. The New Education Policy 2020 resonates the shift in vision regarding education, from the creation of a resource pool to a path of holistic development of a student. We have some of the best minds in academics as the faculties of our university who brings credibility to the institution as a shrine of research. We are determined on perpetually broadening the scope and nature of research to make it academically and socially beneficial. I acknowledge the contribution of our alumni who have made an indelible mark with each of their pursuits. We urge them for their active coordination, cooperation, guidance, and constructive suggestion for the betterment of our alma mater.

Dr. A.K. Pansari
Chancellor

COMMUNIQUE OF PRO-CHANCELLOR

Our ability to adapt and grow through this difficult period of a global pandemic is no accident. It is a testament to the strength of our character and reputation that has been built over years of collective dedication and strive. While the pandemic brought much of the world to a halt, it also accelerated some of the changes that were already underway. The university reviewed its internal operation, reorganised its academic structures, and agreed upon a functionally aligned service delivery model, all aimed at embedding excellence, further enhancing our teaching and research. By the end of the year 2020, the university had completed this significant and vital change successfully. We are now implementing our new structure and looking towards the future with a great deal of excitement and optimism. Our focus in the year ahead will be on formulating and perfecting our educational strategies, implementation of latest technology-oriented classrooms, and the harmony between our teaching and research missions. Plans are well advanced across campus for enhancements of our information technology (IT) infrastructure, new state-of-the-art teaching and research facilities, and other initiatives solely focused on positively impacting the students' experience.

Sri A.K.Modi
Pro-Chancellor

Executive Summary

The Annual Report AY 2020-21 comes at a time when the world is severely paralysed with the global outbreak of the Coronavirus pandemic. In the midst of all the uncertainties, The Assam Royal Global University has kept its momentum to strive to do better every single day, keeping the light of optimism shining. Keeping pace with the circumstances of the working environment where the world shifted to the work-from-home mode, even The Assam Royal Global University swiftly shifted to this mode and ran all official functions and duties from the homes of the efficient team members it is made up of – the Management, the teaching staff and the non-teaching staff. As a result of institutional growth and academic maturity, RGU now offers 90 courses with integrated courses in 11 programmes under 25 schools and 9 faculty of studies. The third Annual Report of RGU takes an introspective look at three main areas of focus—Academic Excellence, Institutional Growth, and Partnership. The executive summary will provide a transparent snapshot of the growth Royal Global University has successfully accomplished in the past twelve months. The report also shows areas where the university needs to put in more effort to add uniformity in growth and thus strengthen the development.

Prof. (Dr.) S.P.Singh
Vice-Chancellor

Academic Excellence

The Assam Royal Global University launched new programs at various credential levels, with a focus on cross-disciplinary learning, in emerging sectors and high-demand sectors. The year also saw the initial preparatory phase for submission of RGU SSR for NAAC.

To strengthen the research and development of the university, the faculty team has always been encouraged to work towards submission of research/ project proposals to funding agencies. Out of a total of seven project proposals submitted in the last three years, RGU has received the approval of two projects namely Energy Auditing of Tea Estates of Assam [McLeod Russel-Monabarie Tea Estate and Amchong Tea Estate] followed by technical advice and training on energy saving audit data analysis and report generation, submitted by Department of Electrical Engineering, RGU; and IOT Based SOS system for detecting Accident with a two-wheeler vehicle – submitted by Department of Computer Science and Engineering. The two projects have been funded by Collaborative Research Scheme of ASTU under TEQUIP-III program of MHRD funded by World Bank and Assam Science Technology & Environment Council respectively.

A good number of 192 research publications inclusive of research papers in journals, conference proceedings and books/chapters, have been added to the repository of the university research and publication division. Ms. Aruna Dev Rroy, Asst. Prof. Royal School of Commerce, published the book titled Marketing Management: A Prologue. Dr. Debajit Borah, Assistant Professor of Biotechnology, RGU, and Mr. Abhijit Sonowal, alumni of the same department were jointly awarded ‘BRIC’s Idea Exposition Award’ on the theme entitled “Innovations in Agriculture and Sustainability” organized by DBT-BIRAC Regional Innovation Centre (BRIC) in collaboration with Idea Knowledge Park, Hyderabad, and IIT-Guwahati Biotech Park, Guwahati during July 16-17, 2020. Ms. Sumi Kankana Dewan, Assistant Professor, Dept. of ECE, RSET, designed a ZnO nanoparticle based Biosensing device for detecting four biological parameters for diagnosing the health of liver and kidney of animals and birds, and has been encouraged to go ahead for filing of patent. Adding further to the research and innovation, the faculty team along with the students are actively involved in innovation by successfully designing devices beneficial for protection of health workers in hospitals and other institutions. Dr. Niraj Singh, Assistant Professor, Dept. of Microbiology, Royal School of Bio-Sciences was conferred with “Young Plant Pathologist Award” in International Web-Conference on “New Trends in Agriculture, Environmental & Biological Sciences for Inclusive Development [NTAEBSID-2020]”. He also received the Hayward-Prior Travel Award 2020 in 7th International Bacterial Wilt Symposium held in Montevideo, Uruguay, from 29th March to 3rd April 2020 (event postponed to 2021 due to covid 19). The Institution Innovation Cell (IIC) of RGU, founded in October 2019, initiated by the MHRD Innovation Cell, manufactured head shields, using the 3D printer technology, and donated them to Excelcare Pediatric Department.

