## **Brief Introduction:**

Adishree Borgohain is Sociology PhD scholar at Tezpur University (5<sup>th</sup> year) and has done her B.A with honors in Sociology from **Lady Shri Ram College** in 2016 and has completed her M.A in Sociology from **Delhi School of Economics** in 2018. She has worked as a contractual teacher in Faculty Senior Secondary School, Guwahati, Assam for a period of 16 months (May 2018-August 2019) where she taught social studies for students of class X and class XII.

Adishree's doctoral research focuses on the reproductive health of women in Assam and how the Indian state has designed its reproductive health policies for maternal health and adolescent girls. Adishree is particularly interested in the agency practiced by women in making decisions about their own body and fertility and is currently engaged in studying the reproductive health seeking behavior of married women of Assam.

## **Publications:**

- i) Abstract Published in Indian Sociological Society's 47<sup>th</sup> All India Sociological Conference titled "A study on the Reproductive Health of Women in Assam".
- ii) Book Chapter, Adishree Borgohain, "Reproductive Health Seeking Behavior and Medical Pluralism in Assam" in Rawat Publications, 2024.
