1. COMMUNIQUE OF THE CHANCELLOR

The Assam Royal Global University aspires to lead as an institution of excellence not just in pedagogy but also in areas of research and development. A university succeeds in its vision when its students transcend their potential both in academic excellence and co-curricular areas of sports, culture, and art. We strive to provide an environment for their all-round development, which ultimately manifests the reputation and quality of the institution. The last few years have witnessed a transition in the modes, patterns and the structure of education and higher learning primarily because of the unprecedented advancements in technology and science and the necessity for embracing interdisciplinary and multidisciplinary approaches to learning. The National Education Policy 2020 resonates the shift in vision regarding education, from the creation of a resource pool to a path of holistic development of a student. We have some of the best academic scholars as faculty of our university who bring credibility to the institution as a shrine of research. We are determined on perpetually broadening the scope and nature of research to make it academically and socially beneficial. I acknowledge the contribution of our alumni who have made an indelible mark with each of their pursuits. On behalf of the entire university, I urge them for their active coordination, cooperation, guidance, and constructive suggestion for the betterment of their alma mater.

Dr. A.K. Pansari
Chancellor

2. COMMUNIQUE OF THE PRO-CHANCELLOR

We at The Assam Royal Global University are perpetually striving to grow by overcoming all hurdles that come along the way. Our ability to adapt and evolve through difficult phases since our beginning through the pandemic is a testament to the strength of our character and reputation that has been built over years of collective dedication and hard work. It is perhaps for the first time in generations that we have been prompted to review our entire education system and incorporate reforms nationally and globally post the pandemic. In alignment with the National Education Policy 2020, we have reformed our academic structures, and agreed upon a functionally aligned service delivery model, all aimed at embedding excellence, further enhancing our teaching and research. Our focus in the year ahead will be on formulating and perfecting our educational strategies, implementation of latest technology-oriented classrooms, and the harmony between our teaching and research missions. Plans are well advanced across campus for enhancements of our information technology (IT) infrastructure, new state-of-the-art teaching and research facilities, and other initiatives solely focused on benefitting the students and making a social impact.

Sri A.K.Modi
Pro-Chancellor

3. EXECUTIVE SUMMARY BY THE VICE-CHANCELLOR

Reflecting upon the major developments of the academic year August 2022 to July 2023, this Annual Report takes stock of the progress made by the university in this time frame with reference to student records as well as architectural growth, academic accolades and policy frameworks. An integral part of the University's efforts in the aftermath of the online education phase has been to facilitate the students in relearning classroom etiquettes and in their resuming a regularity of the uniform life. As we have all adapted in numerous ways to live in this post-Covid world, it is my pleasure to report that we have been able to build upon the pillars erected by the previous years.

The fifth annual report of The Assam Royal Global University makes an introspective assessment putting three major areas of focus under the lens: Academic Excellence, Institutional Growth, and Partnership. The objective of this account is to reveal to us the potential of growth even as we acknowledge the steady progression. There has been a steady growth in all the areas of the institutional development, mainly research and projects, student enrollment and university events. RGU now offers 130 programs, across 42 departments consisting of undergraduate, postgraduate, integrated, diploma and doctoral degree under 24 schools. The last academic year saw a commendable growth in the campus infrastructure in terms of classroom space, laboratories, instruments, library, sports arena. The university has established an Optometry Lab, Biosciences Research Laboratory, a well equipped Physiotherapy Laboratory and the Royal Diagnostic Lab. Our students have not just performed academically well but have also excelled in sports events of state and national levels. We have been successful in organizing two Inter University Table-Tennis Tournaments—3 Day East Zone Inter University Table-Tennis (Women) Tournament and 3 Day East Zone Inter University Table Tennis (Men) Tournament with more than thirty teams participating from the entire eastern zone. It is a matter of pride that the University attained an NSS Grant amounting to INR 149, 400 from the Office of Sports and Youth Welfare, Government of India.