RGU continued to advance experiential learning opportunities for students through the use of advanced teaching-learning tools and has witnessed a considerable result in the annual examination results. The annual pass percentage has stood at 95%. Also, altogether 55 students are enrolled under the nine categories of scholarship schemes offered by the university. To motivate students to shine better in their academic pursuits, Royal Global University felicitated the twenty students who cleared UGC - NET and Assam-TET examinations for December 2019.

Students of the university earned laurels in several national level competitions for their innovations. Rishab Goenka, students of Royal School of Architecture won the silver medal in International Essay competition conducted by Heartfulness, 2020. Ms. Nargis Zaman and Mr. Saklain Mustak Alam,

students of Department of Botany were selected for summer internships with CSIR in National Botanical Research Institute, Lucknow. Mr. Mebanshan Shadap of Royal School of Business bagged silver (1st runner up) for Western Instrumental (solo) and Ms. Priyanka Dey of Royal School of Humanities and Social Sciences won bronze (2nd runner up) in the category of Light Vocal Indian (solo) in the 35 Inter University National Youth Festival held at Amity University, Noida.

Going by the vision of RGU in creating global citizens, the University has taken every step to expose the students to different socio-cultural perspectives of life. The University saw the celebration of important days like Matribhasha Diwas, Jyoti Diwas, Silpi Diwas, Consensio 2020 (the annual youth festival of RGU) etc, along with a lot of awareness programmes conducted by all the departments. Another medal of honour was bestowed on RGU when the Association of Indian Universities showed its faith by entrusting RGU with the 35th East Zone Inter University National Youth Festival, which was aptly called Karmotsav. The Department of Social Work adopted the DeuChutal village at Pamohi, Kamrup, Assam. On the occasion of the birth anniversary of Bharat Ratna Dr. A.P.J Abdul Kalam, 'Innovation Day' was celebrated with spot slogan writing, "Innovative Idea contest", followed by presentation of students on "National Start-up Policy". Many awareness programmes like Covid, Drug abuse, Breast cancer, leprosy, Swacchata hi Seva; and donation drives were also instituted by the various departments of the university.

Institutional Growth

The year 2019-20 has been a year of upward growth with the increase in numbers in admission, recruitment, research and publication, MoUs signed and others. Noteworthy to mention, the new academic block was inaugurated on 27 August 2019 by Hon'ble Chief Minister of Assam, Sri Sarbananda-Sonowal. A contribution of Rs. Five Lakhs was also extended towards the Chief Minister's Relief Fund for Flood Victims of Assam. The contribution was brought forward by the faculty and staff of Royal Global University and Royal Global School by dedicating their one day's salary towards the fund. However, a few areas have also shown a downward trend. Table A shows the areas which have witnessed an increase in the numbers and Table B reflects the comparative figures of the areas showing a decrease in the numbers or have remained the same.

1. An Overview

The Assam Royal Global University (RGU), a State Private University, established by The Assam Royal Global University Act 2013, notified by the Government of Assam Gazette on 20/08/2013, is in its 3rd year of academic excellence offering a total of 117 courses under 24 schools in diverse fields. Established in July 2009 as Royal Group of Institutions, which has now been merged into The Assam Royal Global University, the University is located opposite to Tirupati Balaji Temple on National Highway and spans across 37,000 square meters [4 lakh square feet] of built-up centrally air-conditioned structures.

Inauguration of The Assam Royal Global University, 26th July, 2017. Sri Sarbananda Sonowal, Chief Minister, Assam, unveiled The Assam Royal Global University plaque.

1.1 Vision

- To offer nationally and internationally integrated opportunities to create global citizens.

1.2 Mission

- To achieve academic excellence through innovatively designed, research intensive, industry-oriented education;
- To incorporate community service to install ethical conduct and compassion amongst stake holders;
- To give back responsible leaders to society who are capable of enriching the future by bringing positive transformation in the world.

Hon'ble Vice-Chancellor of Manipur University Prof. Adya Prasad Pandey visited Royal Global University on 4th December, 2017

1.3 Ethos behind the Logo of the University

The new brand identity (logo) of Royal Global University which is a combination of the globe, students and the colours Blue and Orange, symbolizes positivity and encouragement for success with wisdom and creativity. The optimistic colours Blue and Orange are reflections of Royal Global University's innovative and progressive mindset with determination to impart the best and rise above the rest, thus creating a transformative educational experience for the students.

The six hands of the students, reaching beyond the globe, represent 'transcending boundaries', standing for wisdom, confidence, intelligence, creativity, determination, and truthfulness; by engaging with partners outside the traditional borders of the university campus.

