There was a time when survival depended on the mere realization of physiological needs. Privileged are we to exist in a time when 'intellectual gratification' has become indispensable. Today, information is easily achievable, instant and enormous, because of technological innovations. A difference, however, lies between those who look for information and those looking for knowledge. Driven by our mission to achieve academic excellence through innovatively designed, research intensive, industry-oriented education, we believe in building a community of perpetual learners by motivating them to look beyond their abilities and thereby achieve what they assumed impossible.

For any University, the structure of excellence lies in its faculty members and the facilities. Our faculty members understand the university's core vision of empowering the future generation with a level of education that serves the mankind. They practise a mode of teaching which is student-centric and transformational.

Former British Prime Minister and author of 19th century, Benjamin Disraeli once said, "A University should be a place of light, of liberty and of learning". I strongly follow and advocate the statement.

Sri A.K. Pansari
Chancellor

The Assam Royal Global University aims at providing education of a level that the world acclaims; and hence, all programs here are designed to develop a fraternity of competent professionals who would finally prove to be innovative, analytical and independent-thinkers. Highly qualified and experienced faculty members, deeply devoted in the upkeep and enhancing of student-friendly learning environment, form the backbone of this University. While the faculty members of RGU have high national and international profiles; the students, coming from across the country, have contributed to our diversity and unity. With the introduction of disciplines and programmes that would meet the employment scenario of tomorrow, RGU has seen considerable growth in the first year itself. This Annual Report provides an insight to the educators and researchers who place us among the most preferred educational institutions in North-East India. As we move ahead, we envision ourselves standing as a global leader, distinguished by a commitment to equity and excellence, creating a better future for our region through innovation and impact.

Sri A.K.Modi
Pro-Chancellor

Executive Summary

The year 2017 holds great importance as the year of ‘the journey forward’ for The Assam Royal Global University (RGU). With 793 number of students admitted in undergraduate, postgraduate and Ph.D. programs in 13 schools and 55 programmes, we deem it to be a wonderful start for the onward journey of the University.

This University is governed, in all matters, by the Act, Statutes, Ordinances etc., each of which sets out responsibilities of power of the statutory offices, conduct of business and such other matters. With able stewardship of the statutory bodies like the Governing Body, Academic Council, Board of Management and the Boards of Studies, constituted of eminent academicians and administrators of repute, RGU steers in the right direction.

A balanced demography of the students’ community is an essential facet of any university. In order to maintain and facilitate the right blend of cultural diversity sought in a university environment, RGU has opened information centres in Assam (Tezpur, Jorhat, Dibrugarh, Bongaigaon, Pathsala) and few states surrounding Assam, namely, Meghalaya and Manipur. Students from as far as South Korea have applied in courses of the university through the online portal. The online system provides ease of access to students desiring to pursue their higher studies in the country and, particularly in The Assam Royal Global University. There are also those who make us proud in many fields of endeavour, including academic achievements and co-curricular activities at all levels. Further, to motivate and support the brilliant students, the university has offered scholarships to 25 students under two broad categories viz. The Royal Merit Scholarship and The Royal Endowment Scholarship.

The university has been successful in opening and operating a psychological counseling center to take care of the mental health of the students, scholars and employees. Integral parts of the student-centric bodies also include the Mentor-Mentee System, Clubs (altogether 9 clubs functioning across the university), Royal Centre for Corporate Relations and the University Proctorial Board.

In the first year itself, the university has achieved academic advancement by signing MoU with Mendel University, Czech Republic.

With 43,000 reference materials (books, e-books, journals, newspapers, and software/online resources) in the library, 59 publications by faculty members in journals, conferences and books, 318 academic and industry oriented activities (workshops, seminars, conferences, FDP, Outreach activities), the University has made every attempt to provide a very progressive academic environment to its students and faculty.

The university stands strong with up-to-date curricula, a competent and professional team ready to steer the journey forward with dignity, ethics and integrity.

This annual report tries to capture all important and noteworthy developments in relation to the university. It is hoped that the report has been able to provide a holistic view of the developments and vision of the university.

1. An Overview

The Assam Royal Global University (RGU), a State Private University, established by The Assam Royal Global University Act 2013, notified by the Government of Assam Gazette on 20/08/2013, started its first academic session from July 2017, by offering 55 courses under its 13 schools in diverse fields.

