

RESUME

PERSONAL INFORMATION

- Name : Dr. NEETA MONI SHARMA
- Date of Birth : May 10th ,1990
- Nationality : Indian
- Email id : nmsharma@rgu.ac
- Department : Geology
- Mobile No : +919101644920

OBJECTIVES

To achieve excellence in teaching and research.
To work for an organization for pursuing a challenging career and contribute my knowledge and skills towards the growth of the organization which will also help me in my personal growth.

ACADEMIC RECORD

Exam	University/Board	Name of Institute/Dept.	Year	%
X	Board of Secondary Education, Assam	Jyotiniwas High School, Jagiroad	2007	76.5
XII	Assam Higher Secondary Education Council	Jagiroad College, Jagiroad	2009	64.8
B.Sc.	North-Eastern Hill University	St. Anthony's College, Shillong	2012	79.3
M.Sc	Dibrugarh University	Dibrugarh University	2014	73.8 (Grade A)
Ph.D	Dibrugarh University	Dibrugarh University	2022	Grade A

SOFTWARE PROFICIENCY

- Six month diploma in Office Automation.
- Geological Softwares such as IgRoCS_M1, GCD-KIT 2.3, PETROMODELLER V2.
- Coral DRAW15

ADDITIONAL QUALIFICATIONS	<ul style="list-style-type: none"> • Certificate course in Disaster Management
LANGUAGES KNOWN	<ul style="list-style-type: none"> • English, Hindi, Assamese, Bengali
ACHIEVEMENTS	<ul style="list-style-type: none"> • Secured 3rd rank in the Final B.Sc. examinations, 2012 conducted by the North Eastern Hill University, Shillong. • Won 2nd Prize in the Poster Competition organized by the Late Kalinath Deka Educational Memorial Trust in the Department of Applied Geology, Dibrugarh University, Dibrugarh. • Secured 2nd position in the Miss Dibrugarh University Competition held at Dibrugarh University.
EXTRACURRICULAR ACTIVITIES	<ul style="list-style-type: none"> • Cleared vocational music (Visharad part 1) from Sastriya Sangeet Pandit Bhatkhande, Lucknow.
SEMINAR / WORKSHOP ATTENDED	<ul style="list-style-type: none"> • Attended “Technical Sessions” of Petro Conclave 2013 held on 7th & 8th October, 2013 held at Dibrugarh University. • Attended “Technical Sessions” of Rock Deformation and Structure III held on 29th to 31st October 2014 held at Dibrugarh University. Attended “Technical Sessions” of Rock Deformation and Structure III held on 29th to 31st October 2014 held at Dibrugarh University. • Attended a training programme on “Construction of Balanced Cross Section and Structural Profiles in Deformed Terranes” held on 30th October 2014 at Dibrugarh University. • Attended two days National workshop on “Research Paper and Project Proposal Writing” organized by Dibrugarh University Research Scholars’ Association (DURSA) in Dibrugarh University held from October 24th and 25th, 2016. • Participated in UGC SAP (DRS II) sponsored seminar on “Recent Developments in Geo-scientific studies on Shillong-Mikir Massif, Upper Assam and Eastern Himalayas” organized by Department of Applied Geology, Dibrugarh University, on October 30th, 2016 • Participated in the one week workshop on “Petrography” organized by Department of Geological Sciences, Gauhati University, Guwahati during 27th March-1st April, 2017. • Participated in the one week long science writing workshop conducted by Mr. K.P Madhu and Ms. Geeta Madhu, Consultants, Current Science, Bengaluru, India held during 16th-22nd February, 2020 at the Department of Applied Geology, Dibrugarh University.

<p>PAPER PRESENTATIONS</p>	<ul style="list-style-type: none"> Presented a paper on the topic entitled “ Petrography and Geochemistry of the Volcanics in and around Lichi Area, Papumpare District, Arunachal Pradesh, India” in a national seminar on Geology, Geochemistry, Tectonics, Energy and Mineral Resources of Northeast India organized by Department of Geology, Nagaland University, Kohima from 9th to 11th November, 2016. Presented a paper on the topic entitled “Geochemistry of Trace and Rare Earth elements of Lichi Volcanics, Papumpare District, Arunachal Pradesh, India” in the National Symposium on “Emerging Trends in Geosciences, Mineral Exploration and Environmental Sciences for Sustainable Development” held at AMD Complex, Hyderabad organized by Indian Society of Applied Geochemists (ISAG) during 20-21, December, 2017. Presented a paper on the topic entitled “ Geochemistal characteristics of Lichi Volcanics, Arunachal Pradesh, India: implications for petrogenesis of the rocks” in the 8th International Science Congress organized by International Science Community Association in collaboration with Maharishi Markandeswar (Deemed to be University), Mullana, Haryana during 8th-9th December, 2018.
<p>PUBLICATIONS</p>	<ul style="list-style-type: none"> A paper entitled “Petrography and Geochemistry of the volcanics in and around Lichi area, Papumpare District, Arunachal Pradesh, India” has been published in the peer reviewed Journal “Journal of Applied Geochemistry, Vol. 20, No.3 (2018), pp. 264-274. A paper entitled “Major and Trace Element Geochemistry of the Clastic Sediments of Yinkiong Group of Yamne valley, Arunachal Pradesh, India” has been published in peer reviewed journal “International Journal for Research in Research in Engineering Application and Management (IJREAM), Vol. 05, issue-08, Nov, 2019, pp. 242-253. A paper entitled "Petrogenetic evolution of Lichi volcanics from Arunachal Himalaya, northeast India: Insights from geochemical modelling" has been successfully given full consideration for publication in Geological Journal (Wiley).
<p>FIELD TRIPS/INDUSTRIAL VISIT</p>	<ul style="list-style-type: none"> Pachighat, Arunachal Pradesh. Lichi, Papumpare District, Arunachal Pradesh. Namrup, Assam. Udaipur, Rajasthan.
	<p>PLACE-Guwahati Dr. Neeta Moni Sharma</p>
