RGU welcomes Dhruv Piyush Goyal

GUWAHATI, Aug 8: The third UG academic 'Speaker Series' session of the Royal Global University (RGU) here began today with Dhruv Piyush Goyal attending it as guest speaker, according to an RGU press release.

During his candid open house interactive session with the students of RGU, Dhruv spoke about the qualities instilled in him while he was a student at Harvard. He advised all the Royalites that it was essential to remain humble and leave the ego aside to learn, grow and excel in life.

Having been closely associated with the present BJP government, he lauded the BJP for its culture of excellence that he witnessed while he campaigned with the party prior to its landslide victory in the Lok Sabha Elections this year.

He was all praise for the women of the country – both rural and urban – for coming such a long way and breaking boundaries making their own decisions, be it their voting rights, careers and fighting any other oppression.

He also stated that it would be incredibly challenging for him to create his own individual identity over his grandfather Ved Prakash Goyal and his father Piyush Goyal, two great iconic political personas.

The event was attended by RGU Chancellor AK Pansari, VC Prof SP Singh and other distinguished guests, faculty, staff and students. Angira Mimani, Registrar, welcomed Dhruv with a *phulam gamusa*, the release added.