1.4 University Anthem

**Hail Royal Global University.....
By the bank of mighty Brahmaputra
And under the shelter of Nilachal
There stands the temple of wisdom
Royal Global University**

**In the City of Eastern Light
Colours of blue and orange spread insight
To dream and walk the way to right
Soar in the sky to a new height
Shine on Royalites.....shine on.....**

**Lighting up the young minds
To lead the world with all might
Hail Royal Global University
Endowing a new sense of curiosity
And let the excellence prevail on
Shine on Royalites.....shine on.....**

**As long as the mighty river flows
Citadel of learning will enlighten the globe
History will keep echoing the songs of yore
With the marks of lives that remain on the shore
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
.....shine on.....shine on.....shine on.....**

3.5 Royal Centre for Counselling and Career (RCCC)

Days of higher education are very absorbing and exciting in one's life. However, for a few students, it may, at times, bring about common emotional challenges, e.g. depression, anxiety, addiction, eating disorders, etc. The transitional period can be a time of both disorientation and discovery, and can bring up issues related to independence and self-identity. Many students face tough choices regarding school, sexuality, drugs, alcohol, and social life. Peer groups, romantic inclinations and appearances tend to dominate during a teen's journey to adulthood.

To address the problems as above, RGU has launched 'Royal Centre for Counselling and Career (RCCC)', especially for those students who find life going tough.

During the AY 2020-21, there were no cases registered.

Under the Royal Centre for Water Resources Management (RCWRM) the following activities were undertaken in 2020-21:

1. During 2020-21, our Ph.D. student Mr. Khagen Chandra Nath developed field experimental plots at Krishi Vigyan Kendra, Kahikuchi, Guwahati and planned Sub-Irrigation System. The system is to be compared with other systems of irrigation. This is an initiative under the Royal Centre for Water Resources Management (RCWRM).
2. Dr. Arnab Sarma, Professor & HoD, Civil Engineering visited the Experimental Farm Krishi Vigyan Kendra, Kahikuchi, Guwahati and guided establishment of the Sub-irrigation system.

3.10 Human Resource Development Centre (HRDC)

In accordance with the guidelines of University Grants Commission (UGC), the Human Research Development Centre (earlier known as Academic Staff College) has been formed at RGU in the very first year. The Centre is responsible for continuously striving towards further enhancing the teaching standards of the university. It has been conducting training programs (FDP) and workshops to train teachers of RGU with the help of in-house senior faculty members and also teachers from other reputed institutes of higher education.

Activities (AY 2020-21)

• Faculty Colloquium (Faculty Seminar Series)

- * **Faculty Colloquium (Oct-Dec, 2020):** It was the fifth consecutive seminar of its kind, conducted by HRDC, RGU. This was organized from 17 Oct, 2020 to 12 Dec, 2020. The presenters were faculty members from all departments/schools of RGU. Considering the prevailing situation of COVID-19 pandemic, the sessions were conducted through digital platforms. And in view of the increasing number of faculty members in various departments, all the schools were set into three different groups and the seminar was conducted with three parallel sessions. The sessions were held on every Saturday and Sunday. In total, there was
- * 13 [thirteen] days of deliberations.
- *
- * **Faculty Colloquium (June, 2021):** For Jan-Dec, 2021 period, it was organized from 5 June to 11 Dec, 2021. It was the sixth consecutive seminar of its kind, conducted by the HRDC, RGU. In view of the on-going phase, the sessions were all conducted through online mode [three parallel sessions]. However, a common platform was shared on the first day. The sessions were held on every Saturday from 11:00 am to 1:00 pm. The timing had been chosen in such
- * a way that maximum number of faculty could participate in the seminar. The Faculty

- * Colloquium started with an inaugural session on 5th June 2021, followed by presentations. This seminar encourages faculty members of the university to present their domain expertise on a common platform. Content of presentations included extensive range of topics, variety of inputs, and practical information from different schools of RGU. Most of the presenters presented their original works while some of them presented review works. In total, there was 17 [seventeen] days of deliberations [05.06.2021 to 11.12.2021] with three parallel sessions at three different online platforms. We were able to conduct Faculty Colloquium, 2021 successfully with more than 200 participations.

Faculty Colloquium showcases the commitment of our University to motivate research culture among various disciplines. This seminar also helps in bridging the gap between academia and industries for overall societal development.

3.11 Royal Publication Cell (RPC)

The Royal Publication Cell is responsible for processing the most basic interests in the process of publication. It aims to encourage the members of the University to contribute and to create original piece of work.

At the dawn of 2020, the RPC was entrusted with the responsibility of broadening its horizon of academic duties, in the form of publishing quarterly e-magazines comprising literary contributions from teachers and students alike. With the first issue of the three E magazines *অস্মোসিস*, *Proyaaxh* and *The Voice* receiving warm response from students and readers after its release in May 2020, the team set forth with double zeal to work on the ensuing issues.