The University has expanded its collaborative enterprises such as eminent national as well as international educational institutes through MoU's. As on date we have more than 86 MoU's signed for the teaching, research collaboration, student and faculty exchange. In the last year, we joined hands with as many as 29 colleges of Assam, 16 polytechnic institutes, and 12 other national institutes of repute including the Institute of Chartered Accountants of India (ICAI). We also have signed an MoU with the Sun Moon University of South Korea, thereby furthering the way for international academic collaboration. This year Royal Global University has entered into an MoU with O.P Jindal Global University, under the Institutional Mentorship Agreement to help in curriculum, course outline, global competitive multidisciplinary programs and strengthening and streamlining of academic and administrative setup.

It is always rewarding when others recognize and appreciate the remarkable work and achievements of our university and its people. It gives me immense pleasure to share that our university has attained 150th rank by the Indian Institute of Ranking Framework (IIRF). We have a robust feedback system owing to which we have been monitoring our quality and continuously striving for progress.

Prof. (Dr.) S.P.Singh

Vice-Chancellor

4. Academic Excellence

The year 2022-2023 has been promising in terms of academic growth fueled by an increasing impetus to research and development. Besides publications of repute and a host of academic events like conferences, workshops, faculty development programs, lecture series and webinars, the institute also emphasized upon newer modes of learning through experience and practice. There was a significant increase in outreach programs, educational excursions, field visits and most significantly placement opportunities.

With 24 schools, more than 344 permanent faculty members, 254 doctoral research scholars, 42 Departments and as many as 130 programs and courses, the university has registered a slow but steady growth in academics. University has more than 85 high-end labs which includes inauguration and functioning of 05 new laboratories—Physiotherapy, Microbiology, Biosciences Research Lab, Optometry and Radiology. A few laboratories are in construction phase now and would be functioning soon. These laboratories and work stations boost institutional infrastructure and help train students professionally.

The university takes to its credit in more than 300 publications in reputed books, or national and international journals from faculty members and research scholars across different departments in the last annual year. Of important note is the Royal School of Languages' accomplishment of the release of two ISBN publications, *Spring Orchestra*, an anthology of poems and *Penman's Palette*, an annual magazine. *Spring Orchestra* is a collection of fifty best poems contributed from students across universities for an Inter University Poetry Competition organized by the department.

During this academic session, various project proposals from different departments and schools were submitted to funding organizations like CSIR, DST-SERB, DST amongst others. A total of 26 projects were submitted.

Students of The Assam Royal Global University have made their mark by qualifying in national as well as state competitive examinations like NET, SLET, GATE, APSC, CAT, to mention a few. As on date more than 50 students have achieved professional accolades by clearing these exams. Eight students have been conferred with the Doctoral degree in the annual year and there are more students who are nearing the accomplishment of the degree of the highest order. Noteworthy few among other student achievements are—Barsha Das from the Royal School of Information Technology qualified CAT 2022; Harsh Raj Sharma from the Royal School of Languages, 1 Assam Battalion, NER DTE, bagged the Best Cadet Award in Advanced Leadership Camp held in Rangia; Riya Mishra from Social Work, got through the prestigious Gandhi Fellowship; Hiyaman Kalita and Asif Mondal from Department of Chemistry won the 1st prize in Inter-School Quiz Competition under G20-Y20 Program; and Petrus Baraik from the Royal School of Fine Arts won the second prize in the National Level Art Exhibition and Competition at Yashwantrao Chavan Natyagraha Kaladalan at Pune, organized by Kalamaharshi Baburao Painter Art Foundation.

Events are an integral part of campus life. The year 2022-23 is also remarkable because it is marked by several noteworthy events organized by the university. The Royal Centre of Corporate Relations organized the Biggest Job Fair in the Northeastern Region on 12th of May, 2023, which saw over 125 recruiters and 3500+ registrations. Besides this, the departments of Nursing, Management, Business, and Biosciences came forward with career counselling sessions, industry connect meetings and interview sessions elaborating on career prospects.