Established in July 2009 as Royal Group of Institutions, which has now been merged into The Assam Royal Global University, the University is located near Tirupati Balaji Temple on National Highway and spans across 37,000 square meter [4 lakh square feet] of built-up centrally air-conditioned structures.

Inauguration of The Assam Royal Global University, 26th July, 2017. Sri Sarbananda Sonowal, Chief Minister, Assam, unveiled The Assam Royal Global University plaque.

1.1 Vision

» To offer nationally and internationally integrated opportunities to create global citizens.

1.2 Mission

- » To achieve academic excellence through innovatively designed, research intensive, industry-oriented education;
- » To incorporate community service to install ethical conduct and compassion amongst stake holders;
- » To give back responsible leaders to society who are capable of enriching the future by bringing positive transformation in the world.

Hon'ble Vice-Chancellor of Manipur University Prof. Adya Prasad Pandey visited Royal Global University on 4th December, 2017

1.3 Logo of the University

The new brand identity (logo) of Royal Global University which is a combination of the globe, students and the colours Blue and Orange, symbolizes positivity and encouragement for success with wisdom and creativity. The optimistic colours Blue and Orange are reflections of Royal Global University's innovative and progressive mindset with determination to impart the best and rise above the rest, thus creating a transformative educational experience for the students.

The six hands of the students, reaching beyond the globe, represent 'transcending boundaries', standing for wisdom, confidence, intelligence, creativity, determination, and truthfulness; by engaging with partners outside the traditional borders of the university campus.

1.6 University Infrastructure

The Assam Royal Global University is located against the picturesque backdrop of Tirupati Balaji Temple on National Highway 37. The Wi-Fi and centrally air-conditioned campus with three blocks, labeled A, B and C has 65 hi-tech labs, an Auditorium, a Conferencia, a Colloquium, a Seminar Hall and amphitheater type classrooms.

Facilities

• Hostel

The hostels viz. Aditya House (Boys' Hostel) and Harsha House (Girls' Hostel), are centrally air-conditioned. Availability of round the clock electricity, water supply and internet are special features of these 'Home Away from Home' for the students. Other facilities include Gymnasium, TV sets, personal wardrobes, reading rooms, bathrooms in each cluster; two/three bedded rooms, lift and 24x7 infirmary.

• Sports

Besides facilities for outdoor games, "The Cube", an international-standard indoor sports complex, offers facilities for badminton, squash, billiards, table tennis etc.

• Health Care

In addition to the two infirmaries, an ambulance is also available twenty-four hours a day. The University also has tie-ups with exclusive city-based multispecialty hospitals.

• Campus Security

Round-the-clock manual security and CCTV surveillance plus a provision for raising fire alarms render the university-living safe.

• Transport

The University possesses a fleet of A.C. buses for picking and dropping of students and staff. The buses are also used for industrial and any other academic day trips.

• Cafeteria

Three vegetarian cafes cater to the food demand of the students, staff and visitors.

Infrastructure Development

Construction of a new six-storied building, about 18,500 square meter [2 lakh square feet] built-up area, has been undertaken to add three new academic blocks D, E and F to the existing campus of about 37,000 square meter [4 lakh square feet] housing academic blocks A, B and C.

3.4 Royal Centre for Research, Publications, Projects & Patents (RCRPPP)

In a fast-developing world, the role of research in an academic institution is significant for its sustainability and development, and therefore, it is imperative to have knowledge-driven growth based on innovation. Detailed research equips students with critical thinking expertise, as well as effective analytical, research, and communication skills, that are globally sought-after. Therefore, to promote research in the University and impart these qualities to the students of RGU, Royal Centre for Research, Publication, Projects & Patents [RCRPPP] has been constituted.

3.5 Royal Centre for Counselling and Career (RCCC)

Days of higher education are very absorbing and exciting in one's life. However, for a few students, it may, at times, bring about common emotional challenges, e.g. depression, anxiety, addiction, eating disorders, etc. Adolescence can be a time of both disorientation and discovery. This transitional period can bring up issues related to independence and self-identity. Many adolescents and their peers face tough choices regarding school, sexuality, drugs, alcohol, and social life. Peer groups, romantic inclinations and appearances tend to dominate during a teen's journey to adulthood.