All three publications have a dedicated team of student coordinators, ably led by their faculty coordinators, assisted by members of the Communications Design Department of RGU, and aided and advised by the RPC, led by the Chairperson, Dr. Jasmine A. Choudhury. However, this idea of a quarterly e-magazine for RGU wouldn't have been possible without the vision, thrust and continuous encouragement of Honourable Vice-Chancellor, Prof. [Dr.] S.P. Singh, Chairperson [Academics], Prof. A.K. Buragohain, and Registrar, Ms. Angira Mimani.

Team RPC is propelled by the vision that it will be able to perform its duties with full conviction in the coming times, despite the challenges of the COVID-19 pandemic, and encourage the RGU fraternity to be the torch-bearers of a literary transformation in the educational campuses of the region.

The second and third issues of *অস্মোসিস*, *Proyaaxh* and *The Voice* were released to an even better response in January 2021, and June 2021 respectively.

3.15 Cell for Prevention of Caste Based Discrimination of RGU

The Assam Royal Global University has created a SC/ST/OBC cell with minimum infrastructure as per the guidelines of Government of India as communicated by the MHRD and UGC. This cell has been constituted to resolve all the affairs and problems related to the SC/ST/OBC students/teachers/non-teaching staff of the University.

The objectives of the Cell are:

- To counsel and guide SC/ST/OBC students and help them to manage academic and personal issues of University life effectively.
- To ensure provisions of an environment where all such students/Teachers/Non-Teaching Staff feel safe and secure.
- To provide prompt counseling for any emotional emergencies arising on account of any event at the campus.
- To ensure protection and reservation as provided in the Constitution of India.
- To arrange for special opportunities to enhance the career growth.
- To aware the SC/ST students regarding various scholarships program of State Govt. and UGC.
- To take such follow up measures to achieve the objectives and targets laid down by the Govt. of India and the UGC.
- Function as a Grievance Redressal Cell for the grievances of SC/ST students and employees and render them necessary help in solving their academic as well as administrative problems.
- To promote higher education among these two communities.

3.16 Royal center for Corporate Relations (RCCR)

RCCR, an indispensable pillar of The Assam Royal Global University, plays a very important role in every student's future. The centre continuously strives to help students in pursuing their career goals by imparting employment-seeking skills and thereby to attain desired employment. This is accomplished through a strong bondage created amongst students, alumni, faculty members and the industry. Royal Centre for Corporate Relations attempts towards mentoring students to the effect that they are industry-ready at the successful completion of an academic programme. The centre parallelly aims at grooming students ethically as well as in terms of attitude and aptitude, through regular training and interactive sessions. The centre provides students with every support for placements. The main objective of this Centre is to make the students ready to face the challenges of the corporate world and to help them in getting placed after completing a course. In erstwhile RGI, the RCCR functioned as the Placement Cell of Royal Group of Institutions and had

In the above Fig. it is seen that out of the total number of 64 recruiters who had come for the recruitment of RGU students from different sectors, IT Services and Education sector saw the highest number of recruiters in the AY 2020-21. However, manufacturing organizations as well as Financial consultants also showed keen interest in hiring students from the different schools of the University.

The above figure signifies that major recruiters offered a salary package in the range of 3-6 Lac/annum. However, there were four multinational companies who offered a salary package of more than 6 lac/annum to the students.

The above figure shows that students from MBA as well as Computer Science followed by M.Sc Physics were mostly keen towards recruitment opportunities provided by the University. However, few students from different course/ department too had participated in the placement activities/recruitment processes offered by the University placement department.

The above figure shows that maximum offers were received by students from Management and B.Tech Computer Science & Engineering. The previous graph had confirmed that the number of students opting for placements were also the highest in the above mentioned course/programs. Students from other courses including Civil engineering, B.Com, M.Sc Chemistry etc. too have received offers from various reputed organizations of the country. Successfully placed students of RSET, RSB, RSC and RSA in lucrative industrial positions.

3.17 University Proctorial Board (UPB)

The University Proctorial Board (UPB) of The Assam Royal Global University (RGU) has 2 Joint Chief Proctors and 24 Proctors to ensure that the students of the University strictly adhere to the rules and regulations framed by the authorities from time to time. The UPB is under the regular guidance and supervision of the Registrar and the Vice-Chancellor of the University. The UPB comes into action only when the respective Schools/ Departments find it difficult to handle or solve students' cases of indiscipline, misconduct etc. In 2018 – 2019, 14 cases related to students' indiscipline or misconduct were handled by the UPB, and in 2019- 2020, the number of cases were 18. Apart from these 32 cases, there have been many other instances where the UPB intervened and resolved issues. It also provides counseling sessions to students and guardians as and when required.

The prudence and persistence of the UPB has been able to create an atmosphere of discipline and order in the minds of all students of RGU, including hostellers. The UPB earnestly hopes that with advice and support from all quarters, it will definitely be able to transform RGU campus into one of the most disciplined university campuses in the country.

