C/O C-601, Rang Homes,
Near Tulsi Grand, Dharapur,
Guwahati - 781014
Kamrup Dist., Assam

Objective:

An academician with a history of working in television industry and digital platform as an experienced creative head/creative director. Sharing these experiences with the students and preparing them for the industry gives me motivation to teach and give them first hand experience of what I have learned during my years in the television industry. I aim to grow, guide and mentor the young minds to learn and excel in their academics as well as in the context of project work together with their individual professional development.