To address the problems as above, RGU has launched 'Royal Centre for Counselling and Career [RCCC]', especially for those students who find life going tough.

3.6 Royal Centre for Innovation, Entrepreneurship and Tie-Ups (RCIET)

RCIET was formally constituted with the aim to foster a vibrant ecosystem for the creation and growth of knowledge and research-driven enterprises. The objectives of the centre are:

- To create and disseminate domain-wise research-based knowledge in the areas of innovation and entrepreneurship that influence education, practice and policy for the emerging needs and markets.
- To utilize the knowledge and expertise to contribute and promote innovation, entrepreneurial approaches to address socio-economic challenges.
- To support purpose-driven entrepreneurial endeavours and growth aspirations in key sectors including technology commercialization in collaboration with internal and external partners.

3.7 Royal Centre for Act East Policy (RCAEP)

The 'Act East Policy', as enunciated by the Government of India, has made a deep impression in the minds and hearts of every Indian. With the objective of creating an awareness for Research and Studies amongst its faculty and students, the Royal Centre for Act East Policy has been set up. The Centre seeks to achieve its objectives through workshops, seminars, lectures, research collaborations and cultural events as well as publications and extensive dissemination.

- The research focus will include migration and transnationalism; gender and discrimination; conflict and livelihood issues; ethnicity and identity politics; water, environment and climate change; North-East India and its peripheral areas; traditional institutions and India's Act East Policy. Research studies and several professional studies are the goals of the Centre.
- Documentation Centre: Documentation and extensive dissemination of in-depth knowledge of the policy will be required.
- Events: Lectures and talks by experts followed by discussion, seminars, conferences and workshops.
- Articles for Journal: Multi-disciplinary write ups on Act East Policy are to be published in a Journal, Newspaper, Magazine etc.

3.8 Royal University Press (RUP) (Designing and Printing)

The centre/cell is responsible to put together [Designing & Printing only] in-house publications, journals, magazines and the likes and put forth in RGU website for public viewing and printing.

3.9 Royal Centre for Water Resource Management (RCWRM)

Royal Centre for Water Resource Management (RCWRM) was established in March 2017 under the Assam Royal Global University (RGU), Guwahati, and the centre is attached to the Department of Civil Engineering, Royal School of Engineering & Technology. Its main objectives are to pursue teaching, research, consultancy and to conduct training programmes in [a] hydrology, [b] water resources engineering, [c] development & management, [d] irrigation management and water quality, and [e] water quantity management. It is basically an extension of the Department of Civil Engineering. To ensure high standard of service, the centre deploys well-qualified and experienced professionals of high calibre to offer the best of academic/consultancy services in various sub-sectors of Water Resources with specific focus on the NER.

3.10 Human Resource Development Centre (HRDC)

In accordance with the guidelines of University Grants Commission (UGC), the Human Research Development Centre (earlier known as Academic Staff College) has been formed at RGU in the very first year. The Centre is responsible for continuously striving towards further enhancing the teaching standards of the university. It has been conducting training programs (FDP) and workshops to train teachers of RGU with the help of in-house senior faculty members and also teachers from other reputed institutes of higher education.

During the year, a month-long Faculty Seminar Series was organized where active participation by teachers from all schools made the deliberations interactive and refreshing.

3.11 Royal Centre for Corporate Relations (RCCR)

RCCR, an indispensable pillar of The Assam Royal Global University, plays a very important role in every student's future. The centre continuously strives to help students in pursuing their career goals by imparting employment-seeking skills and thereby to attain desired employment. This is accomplished through a strong bondage created amongst students, alumni, faculty members and the industry. Royal Centre for Corporate Relations attempts towards mentoring students to the effect that they are industry-ready at the successful completion of an academic programme. The centre parallelly aims at grooming students ethically as well as in terms of attitude and aptitude, through regular training and interactive sessions. The centre provides students with every support for placements. The main objective of this Centre is to make the students ready to face the challenges of the corporate world and to help them in getting placed after completing a course.

In erstwhile RGI, the RCCR functioned as the Placement Cell of Royal group of Institutions and had successfully placed students of RSET, RSB, RSC and RSA in lucrative industrial positions.