3.18 Institution's Innovation Council – Assam Royal Global University (IIC-RGU)

Ministry of Education (MoE), Govt. of India has established Institution's Innovation Council in the year 2018. Different educational institutions of the country are part of this initiative. The motive of this program is to systematically foster the culture of innovation amongst all Higher Education Institutions (HEIs). The Assam Royal Global university becomes a part of this initiative in the year 2019 and established the IIC-RGU. The IIC-RGU has achieved 3 Star rating out of 4 Star in the year 2021 result published by MoE, AICTE. The primary mandate of IIC-RGU is to encourage, inspire and nurture young students by supporting them to work with new ideas and transform them. The Royal Innovation Incubator was established in the year 2021 under IIC-RGU. The Managing Director of NRL inaugurated the Royal Innovation Incubator. The focus of the incubator is to create an ecosystem of innovation and entrepreneurship development.

The functions of IIC-RGU are as follows:

- To conduct various innovation and entrepreneurship-related activities.
- Identify and reward innovations and share success stories.
- Organize periodic workshops/seminars/interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Network with peers and national entrepreneurship development organizations.
- Organize Hackathons, idea competition and challenges with the involvement of industries.

The list of activities conducted so far by IIC-RGU

- Kapila: Kalam program for IP literacy and awareness
- Webinar on “Future of EV and Robotics: HIOKI Japan”
- Workshop on the topic “MATLAB”
- Webinar on the topic “Edge Computing for Business-critical Industrial Applications: STRATUS TECHNOLOGIES”
- Webinar on the topic “Basics of Metrology and Understanding Importance of Measurement and Calibration Concepts: FLUKE CORPORATION”
- Short-Term Course [STC] on “Recent Advances of 3d Printing and its Biomedical Engineering Applications.
- Interactive session/mentoring session with; Successful Start-Up Founders”.
- Orientation session for all students & faculties of institute by Innovation Ambassador(s).
- Mentorship session for Innovators (or) Student entrepreneurs through experts.
- Workshop on Intellectual Property Rights (IPR) and IP management for start up
- Session on “How to plan for Start-up and Legal and Ethical Steps”
- Business Plan/Prototype Competition to invite innovative Business Models from students
- Session/ Workshop on Business Model Canvas (BMC)
- Impact lecture series: To Generate Awareness on Innovation, IPR, Start-up and Entrepreneurship
- pitching event for ideas scouted & linkage with innovation ambassadors for mentorship support.
- Impact lecture series on entrepreneurship/IPR/Innovation by Eminent Academician and Entrepreneurship
- Cleanliness drive in the nearby place of socio and cultural places
- Field trip to Dalmia cement
- My story - motivational session by successful Entrepreneur/Startup founder.
- National education day
- Ideathon within the HEI
- Interactive session with successful entrepreneur or startup founder.
- Ideathon within the HEI
- Interactive session with successful entrepreneur or startup founder.

His Excellency

Hon'ble Governor of Assam

Chancellor

Dr. Ashok Kumar Pansari

A very successful practising Chartered Accountant since 1988, Dr. A. K. Pansari gradually developed an inclination to be a social entrepreneur in education and the related sector. In an effort to provide quality education to the students of North East and to curb their exodus from this region, he established, in association with his childhood mate Sri. A. K. Modi (Chartered Accountant), Royal Group of Institutions in 2009, Royal Global School, a world class co-educational day-cum-boarding Higher Secondary school, first of its kind in the region, in 2012 and The Assam Royal Global University in 2017. Dr. Pansari has truly been a man of diversified interests. In 2002, he started Royal Estate Developers and is now focusing on offering affordable houses under Pradhan Mantri Awas Yojana- URBAN (PMAY-U), to people of EWS and LIG categories. Dr. Pansari also owns a media house, Purvoday Publications Private Ltd., that has been publishing Hindi daily "Dainik Purvoday" since 2005. He has also authored a book titled "Baaton Baaton Mein". The book has also been translated in Bengali, titled -"Kotha Prosonge"

He further initiated

- Royal Anna Seva –a project whereby 40,000 lunch packets are distributed every year, to the needy and deprived across the city.
- Royal Swasthya Seva – as an initiative towards providing health services, wherein a dispensary managed by a doctor who would be providing free medical services to the people staying in and around the area, free of cost.

An ardent orator and a great motivator of the student community, today Dr. Pansari is one of the leading lights of the state.

Pro-Chancellor

Sri Anil Kumar Modi

A practising Chartered Accountant, Sri A. K. Modi is a partner of Modi Pansari & Co. (Chartered Accountants), Guwahati. He, along with his childhood mate Dr. A. K. Pansari, established Delhi Public School, Purvoday Publications Private Ltd, Royal Group of Institutions, Royal Global School and The Assam Royal Global University; all at Guwahati and one following the other. The Daily newspaper 'Dainik Purvoday' is published from both Guwahati and Jorhat.

Sri A.K. Modi is recognized for his social activities and contribution to civil society at various platforms.

