OBJECTIVE

*Dedicated and accomplished academic professional seeking a challenging role as an Assistant Professor and Academic Coordinator. Leveraging a solid foundation in [Anaesthesia and Operation Theatre Technology], I aim to contribute my expertise in curriculum development, student mentorship, and research to inspire and educate students. With a proven track record in [Academics as well as in Clinical field], I am poised to facilitate a dynamic learning environment.

*As an Academic Coordinator, I bring organizational prowess and leadership skills to effectively manage academic programs, foster collaboration among faculty, and ensure the seamless coordination of educational initiatives. My commitment to excellence in both teaching and administrative roles positions me as a valuable asset to an institution dedicated to academic advancement and student success.