3.12 University Proctorial Board (UPB)

The University Proctorial Board (UPB) of The Assam Royal Global University (RGU) has a Chief Proctor and 13 Proctors to ensure that the students of the University strictly adhere to the rules and regulations framed by the authorities from time to time. Later on, 14 other Proctors were included in the Board. The UPB is under regular guidance and supervision of the Registrar and the Vice-Chancellor of the University. The UPB comes into action only when the respective Schools/ Departments find Students' cases of misdeeds, misconducts etc. difficult to ease out. The prudence and persistence of the UPB have been able to create an atmosphere of discipline and peace in the minds of all, be it a faculty, a staff or a student. The UPB earnestly hopes that with advice and support from all quarters, it will definitely be able to make RGU a campus of repute.

Hon'ble Governor of Assam

Chancellor

Sri Ashok Kumar Pansari

A very successful practising Chartered Accountant since 1988, Sri A. K. Pansari gradually developed an inclination to be a social entrepreneur in education and the related sector. In an effort to provide quality education to the students of North East and to curb their exodus from this region, he established, in association with his childhood mate Sri. A. K. Modi (Chartered Accountant), Royal Group of Institutions in 2009, Royal Global School, a world class co-educational day-cum-boarding Higher Secondary school, first of its kind in the region, in 2012 and The Assam Royal Global University in 2017. Sri Pansari has truly been a man of diversified interests. In 2002, he started Royal Estate Developers and is now focusing on offering affordable houses under Pradhan Mantri Awas Yojana - URBAN (PMAY-U), to people of EWS and LIG categories. Sri Pansari also owns a media house, Purvoday Publications Private Ltd., that has been publishing Hindi daily "Dainik Purvoday" since 2005. An ardent orator and a great motivator of the student community, today Sri Pansari is one of the leading lights of the state.

Pro-Chancellor

Sri Anil Kumar Modi

A practising Chartered Accountant, Sri A. K. Modi is a partner of Modi Pansari & Co. (Chartered Accountants), Guwahati. He, along with his childhood mate Sri A. K. Pansari, established Delhi Public School, Purvoday Publications Private Ltd, Royal Group of Institutions, Royal Global School and The Assam Royal Global University; all at Guwahati and one following the other. The Daily newspaper 'Dainik Purvoday' is published from both Guwahati and Jorhat.

Sri A.K. Modi is recognized for his social activities and contribution to civil society at various platforms.

Vice-Chancellor

Prof. (Dr.) S.P. Singh

Prof. [Dr.] S. P. Singh is an academican & administrator specializing in the areas of Geology, Management, Behavioral Science, and Law. He was the Founder Director of Royal Group of Institutions, Guwahati, Sr.Vice-President [Academics] of Amity Education Group, Vice-Chancellor of Amity University, Raipur, before joining The Assam Royal Global University (RGU) as Vice-Chancellor in November 2016. RGU was successfully launched in 2017 under his leadership.

5.5 Laboratories

Laboratory facilities with required equipment are available in Royal School of Engineering & Technology, Royal School of Applied and Pure Sciences, Royal School of Architecture, Royal School of Behavioural and Applied Sciences etc. The labs provide controlled conditions in which scientific or technological researches, experiments and measurements may be performed. They accommodate the requirements of Bachelor's, Master's and Ph.D. programmes as per the syllabi of the University.

The 'Moot Court', associated with the Royal School of Law and Administration, is available to the school from the beginning and is in use whenever required as per curricular demand of law courses. In the Royal School of Fine Arts, Royal School of Fashion Design and Royal School of Communications and Media, workshop facilities and studios are available.

A Communication Lab, specially designed to improve the communication skill at individual and group level is available. Communication tools, softwares, stereophonic aids, laptops, projector etc. are available for all the students of RGU for fine tuning of their communication abilities.

These facilities of the University add to a total of 65 in number.

5.6 Research

Research programme in The Assam Royal Global University is designed to conduct researches within its academic programmes under all the departments. The university encourages interdisciplinarity in its research activities so as to offer research-based solutions of real-world problems. The researchers at RGU include faculty members, regular and part-time scholars. They collaborate with colleagues across the University and scholars at other affiliated research institutions. Assam Royal Global University seeks to push the boundaries of knowledge through analysis, innovation and insight, and aspires to churn out top-notch scientists, engineers, leaders and entrepreneurs to meet the needs of the society.