Vice-Chancellor

Prof. (Dr.) Sanjay Pratap Singh

Prof. (Dr.) S. P. Singh is an academician & administrator specializing in the areas of Geology, Management, Behavioral Science, and Law. He was the Founder Director of Royal Group of Institutions, Guwahati, Sr.Vice-President [Academics] of Amity Education Group, Vice-Chancellor of Amity University, Raipur, before joining The Assam Royal Global University (RGU) as Vice-Chancellor in November 2016. RGU was successfully launched in 2017 under his leadership. He has also been nominated as Member [Chancellor/Governor's Nominee] of Executive Council of Dibrugarh University, Assam as well as member of the International Association of Academicians for Peace [IAAP]-India Chapter as the Honorary Vice Chairman.

Chairperson – Academic

Prof. (Dr.) A.K Buragohain

Prof. A.K Buragohain was the founder Head of the Department of Molecular Biology and Biotechnology at Tezpur University- a Central University in Assam. Professor Buragohain was also the founder of the ONGC Sponsored Centre of Petroleum Biotechnology in the same University. During the last ten years Professor Buragohain had stints in academic governance- first as the Registrar of Tezpur University and as the Vice Chancellor of Dibrugarh University, Assam for full terms of five years each in both the positions. Professor Buragohain has made remarkable contribution in forging Industry- Academia Interfacing and in bringing in international academic research collaboration at Dibrugarh University under the UKIERI, Indo-US and Indo- Tunisian research schemes. He was awarded for his remarkable contribution towards Exemplary Industry- Academia Partnership by World Wide Industry Academia Network.

5.5 Laboratories

Laboratory facilities with all the required equipments are available in all the Schools wherever necessary. In addition to the existing labs, during this academic session, few new labs were setup in the Department of Physiotherapy, Computer Science and Engineering and Pharmacy. The facilities at the already existing labs were enhanced with the purchase of various new apparatus, equipments, items, etc for the Department of Fashion Design, Botany, Zoology, Nursing, Hotel Management, etc. Items like the Usha's automatics Sewing machines, steam irons, etc were added to the labs of Fashion Design. In Zoology lab, some new equipments were added like Microtome Spencer, Mini Submarine electrophoresis unit, Electrophoresis power supply unit, etc. The detailed list of laboratories available is as follows:

Name of the School	Name of the Department	Total Number of Labs	New Labs set up during this academic session
RSAPS	Chemistry	2	0
	Physics	4	0
RSET	Civil Engineering	8	0
	Computer Science and Engineering	5	0

5.6 Research

The quest for knowledge is the basic principle behind research. And therefore, The Assam Royal Global University always strive its faculty members, research scholars and students towards good quality research. The quality of research work directly translates to the quality of teaching and learning in the classroom, thereby benefiting the students, the society and the country. RGU always promotes interdisciplinary research so that the scholars can collaborate with guides from different departments and can contribute towards some new innovative work which can help the society as a whole. A total of 45 research scholars are pursuing their Ph.D. in this session which makes the total count of PhD scholars to 125.

5.6.1 Major Projects during AY 2020-21

During this academic session, various project proposals from different departments and schools were submitted to different funding organizations like NEEPCO Guwahati, DST-SERB, DBT project under Societal Development Scheme, amongst others. The list of sanctioned projects is as follows:

Sl. No.	Title of the Project	Funding Agency	Principal Investigator	Department/School	Present Status
1	Production and packaging of commercial grade fruit beer from banana pulp with improved shelf life	DBT, Govt. of India for establishment of Rural Bioresource Complex in Aspirational districts of India	Dr. Debojit Borah	Biotechnology	NIL

Sl. No.	Title of the Project	Funding Agency	Principal Investigator	Department/School	Present Status
2	Sustainable Development for Capacity Building in Production and Commercialization of Economically Important Mushrooms	DBT, Govt. of India for establishment of Rural Bioresource Complex in Aspirational districts of India	Dr. Bhaskarjyoti Gogoi	Biotechnology and Zoology	NIL
3	Biotechnological interventions in formulation and development of high quality fish feed from available Bioresources of Assam	DBT, Govt. of India for establishment of Rural Bioresource Complex in Aspirational districts of India	Dr. Ranjan Dutta and Dr Susmita Dey	Biotechnology	NIL
4	Mechanical Testing and Quantitative Metallurgical Micostructure Analysis	AICTE-MODROB	Dr. Abhijit Deka	Mechanical Engineering	NIL
5	Making of Trans illuminator device	RGU	Mr. Hirak Ranjan Das	Mechanical Engineering	NIL
6	Auto temperature cum sanitizing device	Self funded Sa-sank Baruah and Myself]	Mr. Hirak Ranjan Das and Mr. Sasank Baruah	Mechanical Engineering	NIL
7	“Conservation and Sustainable Community Development in Deepor Beel Wetland Area”	Association of Indian Universities	Dr. Pra-teeti Barman	Social Work	Submitted
8	Modernization of Computer Science & Engineering Laboratory	AICTE	PI : Dr. Aniruddha Deka	Computer Science and Engineering	NIL
9	Centre for 3D Printing Techniques for training and simulation studies in medical and allied areas.	Assam Science Technology & Environment Council	Dr. Hirak Ranjan Das	Mechanical Engineering	As on 23/02/2022, they have not received any information.