The University successfully conducted the Y20 Talks under the aegis of G20 Talks on 6th June, 2023. Eminent personalities- Mr. Mrinal Talukdar, senior journalist and Author; Mrs. Mita Goswami, renowned environmentalist and senior consultant at the Swiss Agency for Development and Cooperation; and Mr. Vineet Nahata, Director of Power Gilt Treasuries Inc. graced the event.

The University achieved an NSS Grant amounting to INR 149,400 from the Office of Sports and Youth welfare, Govt. of India. There were several sports events and tournaments organized at the university and inter-university levels throughout the year. Two Inter University Table-Tennis Tournaments—3 Day East Zone Inter University Table-Tennis (Women) Tournament and Three Day East Zone Inter University Table Tennis (Men) Tournament with more than thirty teams participating from the entire eastern zone were organized besides intra-university tournaments of Cricket, Football,

Arm wrestling, Carom and Badminton to name a few. Competitions on debate, art, essay writing and quiz also attracted lots of students.

On the academic and research front, many international and national conferences were organized across the university. The International Symposium of South-East Asian Culture was organized on 5th of December by the Cultural Club in association with North East Aashirvad Foundation. Dr. Dayananda Buragohain, former Chairperson AHSEC, was the Chief Guest and other personalities included Dr. Dilip Kakati, Director ABILAC, Govt. of Assam, and, Debojit Khanikar, Joint Secretary, Govt. of Assam, Khagen Sarma, Secretary, North East Aashirvad Foundation. Students and faculty members from Thailand and Guwahati made the event successful.

Several workshops were conducted in the last year. The Department of Computer Science organized a 7 day workshop on Python for Data Analysis, Royal School of Communication and Media organized a workshop on Photography and Cinematography and Royal School of Languages organized the Literary Loom- a workshop on creative writing and poetry among others. The Dye Cult and the Royal Salon d' Spring were remarkable exhibitions displaying the talent of the students of the University. To motivate the students and guide them on career choices, the University organized interactive sessions with two eminent personalities from Assam—Master Chef Winner Nayanjyoti Saikia and UPSC 5th Rank Holder, Mayur Hazarika.

To instill in students a culture of social responsibility, the University witnessed a lot of welfare events in the last year. Department of Physiotherapy organized health camp and offered free screening. A Health Mela was also organized besides Rural Camp, Wildlife Mela, Blood Donation drives, Plantation drive, Donation drive and Cleanliness drive to mark social responsibility. Awareness programs on issues like drugs, child cancer, menstrual hygiene, chemical hazards were important events organized in the last year.

5. Institutional Growth

The year 2022-23 has been a year of resourceful partnerships and collaborations with several industry and academic players. The Assam Royal Global University puts a lot of emphasis on research and development. The university started as a teaching university and is now proud to state that it is gradually emerging as a potential research centre alongside its pedagogical expertise. The University has built a specific centre dedicated to the investigation and development of thought, “The Royal Incubator” focuses on creating an ecosystem of innovation and entrepreneurship development.

6.3 Ethos behind the Logo of the University

The new brand identity (logo) of Royal Global University which is a combination of the globe, students and the colours Blue and Orange, symbolizes positivity and encouragement for success with wisdom and creativity. The optimistic colours Blue and Orange are reflections of Royal Global University's innovative and progressive mindset with determination to impart the best and rise above the rest, thus creating a transformative educational experience for the students.

The six hands of the students, reaching beyond the globe, represent 'transcending boundaries', standing for wisdom, confidence, intelligence, creativity, determination, and truthfulness; by engaging with partners outside the traditional borders of the university campus.

6.4 University Anthem

**Hail Royal Global University.....
By the bank of mighty Brahmaputra
And under the shelter of Nilachal
There stands the temple of wisdom
Royal Global University**

**In the City of Eastern Light
Colours of blue and orange spread insight
To dream and walk the way to right
Soar in the sky to a new height
Shine on Royalites.....shine on.....**

**Lighting up the young minds
To lead the world with all might
Hail Royal Global University
Endowing a new sense of curiosity
And let the excellence prevail on
Shine on Royalites.....shine on.....**

**As long as the mighty river flows
Citadel of learning will enlighten the globe
History will keep echoing the songs of yore
With the marks of lives that remain on the shore
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
Shine on Royalites.....shine on.....
.....shine on.....shine on.....shine on.....**

11.5 Royal Centre for Career, Counselling, Coaching and Guidance (RC4G)

Career Counselling and Guidance are given to students to help them acquire the knowledge, information, skills, and experience necessary to identify & understand career options, and shortlist them in order to take correct decisions on future course of action. This career decision then results in their achieving satisfaction and fulfilment in matters of social, economic, financial and emotional well-being. Royal Global University opened a special Centre for Career Counselling, Coaching and Guidance (RC4G) aims at growing its focus beyond syllabi/curricula teaching. It aims at opening avenues for students who are desirous of receiving guidance for making the correct decisions regarding their careers and of getting mentorship from expert professionals who have had hands-on experience in their fields of specialisation and thereby attempt the Civil Services Examinations with full confidence instilled in them, of being successful.

Objectives:

- 1) Enable students at the Royal Global University to identify the best career options based on inherent aptitude , attitude and merit.
- 2) Motivate identified students to prepare for the specific career path.
- 3) Equip students to prepare strategically for the competitive examinations in the chosen career path.
- 4) Counsel students on clearing doubts and confusions on issues affecting their decision making process.
- 5) Train identified teachers of the RGU as effective career counsellor and guide.
- 6) Create an ecosystem at RGU for career counselling for competitive examinations.
- 7) Attract students in other educational institutes of the region for choosing career options in various services.
- 8) Facilitate placement of the students.

Royal IAS Academy has been formed under the aegis of The Assam Royal Global University, a leading private university in the Northeast, as an initiative of University Social Responsibility. Carved out as a niche component of the Royal Centre for Career Counselling, Coaching and Guidance (RC4G), Royal IAS Academy aims to provide intensive coaching, counselling and guidance to students desirous of embracing a career in the Civil Services which are considered to be at the highest echelons of Government service and therefore most sought after, both at the national or central level (UPSC) and at the provincial or state level (PCS e.g. APSC). The Academy will endeavour to take up the task in phases:

1. By providing general guidance to students to help them understand the systems and methods of selection to the different Services and to match the capabilities of the students with the challenges ahead.
2. By providing intensive coaching in the subjects and areas of study required for preparation for the competitive examinations.
3. By undertaking to monitor the progress of the aspiring students and handhold them.

Activities (AY 2022-23)

- Faculty Colloquium (Faculty Seminar Series)**

» **Faculty Colloquium (July-Sep 2022):** It was the seventh consecutive seminar of its kind, conducted by HRDC, RGU. This was organized from 18 July, 2022 to 14 Sep., 2022. The presenters were faculty members from all departments/schools of RGU. The sessions were held on every working day (Monday-Friday & working Saturday) from 4:00 PM to 5:15 PM (offline mode). Considering the growing number of faculty members in different departments, all the schools were allocated into five different groups and accordingly the sessions were conducted in different five venues (parallel sessions). In total, there was 18 (eighteen) days of deliberations.

» **Faculty Colloquium (June-July 2023):** It was the eighth consecutive seminar of its kind, conducted by the HRDC, RGU. It was organized from 30 June to 26 July, 2023. The Faculty Colloquium started with an inaugural session on 30 June 2023, followed by presentations. The sessions were conducted in different five venues (parallel sessions). The sessions were held on every working day from 4:00 PM to 5:15 PM. This seminar encourages faculty members of the university to present their domain expertise on a common platform. Content of presentations included extensive range of topics, variety of inputs, and practical information from different schools of RGU. Most of the presenters presented

their original works while some of them presented review works. On an average, there were 17 presentations per day.