A total of twenty research scholars are pursuing their Ph.D. in the following schools:

SCHOOL	DISCIPLINE
Royal School of Engineering & Technology	Computer Science & Engineering Civil Engineering
Royal School of Business	Management
Royal School of Commerce	Commerce
Royal School of Humanities and Social Sciences	Economics
Royal School of Law & Administration	Law
Royal School of Communications & Media	Journalism & Mass Communication
Royal School of Applied & Pure Sciences	Physics
Royal School of Languages	English

Major project completed during 2017-18

A project entitled “Structure, Reactivity and Reaction Mechanism of Platinum and Ruthenium Based Complexes with Anticancer Activity: A Density Functional Theory Approach”, in the Dept. of Chemistry and funded by DST-SERB, New Delhi, has been successfully completed. The Principal Investigator for this project has been Dr. Pubalee Sarmah, HoD, Chemistry, Royal School of Applied & Pure Sciences.

6. Library

Spread over 743 square meter (8000 square feet), the Central Library of RGU is a well furnished, centrally air-conditioned, duplex-type library. Situated in first and second floors of B block, the library is a hub for academic queries and research activities. The library is fully computerized and provides essential information on knowledge related to engineering, management, architecture, law, commerce, fashion, fine arts, etc. The total collection stands at 7,048 titles and 22,051 volumes of printed books, 3,048 e-books, 26 printed and 67,125 e-journals. The various e-resources available include: e-journals, e-books and e-databases under different areas. The database for the entire collection can be accessed through Online Public Access Catalogue (WebOPAC). Apart from this, the library holds special collection on North-East, competitive and fiction/non-fiction corners. The library subscribes to eight daily newspapers and a number of reputed magazines. The library management is done by ILMS SOUL 2.0 server platform and barcode system (Jan, 2013). As a member of DELNET, the library avails various facilities of member institutions through resource sharing, on demand from the users, as and when required. It provides ready reference service like Content List Service, using both offline and online sources of information to the users.

6.1 Library Advisory Committee

“Library Advisory Committee” is the apex body for the development, rules and regulations, policy matters regarding procurement of books, journals and e-resources of the library. The committee

comprises of 11 members with the Vice-Chancellor, as the Chairman; the Librarian as the Ex- Officio Member Secretary; the Registrar; few Deans, HoDs and senior professors as members.

6.2 Library services

- Circulation of books to all members against their library cards.
- Reference service.
- Selective Dissemination of Information.
- Content list service.
- Inter-Library Loan service (on demand).
- Repository.

7. Student Affairs

7.1 Examination System

A duly constituted Examination Committee is in-charge of the entire process of holding the exams at RGU. The syllabus of every theory paper has been divided into 4 [four] units, each having equal weightage. The semester-end exam question paper is so set that each unit of the syllabus finds equal weightage and a student is tested for every unit.

The results of semester-end examinations are published on the RGU website within 30 days of the last exam held.

7.1.1 GRADING SYSTEM

The Assam Royal Global University follows Relative Grading System wherein a student's performance is assessed in comparison to others in the class. The point values are not directly assigned to a letter grade. It builds competitiveness among students to stand out in relation to others. However, Relative Grading in RGU shall be applicable only when the students' strength in a class is more than 30; otherwise, for class strength up to 30, Absolute Grading System is followed.

Passing Criteria: For UG courses, a student shall have to obtain SGPA of 4.5 in every semester and CGPA of 5 in each year. For PG courses, a student shall have to obtain SGPA of 5 in every semester and CGPA of 6 in each year.

Promotion Criteria: For UG courses, a student shall have to obtain SGPA of 3.5 in every semester and CGPA of 4.5 in each year. For PG courses, a student shall have to obtain SGPA of 4.5 in every semester and CGPA of 5 in each year.

Examination Rules, as mentioned in Ordinance, do not permit a student to be promoted to 3rd Year until and unless the student achieves Passing Criteria in his/her 1st Year.

7.1.2 EVALUATION SYSTEM

The evaluation system of a paper for a course under The Assam Royal Global University is divided as per the following:

Sl. No.	Particulars	Weightage
1	Continuous Evaluation	30%
2	Semester End Examination	70%
	Total	100%

1. The Continuous Evaluation component is re-divided as per the following connotation:

• Class Participation (15%)

Every student's progress and performance is continuously adjudged throughout the semester in different ways such as Class Tests, Viva, Assignments, Project Work, and Seminars etc. 15% marks are allotted under the head 'Class Participation'.