Sl. No.	Title of the Project	Funding Agency	Principal Investigator	Department/School	Present Status
10	Development of Software to predict disease prognosis	Assam Science Technology & Environment Council	Mr. Soumyabrata Bhattacharjee	Mechanical Engineering	As on 23/02/2022, they have not received any information.
11	Bio-active fraction(s) and marker compound(s) analysis from selected species of natural flora of North Eastern region of India with prophylactic activity focusing cognitive disorders.	Start-up Research Grant	Dr. Atanu Bhattacharjee	Pharmacy	Under consideration
12	Geospatial Data Management in Identification of Arsenic in Ground Waters in Assam	Geospatial Technology Development	Professor. Anuradha Devi	Mathematics	Underprocess
13	Characterization of Brahmaputra River sand in and around Guwahati and Tezpur, Assam for assessment of its quality as building material and efficiency of hosting valuable heavy minerals for catering to engineering and market demands of Northeast India.	UGC	Dr. Ranjeeta Kar	Geology	underview

6. Library

Spread over 743 square meter [8000 square feet], the Central Library of RGU is a well-furnished, centrally air-conditioned, duplex-type library. Situated in first and second floors of B block, the library is a hub for academic queries and research activities. The library is fully computerized and provides essential information on knowledge related to engineering, management, architecture, law, commerce, fashion, fine arts, etc. The total collection stands at 9382 titles and 26859 volumes of printed books,

13042 e-books, 3 printed and 6460 e-journals/e-articles. The various e-resources available include e-journals, ebooks and e-databases under different areas. The database for the entire collection can be accessed through Online Public Access Catalogue [Web OPAC]. Apart from this, the library holds special collection on North-East, competitive and fiction/non-fiction corners. The library subscribes to 3 daily newspapers and a number of reputed magazines. The library management is done by ILMs SOUL 3.0 server platform and barcode system (Jan 2013). As a member of DELNET, the library avails various facilities of member institutions through resource sharing, on demand from the users, as and when required. It provides ready reference service like Content List Service, using both offline and online sources of information to the users. Similarly, the university also subscribes to MANUPATRA the legal e-data base which national and international judgements and journals can be accessed.

7.2 Mentor-Mentee System

7.2.1 Objectives of the Mentor-Mentee System are:

- To help the students understand the culture, opportunities and challenges present in the University and have a smooth transition to campus life;
- To help students cope with their academic, co-curricular and personal issues for a balanced and healthy growth;
- To be positive role-models to the new freshly admitted students;
- To proactively try to identify issues of concern to the general student populace and bring them to notice of higher authorities;
- To project as friend cum counsellor to the freshers;
- To befriend and counsel such students who show lack of interest in academics, suffer from stress and depression, abrasive behaviour, intemperance, aggressive behaviour or any other condition requiring immediate intervention.

7.2.2 Composition of the Mentoring Body:

7.3 Co-curricular activities and Clubs

1. **Sigma Voice** - It is the literary club of RGU which aims in developing the literary skills of the students and encourage talents of the enthusiasts to discover and further groom their literary skills and talents. Regular club meets, discussion forums and competitive activities are organized by the MUN (Model United Nations) Society, the Book Club Society, the Debate Society etc. under the umbrella of this club.
2. **Cultural Club** - This club primarily aims at gratifying the rich cultural heritage of our country. Along with providing a platform to creativity, the club aims at developing the intellectual, organizational and social skills of the students.
3. **Sports Club** - The sports club has been instituted to inculcate sports culture among students by organising sports activities and to succor the students develop vital skills needed in sports such as leadership, team spirit, responsibility, self-discipline etc. and how to maintain positive peer relations amongst all with an aim to enhance the level of performances.
4. **Royal Commerce Club** - The club was established under the administration of Royal School of Commerce. The activities of the club focus on practical training of the knowledge the students gain in the classroom. One of its main objectives is to expose students to meet the practical challenges in the current business scenario. The Royal Commerce Club (RCC) is a platform provided by the Royal School of Commerce (RSC) for interaction and engagement of students and faculty. RCC aims to follow a pedagogy designed to equip the students with skills that are required by the challenging corporate environment.
5. **Bulls And Bears** - The club works towards boosting interest in Finance and also helps indulge that interest among students through competitions, workshops and professional opportunities. Instrumental in ensuring preparedness for placements, the club also endeavors to serve as a bridge between the industry and the student community.
6. **Ethnos** - The purpose of the club is to bring together students interested in the field of Human Resources Management, help them develop interpersonal skills needed in the corporate world. It assists and encourages them to meet professionals who work in the field of Human Resources Management.
7. **Maccokots** - The club aims at keeping members abreast with the latest developments in the field of marketing by integrating the vast experiences of stalwarts from various advertising, research, sales, branding communication and digital marketing organisations.
8. **Robotics Club** - Robotics is a branch of technology that deals with design, construction and operation. Curriculum of the club has been designed to encourage activity-based learning. The session will comprise of lectures and hands on session on Robotics, Advanced Engineering. Emphasis will be given to “Learning by doing and trial and error methodology” which will further be supported by DIY (do it yourself) students and assignments. The Robotics club is a chance to explore many different things, depending on students’ interest. The robots are a combination of mechanisms, computers, and software programming, so the club is a chance for students to explore any one or all of those, plus other areas. In our club we experiment with different robots and their programming, to master a table-top playing field. Students take part in different competition where they design different robots from kits of parts and then program them to do specific tasks on the playing field. They try out many different—and wildly creative! —robot designs and different software programs to learn what works best.