» **The Human Resource Development Centre (HRDC)**, RGU engages a formal process for evaluating Faculty presentations. Judges nominated for the Annual Research-Work Presentation at RGU include esteemed Professors (Internal). The committee uses evaluation forms developed with criteria that best reviews originality, knowledge, content and overall presentation.

» Faculty Colloquium showcases the commitment of our University to motivate research culture among various disciplines. This seminar also helps in bridging the gap between academia and industries for overall societal development.

Workshop

» **The Perspectivity Game:** A fascinating, interactive way to present the political, social and economic behavioural challenges around sustainability and building resilience.

» Facilitators:

» Ashish Agrawal (India), Anand Mistry (United Kingdom)

» Facilitating Organizations:

» Bridge 4 Change Foundation (B4CF)

» Project CHAKRA

» This workshop was an immersive session of 'The Perspectivity Game' with a cohort of 25 faculties from different disciplines right from engineering to management to commerce to science and so on.

» A Faculty Induction program was organised by HRDC on 21st June, 2023 for newly joined faculty and academic staff members.

11.15 University Proctorial Board (UPB)

The University Proctorial Board (UPB) of The Assam Royal Global University (RGU) has 2 Joint Chief Proctors and 24 Proctors to ensure that the students of the University strictly adhere to the rules and regulations framed by the authorities from time to time. The UPB is under the regular guidance and supervision of the Registrar and the Vice-Chancellor of the University. The UPB comes into action only when the respective Schools/ Departments find it difficult to handle or solve students' cases of indiscipline, misconduct etc. In the AY 2022-23 a total of 18 cases were handled by UPB. It also provides counseling sessions to students and guardians as and when required.

The prudence and persistence of the UPB has been able to create an atmosphere of discipline and order in the minds of all students of RGU, including hostellers. The UPB earnestly hopes that with advice and support from all quarters, it will be able to transform RGU campus into one of the most disciplined university campuses in the country.

A core group of Proctors have been constituted who will be responsible for the discipline of the entire campus. Each member will head a sub committee comprising of members who will be responsible for monitoring the discipline of the areas as mentioned below:

12. Royal Centre for Corporate Relations (RCCR)

The Training and placement department of Royal Global University is named as the Royal Centre for Corporate Relations (RCCR) which is an indispensable pillar of the University and plays a very important role in every student's future. The centre continuously strives to help students in pursuing their career goals by imparting employment-seeking skills and thereby to attain desired employment. This is accomplished through a strong bondage created amongst students, alumni, faculty members and industry.

The Royal Centre for Corporate Relations attempts towards mentoring students to the effect that they are industry-ready at the successful completion of an academic programme. The centre parallelly aims at grooming students ethically as well as in terms of attitude and aptitude, through regular training and interactive sessions. The centre provides students with every support for placements. The main objective of this Centre is to make the students ready to face the challenges of the corporate world and to help them in getting placed after completing a course.

Dr. Ashok Kumar Pansari

Dr. Ashok Kumar Pansari, Chancellor of The Assam Royal Global University and Chairman of Royal Global School, completed his B.Com., LLB., M.Com. C.A. and Ph.D. and started his practice as a partner of Modi Pansari & Co. Working relentlessly with other industrialists of the region, he was successful in establishing Delhi Public School in Guwahati city in the year 2003. His quest was not over as he always had the vision to set up an educational institute that would give the North-East a world class technical institution to curb the exodus of students from this region. In the year 2009, he set up the Royal Group of Institutions, India's first integrated campus with multi-discipline at Guwahati, Assam. In 2012, he set up Royal Global School, a world-class day cum boarding Higher Secondary school in Guwahati, Assam. He also started The Assam Royal Global University (RGU) from 2017.

He then went on to author a book titled *Baaton Baaton Mein*. The book has also been translated in Bengali, titled *Kotha Prosonge*. His 2nd book, *Baatein Santon va Granthon ki* is a compilation of value-based Sanskrit shlokas with their meanings in Hindi, Assamese, and English. He was also a Ted Speaker in Tedx Kharguli Hills Event where he spoke on the topic "An idea that brought a Change" where he spoke on the challenges faced by him in his journey towards becoming an edupreneur.

He also established a strong media house named Purvoday Publications Private Ltd. at Guwahati which started the publication of a Hindi Daily, named "Dainik Purvoday" from 2005, being published simultaneously from Guwahati and Jorhat. Dr. Pansari also started Royal Estate Developers in 2002 and successfully completed several projects, and few under 2016 under Pradhan Mantri Awaas Yojana.

He further initiated following social services for the benefit of the society.

14.5 Laboratories

Laboratory facilities with all the required equipments are available in all the Schools wherever necessary. In addition to the existing labs, during this academic session, few new labs were setup in the Department of Physiotherapy, Computer Science and Engineering and Pharmacy. The facilities at the already existing labs were enhanced with the purchase of various new apparatus, equipments, items, etc for the Department of Fashion Design, Botany, Zoology, Nursing, Hotel Management, etc. Items like the Usha's automatics Sewing machines, steam irons, etc were added to the labs of Fashion Design. In Zoology lab, some new equipments were added like Microtome Spencer, Mini Submarine electrophoresis unit, Electrophoresis power supply unit, etc. The detailed list of laboratories available is as follows:

Name of the School	Name of the Department	Total Number of Labs	New Labs set up during this academic session
RSAPS	Chemistry	2	0

14.6 Research

The quest for knowledge is the basic principle behind research. And therefore, The Assam Royal Global University always strive its faculty members, research scholars and students towards good quality research. The quality of research work directly translates to the quality of teaching and learning in the classroom, thereby benefiting the students, the society and the country. RGU always promotes interdisciplinary research so that the scholars can collaborate with guides from different departments and can contribute towards some new innovative work which can help the society as a whole. A total of 45 research scholars are pursuing their Ph.D. in this session which makes the total count of PhD scholars to 125.

14.6.1 Projects Submitted to External Agencies during AY 2022-23

15. Library

The Central Library at RGU spans an area of 743 square meters (equivalent to 8,000 square feet). This modern, well-furnished, centrally air-conditioned duplex library, located on the first and second floors of B block, serves as the academic nucleus for research and knowledge-seeking endeavors.

Our library is at the forefront of technology, fully computerized to provide essential information across a wide spectrum of disciplines, including engineering, management, architecture, law, commerce, fashion, fine arts, and more. Our impressive collection comprises 9,614 titles and 29,407 printed book volumes, as well as 13,042 e-books and access to 6,460 e-journals and e-articles. We offer diverse e-resources, including e-journals, e-books, and e-databases, accessible through our user-friendly Remote Access Software (Remotlog). And also provide an Online Public Access Catalogue (Web OPAC).

In addition to our vast collection, our library boasts special sections dedicated to the Northeast, competitive exam materials, and a fiction/non-fiction corner. We keep our users informed with subscriptions to three daily newspapers and a selection of renowned magazines.

To enhance the efficiency of library operations, we employ ILMS SOUL 3.0 server platform and a barcode system. We are proud members of DELNET, Manupatra, and JSTOR, which allow us to access resources from other institutions, enriching the knowledge landscape for our users. Similarly, the university also subscribes to MANUPATRA the legal e-Data base which national and international judgements and journals can be accessed.

- **University Peace Club** – Peace is a great way for everyone to turn commitment into action. It helps an individual connect and organize with others in peace. It's a framework that promotes learning about peace and gaining skills to deal with conflict; and then putting those elements together to find ways to take action to make the world a better place. In today's busy world due to the hectic schedule of an individual one is unable to maintain a peace so considering the said situation The Assam Royal Global University has introduced to us Peace Club that aims to motivate student community to fight against violence and adapt peaceful methods to solve differences so that students choose the path of peace and humanity. The club provides a platform where everyone can learn skills, exchange experiences, teach others and apply the knowledge of peace in their everyday life.
- **Volleyball Club** - The primary goal of this club is to strive for the youth athlete's education of volleyball. Volleyball is a team sport. This sport is purely about 'The Team' and everyone should be committed to that. It's a sport of discipline and competition on which they can use later in their lives. Playing Volleyball is one thing, but to grow and develop as a player is another. So, the Volleyball Club of The Assam Royal Global University offers 2 Volleyball courts to create strong athletes increasing physical and mental fitness for life, as well as teach the values of teamwork, goal-setting, responsibility, self-discipline and self-motivation. We train to compete on a competitive level while teaching and encouraging sportsmanship play.
- **Yoga Club** - The Yoga Club of RGU is a vibrant and inclusive community dedicated to promoting physical, mental, and spiritual well-being through the practice of yoga. Established with the vision of fostering holistic development among students, faculty, and staff, our club aims to create a serene space where individuals can explore and experience the transformative power of yoga. In addition to practical sessions, the club organizes workshops, seminars, and guest lectures by renowned yoga experts, scholars, and practitioners. These educational opportunities allow members to explore the philosophy, history, and science behind yoga, enabling a deeper connection with the practice. The club believes in giving back to society and making a positive impact beyond the university campus.

Yoga club actively engages in outreach programs, collaborating with local communities and organizations to spread awareness about the benefits of yoga. We organize free yoga sessions, wellness camps, and charitable initiatives, aiming to make yoga accessible to all, regardless of their background or financial means.

- **Zoology Club** – This Club helps the Student to know about the protection of the large, charismatic species. The club is also a platform to learn about various species of Butterflies, moth, birds and reptiles. Ecology is the science devoted to the study of the interaction among organisms and their environment. It helps in understanding the requirements of conservation of wildlife. The rich flora and fauna that lives in the ecosystem plays a major role in maintaining the ecological balance. Since, the Protection and conservation of wildlife is the need of the hour, therefore, Zoology Club emphasizes the conservational projects with particular focus on the diverse fauna of our ecosystem. To understand the diversity of flora and fauna in the RGU campus, regular survey is done to count, record and identify the various species. A high abundance of butterflies, grasshopper, and dragon fly is observed near the Fountain and front lawn. Birds such as myna, sparrows, crows, mites are observed near the D block and Eden Garden. Zoology club organizes many successful events in and out of the campus. The club maintains a monthly magazine with the aim of providing knowledge about rare species. The objective is to educate all the students and also the local communities about the endangered species.

16.4 Dean's Lister

Dean's Lister is a List of Honor, which comprises of only final year students who have shown academic excellence and discipline, during their course of study in the University, till pre-final year. The Dean's List award is not a scholarship as it does not come with any financial aid. This Award is a recognition which will elevate students to higher echelons of success. The awardee (student) will receive a personalized letter of appreciation from the University officers, viz. Dean Academics/Vice-Chancellor to honor and recognize their excellent performance.

This award is instituted school wise, irrespective of the course of study, for pre-final year students. Separate Dean's List shall be made for UG & PG levels. The selection of students for this list will be done after the end of every academic year, for pre-final year students, based on results of all the previous semesters, attendance etc.

A maximum of 05 students are nominated per school, and the minimum eligibility criteria to qualify for the Dean's list are,

- Cumulative ninety percent (90%) attendance in both theory and practical classes for last two semesters, along with minimum attendance of eighty-five (85%) percent in all the previous semesters, considered for award.
- High Grades in academic performance.
- Consistently good and exemplary behavior and proficiency in extra-curricular activities.