• Mid-Sem Examination (10%)

This is a written test conducted in the middle of the semester after completion of 30% to 40% of the course. 10% marks are allotted for Mid-Sem Examination.

• Attendance (5%)

Ideally, a student is expected to attend 100% of the classes, but considering various hindrances like illness, accident, etc. a relaxation of maximum 25% is given, which means a student has to maintain an attendance of minimum 75% in each subject. To reward and encourage higher attendance, 1-5 marks

are given to students having more than 75% attendance, as per the following connotation:

Percentage of Attendance (%)	Marks
More than 95%	5
More than 90% and up to 95%	4
More than 85% and up to 90%	3
More than 80% and up to 85%	2
More than 75% and up to 80%	1
Up to 75%	0

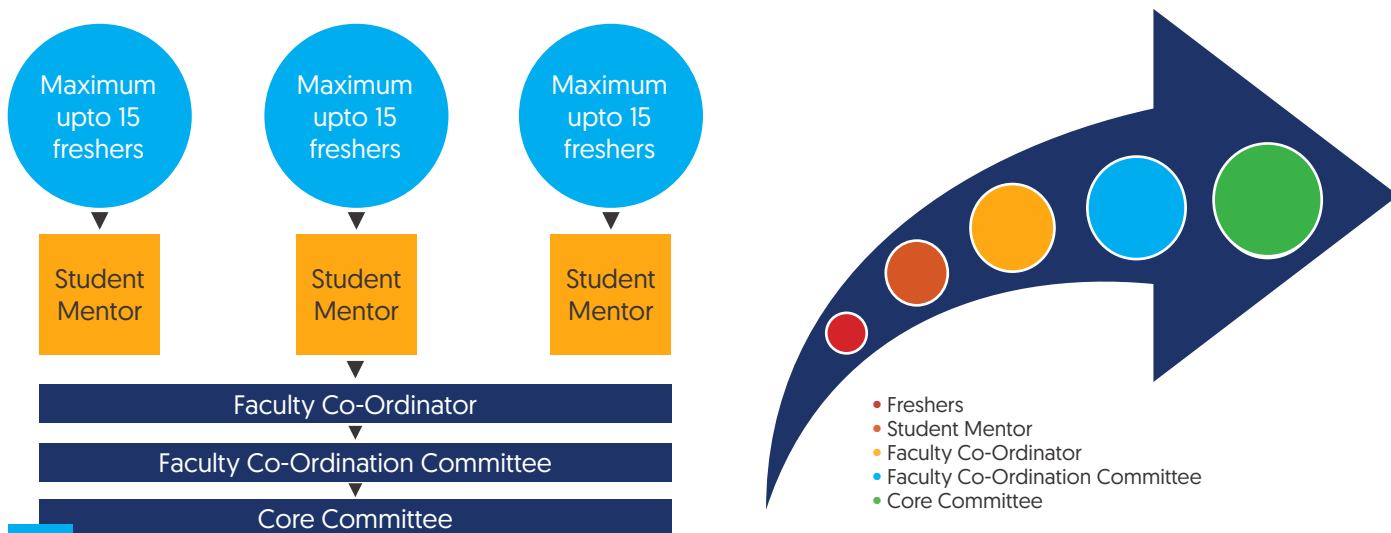

2. The Semester End Examination [SEE] carries a weightage of 70%, and is conducted usually in May-June and December-January for Odd and Even Semester respectively for all papers of a particular course. Based on prescribed course structure, the nature of examination may vary for theoretical and practical papers.

7.2 Mentor-Mentee System

7.2.1 Objectives of the Mentor-Mentee System are:

- To help the students understand the culture, opportunities and challenges present in the University and have a smooth transition to campus life;
- To help students cope with their academic, co-curricular and personal issues for a balanced and healthy growth;
- To be positive role-models to the new freshly admitted students;
- To proactively try to identify issues of concern to the general student populace and bring them to notice of higher authorities;
- To project as friend cum counsellor to the freshers;
- To befriend and counsel such students who show lack of interest in academics, suffer from stress and depression, abrasive behaviour, intemperance, aggressive behaviour or any other condition requiring immediate intervention.

7.2.2 Composition of the Mentoring Body:

7.3 Co-Curricular activities and Clubs