9. Media Club - Welcome to media club! A place where you can channel & enhance your media skills. The club started off as just a channel to showcase one's creativity & aptitude but now with more than 100 passed out and existing royalites the club provides students of different departments a chance to exhibit their talents in the field of media. Students who have interest and talent in photography, filming, and handling PA equipment are given the opportunity to present themselves in Royal Times, Royal podcast and Royal Entertainment. By capturing the moments in various college events, the media club plays an integral role in the university. The main aim of the club is to ignite a passion for photography, videography as well as technical aspects of the media that allow students to fully showcase their capability. The club also give students the chance to come in contact with high-end equipment such as DSLRs, a well-equipped studio and powerful iMac computers to assist in club activities. For students interested in film making & music production, Royal Entertainment gives them a chance to present their unique videography and direction along with the hidden actor inside you. Royal podcast gives a platform for students to speak their mind & heart on various topics concerning mankind. One can also make a podcast on various entertainment & soft news topics. By joining the media club one can learn and showcase their talent on various activities. Moreover, students can gain valuable experience and develop their ownership and responsibility by volunteering for duties during university events. Further students are also given the opportunity to work on various events outside the campus when being a part of the media club.

10. Zoology Club – For students interested in zoology and conservation, the club is the best place to be with opportunities for those interested in the study of animals being scarce. From providing its members with informative lectures by exceptional speakers to giving them opportunities to go on exciting, educational trips to offering them a space to share and discuss their interests with fellow, like-minded students, the Zoology Club has done far more than simply fill a void.

11. Rangmanch (Theatre Club) - Drama and theatre club provides theatre training and positive mental relationships to the students throughout each step in their journey of life. This club includes play acts which improves youth to tell the stories in the way they want. It builds leadership skills in young students in working as a team communication, listening and responding story building and presenting which make them vulnerable providing an opportunity to laugh, play and cultivate life skills.

12. Botanical Club - The club promotes all aspects of the botanical sciences including plant research, leisure activities, horticultural topics, and plant-related educational activities. Botany club is a place for plant lovers and learners alike! At each meeting, we will discuss various plant related topics, such as identification, cultivation, and how they impact our mental health.

13. Rotaract Club of RGU - The Club brings together students and older to exchange ideas with leaders in the community, develop leadership and professional skills, and have fun through service. The members learn to run their clubs, manage their own funds, and plan and carry out activities and service projects. Rotaract Clubs enable their members to grow personally and professionally, address community needs, and promote international understanding through friendship and service.

14. Adventure Club - RGU Adventure Club emphasizes upon not just physical fitness and sports but also aims at building team spirit in a challenging environment through friendship and trust. The objective of the club is to create and foster amongst the students of Universities / Colleges a spirit of risk-taking, cooperative team work, the capacity to face and effectively deal with challenging situations with courage and determination. This, thus, provides the youth a positive and healthy channelisation for their abundant energy, enthusiasm and imagination as also an opportunity for them to take their rightful place as the future leaders of the country in myriad spheres of activity.

15. RGU- University Peace Club - The club may organize different activities pertaining to the nature and objective of the Peace Club. The aim of the club is to motivate student community to fight against violence and adapt peaceful methods to solve differences so that students choose the path peace and harmony.

16. Helping Hands - This RGU community club has been involved in arranging social welfare activities like flood relief donation, blood donation, in addition to arousing health consciousness, traffic awareness etc. among all.

7.4 Dean's List

Dean's List is a List of Honour, which comprises of only final year students who have shown academic excellence and discipline, during their course of study in the University, till pre-final year. The Dean's List award is not a scholarship as it does not come with any financial aid. This Award is a recognition which will elevate students to higher echelons of success. The awardee [student] will receive a personalized letter of appreciation from the University officers viz. Dean Academics/Vice-Chancellor to honour and recognize their excellent performance.

This award is instituted school wise, irrespective of the course of study, for pre-final year students. Separate Dean's List shall be made for UG & PG levels. The selection of students for this list will be done after the end of every academic year, for pre-final year students, based on results of all the previous semesters, attendance etc.

A maximum of 05 students are nominated per school, and the minimum eligibility criteria to qualify for the Dean's list are,

1. Cumulative ninety percent (90%) attendance in both theory and practical classes for last two semesters, along with minimum attendance of eighty-five (85%) percent in all the previous semesters, considered for award.
2. High Grades in academic performance.
3. Consistently good and exemplary behaviour and proficiency in extra-curricular activities.

On 17th January 2020, the following students were felicitated as the Dean's Listers for the Academic year 2020-21:
